47 Airplanes and 8 Balloonists Will Shower U. S. Cities

Liberty Loan Message of Wilson in Red, White and Blue.

WASHINGTON, Oct. 19.—A message from President Wilson, urging aid for the liberty loan, will be borne aloft tomorrow by 47 aviators and eight balloonists and rained down in red, white and blue paper bombs upon towns and cities.

One copy of the message is to be dropped into each community over which the fliers pass.

HAMILTON FOLK ARE INTERESTED IN LARGE FINANCIAL LAWSUIT

HAMILTON, Oct. 19. — A New York dispatch received here today says:

Henry Harper Benedict, president for many years of the Remington Typewriter Company, started suit in the supreme court yesterday to set aside a trust deed made on January 26 last, whereby he gave his daughter, Mrs. Archibald A. Forrest, wife of the vice-president of the Remington Company, the income from $500,000 for life, and directed that the principal should thereafter be divided among her children. The trust deed was signed soon after Mr. Benedict, who is 73 years old, became engaged to Miss Josephine K. M. Geddes of Hamilton, whom he married on March 5 in St. Thomas' Episcopal Church.

Mr. Benedict says in his complaint that his daughter and her husband used undue influence.

Mr. Benedict's first wife died August 25, 1915. The present Mrs. Benedict, who is 33 years old, is a granddaughter of Rev. J. Gamble Geddes, late dean of the Niagara Diocese in Ontario, and on her mother's side a grand-daughter of Col. Charles Magill, who was mayor of Hamilton and a member of the Canadian Parliament.

DOCTORS SAID OPERATION

When Chatham Lady Suffered From Extreme Nervous Exhaustion — Now Feeling Fine and Working a Large Garden.

Chatham, Ont., Oct. 20.—This letter will interest every lady reader, because it describes a condition for which many doctors advise an operation. That the operation is often unnecessary and very often leaves the patient an invalid for life is well known.

You will read here of what Dr. Chase's Nerve Food has done for this lady and will then understand the great good it is accomplishing in many thousands of similar cases throughout the continent.

Every woman should think long and earnestly before consenting to an operation of this kind. It is a simple matter to give Dr. Chase's Nerve Food a trial and the results are almost always entirely satisfactory. You not only avoid the risk and expense of an operation, but find yourself restored to health and vigor.

Mrs. E. M. Ford, 82 Delaware avenue, Chatham, Ont., writes: "For four years I suffered from my nerves. I was restless and could not sleep well. I had headaches, neuralgic pains through the body and backache. There was a buzzing in my ears and twitching of nerves and muscles. I also had palpitation of the heart, which caused shortness of breath. I was easily tired and always drowsy after eating. When walking or on my feet very much my feet would seem to go dead in my shoes. I consulted two doctors and both told me that I would have to have an examination and probably an operation, but I would not have either. Shortly after this I commenced using Dr. Chase's Nerve Food, and after a treatment of this medicine I can say I am now feeling fine. I am able to do my household duties without difficulty, and besides this, attend to a half-acre of garden. I can go about without that dead feeling in my feet, and am grateful to Dr. Chase's Nerve Food for my cure. I think very highly of this medicine, and recommend it to other sufferers whenever I have an opportunity."

Dr. Chase's Nerve Food, 50 cents a box, a full treatment of 6 boxes for $2.75, at all dealers, or Edmanson, Bates & Co., Limited, Toronto. Do not be talked into accepting a substitute. Imitations only disappoint.—Advt.

E. ONT. LIBERALS ARE OUT STRONG FOR CHIEFTAIN

Gathering Records Wish That Laurier May Long Lead Party.

WIN-WAR RESOLUTIONS

Sir Wilfrid Denounces the Nationalists—Soon To Issue Manifesto.

[Special to The Advertiser.]

OTTAWA, Oct. 19. — The Liberal party proposes to put up a fight, if the gathering of men from Eastern Ontario can be taken as an indication of what will happen.

The gathering represented thirty ridings in the province of Ontario east of Kingston. Fifty men assembled in the Victoria Museum, where Parliament has been sitting for many months. They were members, nominated candidates and representatives of Liberal country and riding organizations.

"That this meeting of representatives of Eastern Ontario Liberalism pledges itself to support every effort needed to sustain Canada's part in prosecuting the war to a successful conclusion."

The foregoing briefly worded resolution and the following resolution indorsing Sir Wilfrid Laurier's leadership of the Liberal party were passed:

"That this meeting of Liberal candidates and representatives of Liberal associations of Eastern Ontario place on record its admiration for the life and work of the greatest of all Canadians, Sir Wilfrid Laurier, and desire to express the hope that he will long continue as leader of the great Liberal party."

