EARLY IN THE SEASON WE PREDICTED that the real estate market in city realty would be extremely active, and the many transactions on the local market prove that our prognostication was well founded. Even through our office alone over $100,000 worth of real estate has been sold. The tendency among buyers is still towards further investments. The extremely low rates now being paid on savings bank deposits will have a tendency also of increasing investments in real estate. To meet this looked-for demand we have secured a number of very eligible properties. We can only mention a few in this list, but if you will call at our office we will be pleased to give you full particulars of any property you think might be suitable for your requirements. FLITTING INTO THE COUNTRY

London's Society Season Already Waning.

Lady Constance Grosvenor to Have Fifteen Bridesmaids

When She Weds the Earl of Shaftesbury—Lady Aberdeen on the Council of Women.

London, July 8.—Although a few great balls are still in sight, the London season is already waning. People are flitting into the country much earlier than usual. Next week will be given over to Newmarket, where there are numerous house parties for the second July meeting. During the following week the season winds up with the Duchess of Portland's ball. There are still several fashionable weddings in prospect, the most notable being that of the Earl of Shaftesbury and Lady Constance Grosvenor, who will have

FIFTEEN BRIDESMAIDS,

while many persons are looking forward with great interest to the reception to be given by the Duke and Duchess of Sutherland at Stafford House, July 26, to the members of the Anglo-American League and their friends, at which Mr. Joseph H. Choate, the United States ambassador and Mrs. Choate, and many prominent Americans and English will be present.

LADY ABERDEEN'S GOOD WORDS FOR CANADIANS.

A representative of the Associated Press has interviewed the Countess of Aberdeen and others regarding the practical results likely to accrue from the International Council of Women, Lady Aberdeen, who is an enthusiastic admirer of the American and Canadian delegates, said: Every one of them was a skilled expert, and most of them were trained speakers, whom the congress was delighted to hear, which cannot be said in regard to any of the other speakers.

The Americans, as a rule, were better informed, more decided in opinion, and further advanced on the leading topics than any of the other delegates. They fairly outstripped the Englishwomen, who, however, were better informed than the continental delegates in general knowledge of the subjects pertaining to women.

Mrs. Sewall won the congress from the first. Her extraordinary tact in dealing with such a large gathering was remarkable.

Miss Susan B. Anthony's powerful advocacy of woman's claims, distinctly added to her already great reputation.

RESULTS OF THE WOMEN'S CONVENTION.

Regarding the results, the grand consummation has been reached of welding together a cosmopolitan body of thoughtful women, prepared to educate their fellow-women. Twenty-five years hence the leaven of today will have leavened the whole world and the irresistible force of public opinion will have raised women to their proper sphere.

Miss Susan B. Anthony dwelt enthusiastically on the work of the council and said: "We have already taken the outer trenches of the world's thought."

THE THEATERS.

In spite of the many counter attractions and the hot weather, most of the theaters fared well this week.

"An American Citizen" is doing so well at the Duke of York's Theater that Nat Goodwin will prolong its run.

As a souvenir of the performance at Windsor, July 4, when Grau's company presented the opera "Il Pagliacci" before large gathering of royalties, the Queen has presented Maurice Grau with a handsome silver ink stand, with the royal monogram, and has presented Susanne Adams with a gold bracelet, with the Queen's initals.

CASTASTROPHE NEAR TIVERTON

One Man Killed and Sixteen More or Less Injured,

At a Barn-Raising on the Farm of John Convey.

[Special to The Advertiser per G.N.W.]

Tiverton, Ont., July 8.—A barn-raising held last evening on the farm of John Convey, ninth concession of Kincardine, was the occasion of a terrible accident, in which one man was killed and sixteen others were injured. Everything went satisfactorily until the fourth bent was being lifted, when a little too much pushing shoved the bent too far, and down it fell upon the men beneath. The scene which followed was one never to be forgotten by the spectators.

Lying underneath the fallen timbers were nearly a score of men, cut, bruised, and with broken limbs.

THE VICTIMS.

Four doctors were summoned at once. Dan McKenzie was picked up with both of his legs broken, and his hip smashed terribly. He was also hurt internally, and died about 11 p.m.

The next seriously hurt was James Begg. He had some ribs broken, besides being hurt otherwise internally.

Kenneth McLeod was hurt about the head and rendered unconscious, but it is thought that he is fatally injured.

With the exception of Mr. Johnston, who is badly hurt, none of the others sustained serious injuries. There were a couple of broken arms and wrists, but cuts and bruises comprised the remainder of the injuries.

THE DEADLY "FROG"

Firemen Isaac Ions Killed on the L. E. and D. R. R.

[Special to Advertiser per G.N.W.]

Chatham, Ont., July 8.—This morning a fatal accident occurred here in the L. E. and D. R. R. yards. Isaac Ions, fireman on the yard engine, while attempting to couple the engine to a car, got his foot fastened in a frog.

The engine passed over his body, and almost cut it in two. The young man was mangled in a terrible way.

Give Holloway's Corn Cure a trial. It removed ten corns from one pair of feet without any pain. What it has done it will do again.
