THE proofs of its efficacy are so numerous and so well authenticated, and of such a peculiar character that a mass of such testimony cannot be given in a single advertisement. The cures, may be certified, and proved to be genuine, may be cured by one bottle only. The undersigned, in offering this Syrup, would call the attention of the public to the fact that it is not a Patent Medicine, but a Medicine of Science, and is prepared by a Chemist who has had the highest medical diplomas, and who has been for years connected with the Medical Profession, and who is well known in the community, and of the highest respectability.

CARD.

The undersigned having experienced the beneficial effects of the "Peruvian Syrup," do not hesitate to recommend it to the attention of the public.
From our own experience, as well as from the testimony of others, whose intelligence and integrity are above suspicion, we have no doubt of its efficacy in the cure of Scrofula, Liver Complaint, Dropsy, or Mercurial Diseases, or Eruptions from the high character of those who have used it, we feel confident that it will be found a valuable remedy for the diseases for which it is recommended, and we cheerfully tender our testimony as one who has been benefited by its use.

It is well known that the medicinal effects of Protoxide of Iron, in a form so fine as to be assimilated with the fluids of the body, without further oxidation, has been deemed impossible. In the Peruvian Syrup this desirable point is attained by combining it in a way having the effect of the most delicate preparations of Iron, without further oxidation, has been deemed impossible of the proto-chloride, nitrate and iron salts, so much used in medicine.