Meeting Lasts All Day.

The deliberations, which were behind closed doors, were presided over by A. J. Young of North Bay, president of the Ontario Reform Association. The proceedings commenced at 11 o'clock in the morning and it was 6:30 p.m. before the gathering dispersed. The delegates stated that the time had been taken up with speeches, practically everyone present being called upon to state his views. It was asserted that while some differences of opinion were expressed, the gathering was quite harmonious.

Sir Wilfrid Laurier, it was stated, spoke both in the morning and afternoon and received a warm and hearty reception, the resolution indorsing his leadership not being challenged.

Borden Manifesto Criticized.

It is understood that Sir Robert Borden's manifesto outlining the platform upon which the "Union Government" will appeal to the country came in for some criticism, also some commendation.

It is quite probable that within the next week Sir Wilfrid Laurier will also issue a manifesto outlining his position.

It was learned that Hon. George P. Graham made a speech, in which he stated that since the beginning of the war he had favored union government. When Sir Robert Borden made proposals for union to Sir Wilfrid Laurier, owing to conditions and circumstances, it could not be accepted, because it was too late. When individual Liberals were asked to join the Government he had adopted the attitude that the formation of a union government on the eve of an election was not desirable, but that it would more properly come after the people had spoken.

They Are Still Liberals.

Mr. Graham deprecated criticisms of the motives of the Liberals who had joined the Borden administration. They were still Liberals, he said. No one in Ontario would question the loyalty and sincerity of Hon. N. W. Rowell.

Referring to the prime minister's manifesto, Mr. Graham said that the platform, as announced, showed an infusion of Liberal principles. Some of the planks were identical with proposals which had been made by himself.

"If that program is adhered to, I will surely support it. I hold myself absolutely free, however, to oppose to the fullest extent of my power any attempt by financial pirates to further plunder the public treasury.

"As for compulsory service," added Mr. Graham, "I voted for it, and I insist that it must be enforced."

Sir Wilfrid Explains Position.

Sir Wilfrid Laurier, who, despite a temporary indisposition which kept him confined to his residence all day yesterday, sat through the whole of the morning and afternoon sittings of the conference, listening attentively to every speaker and to all the varying views expressed.

He explained his view on the conscription issue and on union government clearly and frankly to the meeting at the opening of the conference this morning. On the conscription issue Sir Wilfrid stood steadfastly by his pronouncements in Parliament. He emphasized the Nationalist danger in Quebec, and the crime of dividing the country along racial or religious lines.

He reiterated his belief that under proper organization and united effort the voluntary system would still produce men as needed for reinforcements.

Should Obey Service Act.

He declared again that since the military service act was passed, it should be obeyed. If returned to power he said his first act would be to consult the British Government and ascertain in the clearest possible perspective the measure and character of the aid which Canada could give, whether in men, food, ships or munitions. He pledged his utmost endeavor to see that every possible aid should be given, but he stood firmly for British methods of government, only on consent of the people. He intimated that later on he would issue a statement to the public, giving his policy and views on all the issues of the day.

In regard to the new Union Government, Sir Wilfrid was inclined to the belief that it was the same old Borden Government which should be called to account by the people for all the sins of the past six years.

Sir Wilfrid was given a rousing reception and his integrity of purpose, since re patriotism and wise statesmanship were repeatedly referred to by the succeeding speakers

Free to Differ.

The line of discussion followed fairly closed the general trend of views expressed by Sir Wilfrid Laurier and Hon. Mr. Graham. At the close of the afternoon sitting Sir Wilfrid advised all Liberals to stand fairly by their convictions. But if they honestly differed with him and the conscription issue, he would be the first to respect their sincerity of purpose and conviction.

The disposition of the meeting was to regard the re-made government as a Borden government, rather than as an administration composed equally of Liberal and Conservative members. The new Borden manifesto was compared to the old Halifax platform. It was noted that in the present ministry Liberals are outnumbered by Conservatives, and would be outvoted on any question that arose for cabinet decision.

Sir Wilfrid Laurier made it clear that if returned to power he would use his best endeavors to enforce the compulsory service law, and would work hand in hand with the British Government for the purpose of best carrying forward military operations. The next meeting will be of Western Ontario Liberals and will probably be held in London.

J. J. CARRICK GIVES OVER HIS SEAT TO COL. HOGARTH, D.S.O.

Member for Thunder Bay Honors Soldier Who Won Promotion and Fame.

