RUMOHR'S AMATEUR STATUS

N.A.A.O. Regatta Committee Only Accepts Entry Pending Investigation,

C.A.A.O. OFFICIALS TO GIVE EVIDENCE

Northwestern R. A. Regatta Called Off Owing to Lack of Sufficient Entries.

New York, July 10.—A member of the Regatta Committee of the N.A.A.O. stated after the meeting of the committee Sunday, at which the entries for the National Regatta were scrutinized, that the entry of J. A. Rumohr, the Harlem R.C. sculler, had only been accepted pending investigation.

This course was made necessary by the action of the Canadian A.A.O., which refused Rumohr's entry for the regatta held at Toronto on July 2, and declined to give the Harlem R.C. any reason for doing so. The officials stated, however, that they would submit their objections to the N.A.A.O. at the proper time. The Harlem R.C. courts an enquiry in the matter, and the members are pleased that it will take place before the impartial committee of the N.A.A.O. It is intimated that the action of the Canadians is due to the jealousy and spite of a Toronto rowing club, which tried to secure Rumohr as a member and failed, says a writer in The Sun.

New York oarsmen hope that Rumohr will be able to clear himself of the charges preferred by the Canadian Association. He has made many friends since taking up his residence here, and is considered by good judges to have a chance to lower the colors of C. H. Ten Eyck. Rumohr won the senior singles at the National Regatta in 1899, and last spring defeated Juvenal, the Philadelphia sculler, at the Passaic Regatta. Owing to lack of condition of the Harlem man Juvenal turned the tables on July 4, but local oarsmen are a unit in the belief that Rumohr will at least defeat Juvenal if allowed to row in the National.

Northwestern Regatta Off.

The Dons and Torontos were notified yesterday from Detroit that the Northwestern Regatta, set for next Friday and Saturday, had been called off, owing to a scarcity of entries. Messrs. Scholes and Marsh of the Dons have entered for singles and doubles at the N.A.A.O. Regatta in New York.

A Detroit despatch last night said: This noon Secretary William C. Jupp of the Northwestern Amateur Rowing Association announced that the thirty-first annual regatta of the association would be postponed for four weeks. It was to have occurred on Friday and Saturday of this week. The new dates will be Aug. 10 and 11. Lack of entries and the friction between Jupp and the Detroit Yacht Club are given as reasons for the change.

New York, July 10.—The list of entries by clubs for the National Regatta of the National Association of Amateur Oarsmen on the Harlem River, July 19, 20 and 21, giving the different crews of each club and the names of the members, was given out today. Among the entries are:

Queen City's Moonlight.

The annual moonlight excursion of the Queen City Bicycle Club was held last night on the palace steamer Chippewa. The attendance was fairly large, and those present thoroly enjoyed the trip, which was out the eastern channel and around the lake for several hours. The Woodmen's Band played a first-class musical program, while D'Alesandro's Orchestra supplied the music for dancing. During the course of the trip a vocal program of good talent was gone thru, to which a number of the club members contributed.

Games at Balmy Beach.

The land and water sports to be held next Saturday among the residents of Kew and Balmy Beach are exciting a good deal of interest among the cottagers of the rival resorts. The events are to take place at the foot of Balsam-avenue, and, judging from the entries, each number will be keenly contested. The tug-of-war bids fair to be a battle royal, as also do the rowing and canoe races. Capt. Fraser is training the aspirants at Balmy Beach, while Mr. R. S. Williams, jr., is looking after the braves at Kew. Friends of the cottagers are invited to be present.

Chicago Won Whist Trophy.

Niagara Falls, N.Y., July 10.—Chicago won the Brooklyn trophy by the closest score in the history of the American Whist League. The westerners were a tie with New York, but on the highest score by players Chicago had 20 plus, while New York was 19, so the trophy went to Chicago.

ATHLETIC EVENTS ALL WELL FILLED

Outside Clubs Will Be Strongly Represented Saturday at Ontario A. A. Rosedale Games.

