A BACHELOR'S CONSOLATION.

A Romance of the Needle.

BY ROCKAFELLOW.

I.

In a snug little cot, not a thousand miles off,
Lived a lonely, contented old "bach,"
Who cooked his own grub and dined by himself,
And had no one to sew on a patch.

II.

With his cat, and his dog, and his little pet mouse,
Our hero, 'twas said, wanted nothing;
But needles were sharp, and would frequently stick,
So he oft went with holes in his clothing.

III

There no doubt were misses and maids quite near
Who would fly to relieve his distresses,
But he oft had declared he could never abide
The appearance of hoopskirts and dresses.

IV.

Now, this lucky old bachelor heard by a friend,
Or read in his morning journal,
Of the wonderful stitching of sewing machines,
And considered the matter nocturnal.

V.

Having fully determined to get a machine,
He spent a whole day in inspection,
For an hour or so would never suffice
To select from so large a collection.

VI.

For some thought the "Wheeler & Wilson" the best,
And others the "Wilcox & Gibbs,"
While others affirmed that the agents of both
Were too much inclined to tell fibs.

VII.

And a few for the "Florence" were ready to fight,
While most liked the "New Family Singer;"
Another one swore the "Osborne" was best,
The last one, I think, was a *shaker*.

VIII

So first to the "Wheeler & Wilson" he went,
Where he found them making a shirt,
At the end of each seam they used needle and thread,
And by experience he knew they would hurt.

IX.

Then down to the agent of "Florence" he went,
And told him the part that was slack,
So the "Florence" a certain advantage had gained
By the feed that could make it sew back.

X.

But our Bachelor friend was dissatisfied still,
For the "Florence" so complicate seemed,
He feared the minutiæ might "get out of fix,"
And could never be wholly redeemed.

XI.

Then they told him another advantage they had
Over other machines in the West,
That *four different* stitches with it they could make,
And from *four* he might sure get the *best*.

XII.

Our hero replied, "What's the use of the *our!*
If *one* of the stitches is *best*,
Why *that* is the right one to use *all the time*,
And what will you do with the rest?"

XII.

The "Howe" and the "Wilson" both vainly he tried,
The "Domestic" and "Osborne" as well,
But the "Howe" was too heavy, the "Wilson" too light,
And the "Osborne" broke down on a fell.

XIV.

The "Finkle & Lyon" or "Victor" he tried,
The "Zikes," "Bloss," "Leavitt" and "Weed,"
Till worried and vexed with his fruitless research,
He scarce hoped in the end to succeed.

XV.

After trying in vain many other Machines,
Without any hope of success,
He called where the "Singer New Family" was kept,
And they quickly relieved his distress.

XVI.

For here half a dozen machines were engaged
In stitching of different sorts,
Which they did so complete, and with so little noise
He acknowledged the truth of reports.

XVII.

In lightness of running, in stillness and speed,
In construction so simple, yet strong,
Sure none but the "New Family Singer" would vie,
Though he'd searched through the infinite throng.

XVIII.

Then the stitch was so neat, so elastic, so strong
That he vainly endeavored to break it,
And so many advantages in it combined
That he quickly decided to take it.

Ayer's Hair Vigor,

For restoring to Gray Hair its natural Vitality and Color.

A dressing which is at once agreeable, healthy, and effectual for preserving the hair. *It soon restores faded or gray hair to its original color, with the gloss and freshness of youth.* Thin hair is thickened, falling hair checked, and baldness often, though not always, cured by its use. Nothing can restore the hair where the follicles are destroyed, or the glands atrophied and decayed; but such as remain can be saved by this application, and stimulated into activity, so that a new growth of hair is produced. Instead of fouling the hair with a pasty sediment, it will keep it clean and vigorous. Its occasional use will prevent the hair from turning gray or falling off, and consequently prevent baldness. The restoration of vitality it gives to the scalp arrests and prevents the formation of dandruff, which is often so uncleanly and offensive. Free from those deleterious substances which make some preparations dangerous and injurious to the hair, the Vigor can only benefit but not harm it. If wanted merely for a HAIR DRESSING, nothing else can be found so desirable. Containing neither oil nor dye, it does not soil white cambric, and yet lasts long on the hair, giving it a rich, glossy lustre, and a grateful perfume.

VINEGAR BITTERS

VEGETABLE — FREE FROM ALCOHOL — PURELY — DR. WALKER'S CALIFORNIA — EUREKA

VINEGAR BITTERS

Dr. J. Walker's California Vinegar Bitters are a purely vegetable preparation, made chiefly from the native herbs found on the lower ranges of the Sierra Nevada mountains of California, the medicinal properties of which are extracted therefrom without the use of Alcohol. The question is almost daily asked, "What is the cause of the unparalleled success of VINEGAR BITTERS?" Our answer is, that they remove the cause of disease, and the patient recovers his health. They are the great blood purifier and a life-giving principle, a perfect Renovator and Invigorator of the system. Never before in the history of the world has a medicine been compounded possessing the remarkable qualities of VINEGAR BITTERS in healing the sick of every disease man is heir to. They are a gentle Purgative as well as a Tonic, relieving Congestion or Inflammation of the Liver and Visceral Organs, in Bilious Diseases.

The properties of DR. WALKER'S VINEGAR BITTERS are Aperient, Diaphoretic, Carminative, Nutritious, Laxative, Diuretic, Sedative, Counter-Irritant, Sudorific, Alterative, and Anti-Bilious.