TORONTO, Oct. 19.—J. J. Carrick, who has represented Thunder Bay and Rainy River as a supporter of the Borden Government in the House of Commons for some years, has relinquished his claims to nomination in the forthcoming elections, in the following telegram sent today to F. S. Wiley, president of the Conservative Association of Port Arthur, Ont.:

"Sir Robert Borden's formation of the union government is the crowning achievement of his life, and makes his union government's return assured. The election of the Government candidate from our constituency is also a foregone conclusion.

"At the same time, while I fully appreciate the honor and confidence reposed in me by the district as their representative for the last ten years, I am willing, in order to avoid a war-time contest for the constituency, to resign the nomination, which I have held for over two years, in favor of Col. Don Hogarth, D. S. O.

"Col. Hogarth joined three years ago as a lieutenant, and not only won promotion in Flanders, but was awarded a distinguished service medal for his work on the Somme. He is now acting Canadian quartermaster-general in England.

"(Signed), J. J. CARRICK."

Mr. Carrick was himself at the front for some time as an associate of Sir Max Aitken on the Canadian eyewitness staff. He held the rank of lieutenant-colonel

BRITISH MONITOR PUTS CRIMP IN BATTERIES

Enemy's Guns Silenced Near Mouth of Struma.

PARIS, Oct. 19.—The official statement from Macedonia reads:

"Army of the East, Oct. 18.—There has been spirited enemy cannonading. During the night a British monitor silenced the enemy batteries in posts near the mouth of the Struma. Our aviators have bombed Gievgeli station."

20 STUDENTSHIPS AND 5 FELLOWSHIPS ADVISED TO DEVELOP SCIENTISTS

Part of Plan of Aiding Industry in Canada.

OTTAWA, Oct. 19.—The honorary council for scientific and industrial research in Canada has, for the purpose of aiding industry, recommended the Government to establish twenty studentships, and for more advanced students, five fellowships, to be awarded to young men who have already completed their preliminary scientific training in Canadian universities or technical colleges, and who show a special ability to research.

The holders of the scholarships will then follow courses of study which will give them special training in the methods of modern scientific research as applied to the development of the various Canadian industries. The scholarships have now been established by the Government, but such a large number of the most promising young men of the Dominion who would have been qualified for appointment have gone to the front or are engaged at home in work connected with the manufacture of munitions, that the full number of students and scholarships will not be awarded this fall.

SURGICAL DRESSINGS LOST WITH STEAMER

United States Red Cross Will Replace Shipment.

NEW YORK, Oct. 19.—A great quantity of surgical dressings, hospital linen and clothing, on their way from American Red Cross women to wounded French soldiers, homeless refugees and American hospitals in France, went down with the British steamer Wentworth, torpedoed by a U-boat last month, it was announced by the Red Cross here today. The loss will be replaced.

The value of the shipment was $200,000. It was said that this is the first loss of Red Cross supplies from this country to France. The Wentworth was chartered by the French Line.

LONG SUB VOYAGE.

Washington, Oct. 20.—One of the longest submarine voyages on record has just been completed by a submarine of the royal Italian navy, which has gone under its own power from an Italian port in the Mediterranean to the Russian port of Archangel on the Arctic coast of Russia. It is surmised in naval circles that the submarine is to be taken apart at Archangel and transhipped overland to the Baltic or Black Sea, to be reassembled for use against the German or Turkish navies.

Triplets Born on Train, Two in State of Kansas and One in Colorado

DENVER, Col., Oct. 19.—Mrs. J. C. Atkins of Seattle, Wash., became the mother of triplets aboard a westbound Rock Island train early today. Two of the children were born in Kansas, and the third at Peconic Siding, just across the Colorado line. Mrs. Atkins had been visiting in the east. Mother and children are well and now are at Colorado Springs.

WIGLE—EASTON.

LEAMINGTON, Oct. 19.—The home of Mr. and Mrs. W. T. Easton, Talbot street west, was the scene of a pretty autumn wedding on Wednesday evening when their eldest daughter, Edith Kathleen, was united in marriage to Ernest Ruthven Wigle, son of Mr. and Mrs. Angus Wigle of Kingsville. Rev. Rural Dean Kinder officiated.

The bride, beautifully gowned in white satin, with court train and veil, who was given away by her father, entered the drawing-room through an aisle formed by pretty ribbon-bearers, to the strains of the Wedding March, played by Miss Agnes Wardroper of Ypsilanti, Mich.

The bridesmaid was Miss Edna Wigle, sister of the groom, and the maid of honor Miss Helen Easton. The groom was supported by his brother, Mr. A. Wigle, of Parry Sound.