The entry lists have closed for the great athletic games of the Ontario Athletic Association, to be held on Saturday next at Rosedale, and show such an eagerness on the part of the athletes of the province to compete as surpasses even the expectations of the sanguine directors of the association. Over 200 names were on the lists at 4 o'clock yesterday. Every event is well filled, and the indications point to such athletic contests as have not been seen in Toronto for years.

Among the many clubs whose representatives will battle for supremacy the following are noticeable by the number of their entries: Hamilton A.C., Hamilton Y.M.C.A., Niagara Falls, Dundas, West End Y.M.C.A., Toronto Police A.A.,* Jarvis-street Collegiate, St. Michael's A.A., Central Y.M.C.A., Montreal Lacrosse Club, Toronto Lacrosse & A.A., University of Toronto A.A., Queen's A.A., Orillia Lacrosse Club, Don Rowing Club.

When it is taken into consideration that this splendid tournament will be entirely free both to the public as well as to the competitors, it can be readily realized how deserving of the public patronage are the efforts of those disinterested gentlemen who have worked so hard and faithfully to accomplish an end which brings neither emolument nor notice. They have sacrificed time and money willingly for sport. The public will surely show its measure of approval by largely attending to encourage the competitors and in this way conveying their thanks to the directors of the association.

The railway companies have agreed to grant a convention rate of return tickets at a fare and a third to members of the Ontario Amateur Athletic Association and competitors in the games at Rosedale.

Harry Gill a Fine Type.

Malcolm Ford, the once-famous athlete, writes as follows in The New York Mail and Express:

Gill is a fine type of an athlete, being large and yet well built. He stands 6 feet 1 inch, and weighs 168 pounds in athletic clothes. His age is 23. Special mention should be made of his running high jump of 5 feet 11½ inches, his 16-pound shot-put of 41 feet 5½ inches, and his 56-pound weight throw of 27 feet 7½ inches. In sprinting, hammer-throwing, pole-vaulting and hurdling, his performances were only ordinary.

If Alvin C. Kraenzlein had competed yesterday he would have taken second to Gill in putting the shot and throwing the 56-pound weight. The running high jump would have been close, but in all the other events the U.P. man would have won with plenty to spare in each. Gill and Kraenzlein are about the same weight, the only noticeable difference in build being their height, the Canadian standing two inches taller. They are alike in that they are greyhound build, which makes Gill's weight-throwing all the more remarkable. With more experience, he will be the best man the competition has ever had. When a big man like Gill possesses the activity he has shown, it generally takes another big man to beat him, and such men are rare. Kraenzlein is about the only one now competing who could do it in this case.

CANADIAN TENNIS CHAMPIONSHIPS.

Opening of the Tournament at Niagara-on-the-Lake — Great Array of Experts.

Niagara-on-the-Lake, July 10—The Canadian lawn tennis championships opened to-day at Niagara-on-the-Lake. Perfect weather favored the tournament. The appearance of W. A. Larned, the famous American expert, and M. D. Whitman, the Canadian champion, has created intense excitement. Larned's play has steadied a good deal since his trip to England, his experiences in Cuba not having apparently destroyed the good effects. In addition to these, there are at the Queen's Royal E. P. Fischer, metropolitan champion; Beals Wright, who is considered, in view of the great improvement in his play this year, to have a look-in for all-comers; Harold Hackett, champion of Yale; W. J. Clothier, Pennsylvania State champion; H. E. Avery, G. Wagner, H. Bissell and C. R. Stevenson of Buffalo, A. C. McMaster, Scott Griffin, E. R. Paterson of Toronto, Shirley Ogilvie, T. Mackerill and J. P. Crerar of Ottawa, and many others. A good entry is now assured for the ladies' singles, including Miss Burgess, Miss Thompson of Bradford and Miss Fisher of Toronto. Scores:

Men's singles, preliminary round—Beals Wright (Harvard) beat J. D. Kilmaster (Canada), 6—1, 6—0; A. M. Collins (Yale) beat Howard Bissell (Yale), 6—4, 3—6, 6—0; C. R. Stevenson (Harvard) beat H. H. Hackett (Yale), by default.

