GENTLEMEN,—I am again a Candidate to represent you in the Dominion Parliament, and solicit a continuance of the support so generously accorded me in the past. If elected, I will give my best energies to the development of the varied interests of the Dominion, and especially those of the City I have so long had the honor of representing.

To the Electors of the City and County of Saint John.

GENTLEMEN:

I beg to offer myself, a Candidate, to represent you in the Dominion Parliament, and to solicit your votes and support for the purpose. The great and advancing interests of the City and County—as the front door of the Confederacy—demand the highest attainments and best efforts of a representative. I respectfully trust that my qualifications may suit you, and that my intimate acquaintance, not only with the City but with every part of this Province, and the interest I have long taken in great measures to improve it, may recommend me to your favorable consideration.

If elected I will interest myself in the agricultural and mining interests of the country, and it shall be my pride to elevate the condition of this City and County, and to place us first in the Dominion for manufacturing and fishing, shipping, and mercantile prosperity.

The encouragement of your manufacturing interests of every description, which I have long advocated, more especially as employments for retaining our children, working people and wealth in the Country, shall have my best exertions, and the making of the Bay Verte Canal, and the enlargement of our Harbor: upon which I have written so much, shall engage my unceasing efforts for the speedy accomplishments of these very desirable ends.

Finally, Gentlemen, my desire is to increase the wealth of every family and individual in this City and County, and to enact such just and equal laws as will produce harmony, contentment and happiness. I will further express myself on nomination day.

Your truly, ob't. servant,
DAVID S. KERR.

GENTLEMEN,—

IN response to your urgent request that I should allow myself to be put in nomination at the forthcoming election of a member for the City of St. John to represent you in the Dominion Parliament, after due consideration, I cheerfully accede to your wishes, and consent to place my services at the disposal of the electors of the City of St. John, particularly in the interests of our own City, Province and people, whose rights and claims I consider have been completely ignored during the past five years.

I am
Your ob't servant,

To the Electors of the City and County of St. John.

GENTLEMEN,—At the request many of your number, I have been induced to become a Candidate at the approaching Election: and having nearly all my means invested in Manufactures, Shipping and other property among you, I am largely interested in endeavoring to promote the prosperity of your city and county.

If elected I will earnestly labor to procure for the Province what it is entitled to in the Union, as I desire the people of this Province to be put in all respects on exact equal terms with the people of her sister Provinces: and I will oppose all attempts of the General Parliament to interfere with the rights reserved to the several Provinces.

I will also try to lighten the taxes upon the country, as well by introducing greater economy in the public service, as by every other means in my power, for I believe that our power to successfully compete with our neighbors in manufactures and all other industries mainly depends upon our ability to keep our people free from burthens, and, by consequence, to make the cost of living cheap in the Dominion.

I will labor to bring about freer trade relations with our neighbors, the citizens of the United States.

I will support whatever I believe will be for the interest of the Dominion generally and for yours in particular; and I respectfully solicit your support.

Your obedient servant,
A. L. PALMER.

To the Electors of the City and County of St. John.

GENTLEMEN,—Having been requested by many of the Electors to allow myself to be put in nomination as a candidate for the representation of the City and County of Saint John in the Dominion Parliament, I have consented to do so, feeling it to be the duty of every man interested in the prosperity of his country to be willing, when called upon, to devote a portion of his time to the public service. If you have confidence in my ability to serve you and should elect me as one of your representatives, I assure you that while I will use my best efforts in advancing the prosperity of the Dominion, I shall have a special regard at all times to the interests of New Brunswick, and more particularly those of the City and County of Saint John.

Soliciting your support.

To the Electors of Kings County.

GENTLEMEN.—I shall be a Candidate for your suffrages, at the coming election.

In preparation for political life I have attended all the sessions of the first Parliament of the Dominion. Born among you, bred to the plough, and occupying a freehold, where for three generations my family have tilled the soil of King's, I claim to be most fully identified with your interests; and believing that the representation of this fine county should be entrusted to one of its sons, I confidently solicit your support,

Your obedient servant,