After congratulations a dainty luncheon was served.

Mr. and Mrs. Wigle left for Toronto. The bride's going-away gown was of blue broadcloth, trimmed with fur, and hat to match. They will return to Leamington for a few days before going to their home at Sault Ste. Marie, Ont.

RUSSIAN FLEET WAS OUTRANGED BY THE GERMANS

Dreadnoughts Shelled Russ Ships of Old Type,

AND SILENCED BATTERIES

Brave But Ineffectual Defence of Channels to the Gulf.

Petrograd, Oct. 20.—The Russian ministry of marine has issued the following detailed statement regarding the naval battle Wednesday in the Gulf of Riga:

"Tuesday night an enemy squadron of twenty ships penetrated the Gulf of Riga and at 9 o'clock the next morning was discovered making its way through the channels south of Moon Sound. The squadron included two battleships of the Koenig type. Our detachments under Admiral Bakhireff, who hoisted his flag on the cruiser Bayan, accompanied by the battleships Grjdanin and Slava, steamed from the eastern part of Moon Island to engage the enemy, preceded by torpedo-boat patrols, which withdrew before the enemy.

Submarine Failed.

"At 9:30 o'clock the enemy opened fire on our torpedoboats and our detachment, issuing from the channel, took up battle formation in a radius between the Werden and Welland lighthouses near Moon Island. While approaching the enemy the cruiser Bayan was attacked unsuccessfully by a hostile submarine.

"At 10:30 o'clock our detachments engaged the enemy squadron. The fire of the hostile dreadnoughts was directed from a distance often beyond the range of our old type vessels. At noon in view of the enemy's superiority and the appearance of new enemy warships, Admiral Bakhireff ordered the detachment to retire into the interior of Moon Sound. Our ships then turned northward and withdrew from the fighting.

The Slava Lost.

"The battleship Slava, the last of the line, and which had been damaged severely under the water line, finally sank by the head and foundered in the deep entrance of Moon Sound. The remainder of the squadron entered this channel. Part of the enemy squadron began to fire on the Moon and Werders batteries and silenced and destroyed them. Our vessels suffered some damage. After shelling the batteries the enemy entered the southern part of the Kuiwast roadstead.

Protected Channel.

"During these movements the cruiser Admiral Makaroff and some gunboats and destroyers in Inner Moon Sound protected that channel and the mouth of Kashir Bay, between the islands of Dago, Oesel and Moon. Some of these ships remained throughout Tuesday night near the coast of Oesel Island and repeatedly attempted to make their way into the eastern portion of Kashir Bay."

The rest of the statement is a repetition of the official statement issued today, in which it was announced that two trawlers had been sunk by the Russian fire, and that two enemy torpedoboats had been sunk by striking mines in the Moon Sound region Thursday. It adds, however, that a German torpedoboat escorting the main squadron, ran into a Russian mine and sank.

FOUND DEAD IN BED.

HANOVER, Oct. 19.—Death came very suddenly to Joseph Korman, late of St. Louis, where he has been residing for the past fifteen years. He is a brother of F. X. Korman, proprietor of the Reid House here. The remains will be taken to Toronto for interment. He was found dead in his room on Thursday morning.

PLANNED TO DESTROY GERMAN SHIP SOON TO BE U. S. TRANSPORT

NEW YORK, Oct 19.—The police turned over to the federal authorities today Charles W. Walnum, a Norwegian, 32 years old, suspected of trying to get aboard a United States Government vessel, formerly an interned German liner, with intent to loosen some of the rivets. The ship is being converted into a transport.

Walnum has been employed as chef and pantryman on a yacht owned by Harry Payne Whitney.

Walnum pleaded not guilty, and told the authorities he was not a spy. The former German ship is at a Brooklyn drydock. It was Walnum's plan, according to McLoughlin, to induce a worker on the vessel to melt some of the rivets with a torch, after which Walnum was to place a bomb or other explosive on the ship, which, with the rivets damaged, was certain to sink easily.

SURVIVORS OF THREE U.S. SAILING VESSELS TELL OF SUBMARINE ATTACKS

AN ATLANTIC PORT, Oct. 19. — The Associated Press this afternoon carries the following:

"Attacks on three American sailing vessels by German submarines were reported by their crews, who reached here today on a French liner. Capt. Mortensen of the three-masted American bark Paolina, of 1,196 tons, said that on September 25, when his vessel was 140 miles from Brest, she was fired on by a U-boat, but not hit. The Germans then came alongside, looted her, and sank her with bombs, he said. The captain and his crew escaped in the small boats, and were picked up by a French destroyer. The Paolina had a cargo of oil and steel wire. She was owned by Whitney & Bodden Company.

