LISTED SECURITIES!

All stocks or bonds traded in by this company may be sold in the New York markets just as readily as they are bought, so that investors who may be carrying stocks on margin can always close out their holdings at will.

We suggest that you pick out some good dividend-paying security selling low and get a block of same to be held for higher prices.

Of the thousands of listed stocks we can name at least a dozen for you that have stability and good earnings and dividends behind them. Just ask us for a selection you choose.