Fitzsimmons and Ruhlin Matched.

New York, July 10.—Robert Fitzsimmons and Gus Ruhlin signed articles this afternoon for a 25-round glove contest on Aug. 10 before the club offering the largest purse. The winner is to have 75 and the loser 25 per cent. of the prize money.

Immediately after signing the Ruhlin-Fitzsimmons agreement, articles were signed by Fitzsimmons and Thomas Sharkey to fight on Aug. 25, or some day between the 25th and 31st. Should Fitzsimmons incur any injury in his fight with Ruhlin, the fight will be for 25 rounds, and the agreement in all respects is similar to that for the Fitzsimmons-Ruhlin fight.

T. J. Jeffries will not fight Gus Ruhlin. This decision was reached to-day at a meeting of representatives of the two men. Jeffries, on account of his injured arm, could not promise to fight before Aug. 16 and Ruhlin's representatives refused to enter into an indefinite agreement.

A Win for Joe Gans.

New York, July 10.—Joe Gans of Baltimore was awarded the decision over Albert Griffith, better known as "Young Griffo," of Australia, at the Seaside Athletic Club to-night. Referee White stopped the bout after they had fought 1 minute and 38 seconds of the eighth round. Griffo was so far gone that another punch from Gans would have put him out. The articles called for a 25-round bout at 135 pounds.

Jack Bennett Wedded.

Mr. John R. Bennett of the Toronto Rowing Club was married yesterday at St. Patrick's Church to Miss Blanche Neelon, daughter of the late Dr. Nealon of Toronto, Rev. Father Grogan performed the ceremony. Miss O'Hern was the bridesmaid, while Mr. Arthur Bennett acted as best man. "Jack" Bennett is one of the most prominent members of the T.R.C., and is a general favorite with his club fellows. His numerous friends wish him prosperity in his new sphere of life.

Races at New Hamburg.

New Hamburg, July 10.—In the 2.40 pace and trot, 11 entries, nine starters, it took seven heats to decide, some of them being very close and exciting.

Guinette and John Storm were favorites showing up well, and were picked for winners, but Dan C. took the last three heats in much slower time than the first four were won in.

In the 2.20 pace and 2.18 trot, nine entries, eight starters, Harold fell at the start in the first heat and cut his leg so badly that he was withdrawn. It took six heats to decide this race. Maggie Usher, a local horse, won after some very close finishes with Harold H., the latter winning second money. Annie Gould also showed up well.

In the half-mile dash, there were nine entries and seven starters. In this race Satin Finish in the first heat had the misfortune to break his right front leg at the fetlock, and had to be shot. Said a prominent trainer regarding Jack Point and The Kentuckian, first and second in the Brighton Handicap: "You should have seen them this morning. They could just manage to get one foot in front of another. A worse pair of cripples I never saw."

The race for the Prix des Jacinthes of 4000 francs, at 1100 metres, was run at Vincennes yesterday. Baron Deonne's Neptune II., ridden by "Cash" Sloan, beat Comte Saint Phale's Cassiope, ridden by G. Stern, three-quarters of a length, and M. Laurent's Ixore, with Burkiss up, by five lengths.

It was decided to hold the annual tournament on the Queen's Royal Lawn at Niagara, commencing Tuesday, Aug. 14, at 2 p.m. and the following days. The lawn is being put in the best of condition for the championships, which will be appreciated by the many bowlers that will no doubt attend this the premier bowling event of the year. A vote of thanks was passed, thanking Messrs. McGaw and Winnett for generously donating gold medals to accompany the championship banner and trophy. Valuable prizes will be offered for competition in the different events. The smoking concert being such an enjoyable feature in the past will again be held this year on the second night of the tournament.