Another crew, who said they were from the American schooner Crockett of Philadelphia, reported that three months ago their ship was torpedoed by a submarine near Brest, but did not sink. The Germans looted her, and then abandoned her, and later, they said, she was towed into Brest and sold. She had a cargo of oil.

Also on the same liner was the crew of the four-masted schooner Henry Lippitt, 895 tons, of Philadelphia, whose sinking had previously been reported.

THREE FOR SERVICE; 143 FOR EXEMPTION

BRANTFORD, Oct. 19.—In all, 143 claims for exemption from the military service act have been received at the local postoffice. Against this only three men have reported for service. Yesterday 33 men applied for exemption, and not one expressed his willingness to go overseas. A goodly number of men still continue to go before the medical board. Forty men were examined yesterday, 20 in the afternoon and 20 at night. A naturalized Austrian, who had lived in Canada ten years, was examined last night, and he passed for class A.

Lieut. George T. Cockshutt, second son of W. F. Cockshutt, M.P., has been promoted to be captain and adjutant of the 205th Battalion. He enlisted with the second contingent in November, 1914, and in November of the following year was made second in command of the Bomb-Throwers' Brigade. He was shell-shocked enighteen months ago and invalided home.

9,468 CONVALESCENT SOLDIERS IN CANADA

20,363 Canadians at Present in English Hospitals.

OTTAWA, Oct. 19.—There are 9,468 convalescent soldiers on the strength of the military hospitals commission command, according to the report issued by the military hospitals commission on October 8.

This figure, which includes 7,612 men in the convalescent homes, 1,128 in sanatoria and 728 in various other hospitals, chiefly general, shows an increase of 329 over the previous week.

The report upon Canadian patients in English hospitals for the week ending September 28, shows an enrollment of 20,363, an increase of 218 over the previous week.

From Youth to Old Age

The physical changes in a woman from youth to old age are fraught with many dangers.

The young girl, the young wife and mother, the middle aged woman struggling with the trials of "change of life," all have new physical conditions to contend with that only the hardiest withstand. The majority fall victims to some distressing feminine disorder that makes life a misery.

When a woman feels that some disease peculiar to her sex is developing in her system she should immediately profit by the experience of others and begin taking

Lydia E. Pinkham's Vegetable Compound

For three generations this famous remedy has been helping sick women

Just as it helped these three women.

Girlhood.

Taunton, Mass.—"I had pains in both sides and every month I had to stay at home from work and suffer a long time. One day a woman came to our house and asked my mother why I was suffering. Mother told her that I suffered every month and she said, 'Why don't you buy a bottle of Lydia E. Pinkham's Vegetable Compound?' My mother bought it and the next month I was so well that I worked all the month without staying at home a day. I am in good health now, and have told lots of girls about it."—Miss Clarice Morin, 22 Russell St., Taunton, Mass.

If all young women who are not well could see in our library the great file of letters like above they would be convinced our medicine would help them.

Womanhood.

Miller's Falls, Mass.—"Doctors said I had displacement very badly and I would have to have an operation. I had a soreness in both sides and a pulling sensation in my right side. I could not do much work the pain was so bad. I was also troubled with irregularity and other weaknesses. My blood was poor. We had been married four years and had no children. After using Lydia E. Pinkham's Vegetable Compound and Blood Purifier I became well and strong and was saved from an operation. We are now the parents of a big baby girl, and I praise your remedies to others and give you permission to publish my letter."—Mrs. Joseph Guilbault, Jr., Bridge St., Miller's Falls, Mass.

Change of Life.

Englewood, Ill.—"While going through the Change of Life I suffered with headaches, nervousness, flashes of heat, and I suffered so much I did not know what I was doing at times. I spent $1900 on doctors and not one did me any good. One day a lady called at my house and said she had been as sick as I was at one time, and Lydia E. Pinkham's Vegetable Compound made her well, so I took it and now I am just as well as I ever was. I cannot understand why women don't see how much pain and suffering they would escape by taking your medicine. I cannot praise it enough for it saved my life and kept me from the Insane Hospital."—Mrs. E. Sheldon, 5657 S. Halsted St., Englewood, Ill.

The great number of unsolicited letters like the above prove that Lydia E. Pinkham's Vegetable Compound is all that it is claimed to be. Lydia E. Pinkham Medicine Co., Lynn, Mass.
