STILL A MYSTERY

Nothing To Cause Death Found In Windsor Case.

[Special to The Advertiser.]

Windsor, Aug. 5.—The police are still at sea regarding the real identity of the woman, Margaret Dennis, who was found dead in bed at the home of her employer, Frederick Jamison, in Sandwich, on Saturday night. A post-mortem examination today performed by Dr. G. R. Cruickshank revealed nothing of a suspicious nature, and death appeared to have been due to purely natural causes.

The name the woman gave to Jamison is not believed to have been her correct one, and the authorities are anxious to find out who she really is.

Meanwhile the body will be held at the morgue.
