A PULPIT BIBLE was recently stolen from the Baptist Church in Cape Traverse.

IT is expected that the Electric Light will be in working order about the 21st inst.

SUMMERSIDE's new Skating Rink, which will soon be completed is 140 ft. long by 61 ft. wide.

MR. THOMAS COSTELLO has been appointed Policeman in the place of the late Malcolm Steele.

POINT DU CHENE HARBOR has closed, and for the rest of the season the mails will come by Pictou.

SUMMERSIDE is looking up. One day's fines in the Police Court there recently amounted to $100.

MR. BENJAMIN HEARTS, of this city, has imported two more Holstein cattle direct from Holland, a bull and heifer.

THE *Patriot* noticed last week the death of a "widow woman." When did our contemporary hear of a widow man?

HALIFAX MARKETS: Oats 42c., Barley 70c., Potatoes 27c., Turnips 25c.; Mess Pork $14.50, Thin Mess $13, Prime Mess $12.50.

MR. J. T. P. KNIGHT, Inspector of the Merchants' Bank of Halifax, has been lecturing in Pictou, his subject being "A Canoe Trip through the Bras d'Or."

EDWARD W. JARVIS, of the St. John branch of the Bank of Montreal, and a son of Dr. Jarvis of Summerside, boasts walking eleven miles in one hour, five and one-half minutes.

MR. J. D. QUINN, of the Inland Revenue Department, who for nearly three months past, was employed in the office in this city, left for Montreal last Friday morning, having made a host of friends.

YOUNG MR. LEDSTONE of West Cape who recently went to Nebraska, must be quite a "boy," if the *Journal's* description of him be correct. He is 18 years old, 6 feet 6 inches high and weighs 220 lbs.

MR. EDWARD BLACKBURN, of the Prince of Wales Hotel, requests us to state that there has been no sickness of any kind in his house since the outbreak of small pox, and that his friends need have no fear in coming to visit him.

THE *Carroll* sailed for Boston last Thursday, on her last trip for the season with the following cargo: 895 cases canned meat, 679 cases lobsters, 502 cases eggs, 1,470 bushels potatoes, 339 barrels mackerel, 8 cases mackerel, 16½ barrels sounds, 2 barrels oatmeal.

A TRIDUUM was begun on last Sunday evening in St. Dunstan's Cathedral in honor of the Immaculate Conception. Yesterday being the feast, masses were celebrated as on Sunday, and in the evening, Vespers were sung, and Benediction of the Blessed Sacrament given by his Lordship, assisted by Revrs. Father Gallant and Bourke.

MR. JOHN HUGHES, of Scotchfort, requests us to deny the report that was current that he attended the wake at Thompson's, and that he was subsequently laid up with small pox. We can testify that yesterday, when he called at our office, he did not look like a victim—in fact we have not seen a healthier looking young man for a long while.

THE Gloucester *Advertiser* says that Mr. W. D. Stewart of that city, formerly connected with the Russia Cement Company, has been appointed special agent for the States of Vermont and New Hampshire, of the Pacific Guano Company, with headquarters in Boston. This is Mr. Stewart, who was formerly Commissioner of Public Works and did business in Charlottetown. Mr. P. S. Dowan is also connected with the same concern.

"MAN" is the concise yet comprehensive title of a new monthly Magazine, published at Ottawa, under the editorial supervision of Dr. Edward Playter, assisted by a corps of the first writers in Canada. It is really a very handsome publication, and is very able and varied, and contains a nice variety of well balanced reading matter. Dr. Playter is one of our best writers, and a good and well conducted journal may confidently be expected from him. He has been very favorably noticed by the press of the various Provinces. Canvassers are wanted in every locality. See advertisement in another column.

A SAD accident occurred on Saturday night last, whereby Mr. John Cummings, of Alexandria, Lot 49, lost his life. He had come to town in the morning and was returning on foot. While crossing a marsh at the foot of Hill he lost his way, as the night was very dark, and the tide being unusually high, he perished before assistance could reach him. His cries were heard by some neighbors, but although they searched diligently they were unable to find him. He was about 60 years of age. An inquest was held before Dr. McLeod, when the jury returned a verdict in accordance with the facts.

FUNERAL.—The funeral of John F. Wicken, jr., C. E., son of John Wicken, Esq., of Charlottetown, P. E. I., took place on Thursday. The body was laid down on the east bound express train; was met at the station by a large number of friends and taken to the new cemetery. The pall-bearers were Messrs. W. E. Green, W. C. Newbery, W. Thomas, J. G. Fitzgerald, G. Clark, and J. G. Borrodale. Mr. Brecken was well known in Calgary, having made that place his headquarters for several years after the season was closed on the C. P. R., on which road he was employed for six years. He was a good engineer, a hard worker, and made friends wherever he went. Mr. Newbery and Mr. DesBrisay, our fellow-townsmen, have known him for years and have worked with him in the same relations. The deepest sympathy is felt for his family in their bereavement.

Opinions of Physicians and others as to the merits of

PUTTNER'S EMULSION OF COD LIVER OIL, ETC.

DR. JENKINS, of Montreal, says:
"I prescribe your EMULSION OF COD LIVER OIL with HYPOPHOSPHITES largely in my practice, with most gratifying results. You may use my opinion in any way you desire; I cannot speak too highly of your preparation."
J. F. T. JENKINS, M.D. C.M., etc.

CAPT. JOHN R. HIRE, of Schr. Lillian, speaks of it thus:
"I was suffering from a severe attack of inflammation of the chest, caused by a heavy cold brought on by exposure at sea, and on making my next voyage, I took with me a good supply of PUTTNER'S EMULSION, which I am happy to say, has perfectly cured me; indeed I cannot praise it too highly. I feel that it has given me a new set of lungs."
