DR. HALSEY'S
GUM-COATED
FOREST PILLS.

(A description pronounced of unprecedented efficacy.)

These Pills are prepared from the best extract of the medicinal vegetable Vegetable properties of the highest Medicinal virtue. They are warranted to contain any Mercury or Mineral effect whatever. Their purge strongly, unattended by griping or sickening; can be taken at all times without hindrance from business, or change of diet, or danger of taking cold. They deliver have the taste or smell of medicine, and are far times more effectual in the cure of disease than any Pills in use.

But a short time elapsed since these great and powerful Pills were first made known to the public, yet thousands have already experienced their wonderful effects. Invalids given over by their Physicians as incurable have found relief, and have returned to health and enjoyed health from their use.

TO FATHERS OF FAMILIES.

Bile and foul fluids of the stomach generate more sickness and deaths in families than all other causes of disease put together. In the latter part of Summer and Autumn, when the atmosphere everywhere is poisoned from miasma, arising from elegant fields and decaying vegetation, whole families are laid down by Malignant Fever, Fever and Ague, Fever and Ague, Bilious Fever, and preceding from a bilious and foul state of the stomach. No parent can be too careful in guarding against the great danger in the approach of cold weather, existing from bilious matter, the great source of causing the

DEATH OF THEIR OWN CHILDREN !!!

Yet, thousands of children and adults die every year through neglect of parents to attend to the early symptoms of a bad foul stomach.

Superficially of bile may always be known by some unfavorable symptom which it produces, such as sick stomach, headache, loss of appetite, bitter taste in the mouth, yellow hue of the skin, languidness, costiveness, or other symptoms of a similar nature. Almost every person at the commencement of the year is subject to a bilious attack, which if not cured, will bring on bilious fever, or other serious sickness from six months to a year. A single box, from 12½ to 25 cents, will cure a common case of bilious attack, and from 25 to 50 cents, a severe case of bilious fever.

SALTS AND CASTOR OIL.

No reliance can be placed on Salts or Castor Oil. These, as well as all common purgatives, pass off without touching the bile, leaving the bowels sore and the stomach in as bad condition as before. Dr. Halsey's Forest Pills act on the gall ducts, and carry all morbid bilious matter from the stomach and bowels, leaving the system clean and healthy.

Dr. Halsey's Forest Pills are unlike all others. They act directly on those vital organs of the Stomach, Liver, Kidneys, &c., which separate the Bile of the body and separate the impurities from the blood. While they purge all bilious and morbid matter from the stomach and bowels they strengthen and renew the blood, thereby destroy the seeds of disease. The Forest Pills do not weaken, but give strength and animation to both body and mind. They not bar cause griping nor any inconvenience whatever, and the patient is better able to attend to business while under their influence than before taking them. They are mild in operation, yet powerful in restoring health.

The great amount of good these Pills have done for the sick and afflicted have induced thousands to commend them to their friends and the public. Individuals of worth and integrity in almost every part of the country have testified to the world in favor of their great efficacy in curing disease.

Testimonial after testimonial showing their great powers of curing in almost every class of disease have been tendered to us by individuals of unblemished character and respectability. The following testimony is from a respectable and wealthy farmer residing near Utica, New York:—

UTICA, November 9, 1848.

DR. G. W. HALSEY.—Every fall, for several years past, I have had much sickness in my family, of Bilious Disorders, and Ague and Fever. In the fall of 1846 two of my sons were taken at the same time with Bilious Fever. In former seasons, when sickness occurred in my family, I had always employed a Physician. But at this time having some boxes of your Forest Pills in the house, I concluded to try them. I gave to each of them six Pills, and they both recovered without any more medicine. Since this time I have always kept your Pills at hand, and in all cases of sickness we have used them with the most happy results.

NOTICE TO THE PUBLIC.

In 1840 Dr. Halsey's Pills were first made known to the public, under the denomination of "Halsey's Sugar-Coated Pills." Their extraordinary qualities soon gained for them a high reputation, and the annual sale of many thousand boxes. This great success excited the envies of designing men, who commenced the manufacture of common Pills, which, being coated with Sugar, to give them the outward appearance of Dr. Halsey's, in order to sell them under the good will Dr. Halsey's Pills had gained by curing thousands of disease.

The public are now more respectfully notified that Dr. Halsey's genuine Pills will henceforth be coated with

GUM ARABIC,

An article which in every respect supersedes Sugar, both on account of its superior quality and its durability. The discovery of this improvement is the result of a succession of experiments during three years. For the invention of which Dr. Halsey has been awarded the only Patent ever granted to Pills by the Government of the United States of America.

The Gum-Coated Forest Pills present a beautiful transparent glossy appearance. The well-known wholesome qualities of pure Gum Arabic, with which they are coated, renders them still better than Dr. Halsey's unlicensed Sugar-Coated Pills. The Gum-Coated Pills are never liable to injury from dampness, but remain the same, retaining all the virtues to an indefinite period of time, and are perfectly free from the disagreeable and nauseating taste of Medicine. In order to avoid all imposition and to obtain Dr. Halsey's true and genuine Pills see that the label of each box bears the signature of G. W. HALSEY.

If you would have the most concentrated as well as the best compound Sarsaparilla Extract in the world for purifying the blood, obtain Dr. HALSEY'S PILLS.

If you do not wish to fall a victim to dangerous illness, and be only cured by a Physician bill of 20 or 50 dollars, take a dose of Dr. HALSEY'S PILLS as soon as unfavorable symptoms are experienced.
