INDIA STOLE A MARCH.

The Reason She Suspended Silver Coinage—To Forestall America.

DENVER, Col., July 17.—The Rocky Mountain News to-day prints two letters, one from Sir Moreton Frewen, of London, to one of the editors of the News, and another to Lord Lansdowne, Viceroy of India, in which it appears according to statements of Lord Lansdowne, that India suspended free coinage of silver at the time it did because the tone of the American eastern press left no doubt upon his mind that the United States Congress would as soon as it assembled repeal the Sherman Purchasing Act, and India found it necessary to be beforehand with the closing of its mints. This is an important addition to the history of the great financial controversy now convulsing the world.

BASEBALL.

THE STARS SHINE.

The Stars walked all over the Alerts on the latter's grounds Saturday. It was a slugging match from the start in which the Stars excelled. The wet state of the diamond partly accounted for this and the bad fielding. Sippi for the Stars made two home runs, sending in two men each time. He and Sim Collins both played with the Stars, and the Alerts will protest against them on the ground of professionalism. Steve Dunn played first base for the victors, Morkin having left the team. Dunn's work was splendid. A remarkable play was made by Hiscott, who threw McLeod out at first from center field. The score:

THE WHEEL

CHICAGO, July 17.—The five-mile road race of the Calumet Cycling Club Saturday resulted in breaking the American road record for the distance. Al Leonhardt did it in 13:30, beating the former record by eight seconds.

CRICKET.

A TWO-DAY'S MATCH.

An interesting event for all who enjoy cricket will take place on Wednesday and Thursday of this week, on the asylum grounds, when the Hamilton club will engage the Asylum club in a two day's match. Owing to the fact that Dr. Burke has always enthusiastically advocated the game as a summer sport, the Asylum club has acquired one of the best grounds in Ontario, and the Hamilton club, which has for many years been one of the strongest in the Province, has paid the Asylum club the compliment of desiring a two-day's match with them at home. London has not for the past fifteen years at least seen a two-day's cricket match, and if the individual members of the elevens which are to play on Wednesday and Thursday have their usual good fortune some good cricket will be witnessed by the spectators. Mr. Richard Bayly, Q.C., has kindly consented to act as umpire for the Asylum eleven, which will be made up of the following gentlemen: Messrs. C. S. Hyman, Thos. Gillean, W. A. Walker, S. D. Smith, J. D. Bacon, Geo. England, Geo. Thurling, Rev. F. W. Terry and Drs. Williams, Ross and Beemer.

Putrefaction Setting In.

WORLD'S FAIR, July 17.—One week has elapsed since the World's Fair fire, and still the mystery of the exact number of lives lost remains unsolved. The cessation attracted general unfavorable comment, although a large force is engaged on the ruins to-day. The frightful odor arising from the scene, despite the lavish use of disinfectants indicates that putrefaction is proceeding with a rapidity that will still render it impossible to distinguish between any decomposed fragments that are unearthed and the quantities of meat and provisions that were stored in the buildings at the time of the fire.

Chambermaid and Baroness.

CHICAGO, July 17.—Pretty Anna Wilkower was until last Saturday a chambermaid at the Palmer House. Now she is Baroness Sohlberg, wife of a millionaire Austrian nobleman. The courtship began about a year ago while the baron was a guest at the Palmer House. It was renewed last spring, and yesterday when the baron made his third visit to Chicago the couple were married. The couple left this afternoon for the east, and after a tour of the watering places they will return to Chicago to visit the exposition.

Baxter Butchered.

WORCESTER, Mass., July 17.—William Baxter, of Holden, was found murdered on the Handy Farm, between Worcester and Holden, yesterday. He was last seen alive on July 8. The skull was fractured in two places. The body was badly decomposed. A hatchet was found fifteen feet from the body, and a long-handled axe was at the left side. Baxter kept a notorious road house. Ed. Cunningham was last seen with the murdered man and is held in custody. Robbery seems to be the motive for the crime.

A Happy Combination

of the most potent and active properties of the whole vegetable kingdom, is that which makes Dr. Pierce's Favorite Prescription so pre-eminently above every other so-called woman's restorative in the market. Don't stop short of the best! Don't experiment with worthless imitations, when the world acknowledges no superior to the original, reliable, and only guaranteed remedy for the happy restoration of suffering and debilitated woman. Costs nothing if it don't do just as recommended. See guarantee on bottle-wrapper.

"Well, now," exclaimed an old waterman of Atlantic City, "if that ain't the funniest way to spell 'fish' I ever seen," pointing to the name "Psyche" on the stern of a pretty little yacht.
