THE WORK AT WOODBINE.

The rain did not hurt the track, and several of the horses went out yesterday morning. The disagreeable weather somewhat stopped the railbirds from going down to see their favorites work.

Eddie Whyte sent Royal Bob two miles in 4 minutes, and Ogdensburg 1¼ miles at a 2-minute clip, while Leading Lady, Fiddle and Melcha went a mile in 1.50, Mr. Manton a half in 5 sec., and Stealaway and Harvey covered the same distance in 52½ sec.

Ras Burgess worked Mr. Davies' horses, breezing Zeal a mile in 1.49, with Music, Allegretto reeled off a half in 51½ sec.

Gaynor sent Distant Shot, South Africa and Wadsworth five-eighths in 1.12 and Stray Step and Snap shot three-quarters in 1.26. Ben Page breezed Red Monk and Sleepy Belle one and three-eighths in 2.34, and Royal George was worked through the field. The Kapanga colt reeled off a mile in 1.53. John Nixon sent the Plater, Boston, 1¼ miles in 2.24. Gallagher sent Thorncliffe, Radiator and Clark a mile in 2.04.

Ralston schooled Bondhead and Prince Mark through the eastern field.

George Kennedy will arrive here Monday with his mare, Ione K., and will stable her at George Decker's place across from the track, where a number of outside turfmen are staying. Mr. Decker has splendid accommodation for trainers and those stopping at the track over night to see the trials.

Prof. W. J. Stevenson is meeting with great success in training the Trinity University athletic team. He expects to land most of the middle distance races at the inter-club meet and will have a good one for the sprint at the jubilee sports.

WON $30,000 ON OCTAGON.

New York, May 14.—The biggest winner over Octagon's victory in the Toboggan Handicap at Morris Park yesterday was young Mr. "Dick" Wilson. His appetite whetted for greater triumphs by winning $8000 over his own colt, Knight of the Garter at Aqueduct, he went for the gloves yesterday. Three thousand dollars invested at the juicy price of 10 to 1 brought the tidy harvest of $30,000—handy pocket money even for the brother-in-law of an Astor and a Vanderbilt. That Mr. R. T. Wilson, jr.—to give his full and formal name—is destined to become a conspicuous figure on our turf now seems certain. He is a quiet young man who attends strictly to business, but he not only backs his own horses, which, by the way, are in most capable hands, but is evidently not afraid to "have a dash" on the outside.

FIRST AND SECOND CHOICES.

Cincinnati, O., May 14.—Three favorites and two second choices divided the card at Newport to-day. The weather was cloudy and cool, but the attendance large, this being ladies' day. The track was in fine shape. Summaries:

Second race, 5 furlongs, selling—Ora Lee, 105 (McDowell), 2 to 1, 1; Alvin E, 102 (Tubbs), 20 to 1, 2; Sidney Bender, 105 (Milburn), 5 to 1, 3. Time 1.02¾. Sir Errol, Pebble Legate, Uncle Eli, Fremont, Royal Dear, General George also ran.

THE HUNDREDTH REGIMENT.

A Deputation in Favor of Its Repatriation.

ADDRESS TO THE GOVERNOR

Asking His Excellency to Transmit the Petitions to England.

Senator Boulton Voices the Views of the Delegates, and Lord Aberdeen Agrees to Do His Best in Promotion of the Scheme—Plebiscite Bill Promised in a Few Days—Kick in Private Bills Committee—R., B. & H. B. Bill's Name Changed—French Reporter Bounced—Duke of Teck and the Yukon Company—General News From Ottawa.

Ottawa, May 14.—(Special.)—His Excellency the Governor-General was waited upon to-day by a deputation which presented to him the petition signed in all parts of Canada asking the Imperial authorities to establish a depot of the 100th Royal Canadian Regiment in Canada. The deputation consisted of Senator Boulton, a former officer of the regiment, who joined in 1858; Capt. Wallis, another original officer of the regiment; Lieut.-Col. John Macpherson, Senator Gowan, Major Harrison, Capt. Kirkpatrick and others.

On behalf of the deputation, Senator Boulton presented to His Excellency an address setting forth what had been done by the committee in promoting the movement for the repatriation of the 100th Regiment.

His Excellency, in reply, said it wou'd afford him much pleasure to be the medium of transmitting this important book of petitions for the repatriation of the 100th Regiment to His Royal Highness the Prince of Wales. His Royal Highness, from the well-known interest he takes in all matters appertaining to the naval and military strength of the British Empire, would, he was sure, see that the prayer of the petitions was heard in the proper quarter. He could, of course, say nothing about the subject matter, but he could assure them he would lose no time in laying the wishes of the Canadian people, as expressed in these petitions, before H.R.H. the Prince of Wales, and he added that the moment was opportune to express the loyalty and patriotism which was the mainspring of the petitioners.

Senator Gowan, on behalf of the deputation, thanked His Excellency for his courtesy. He remarked that his military services dated back to 1837, but his heart was as warm as ever it was in its desire to maintain the honor of the old flag.

Plebiscite Bill in a Few Days

In the Senate to-day, Sir Mackenzie Bowell asked when the bill providing for the taking of a plebiscite on prohibition of the liquor traffic would be brought down.

Sir Oliver Mowat said the bill was now in the hands of the law clerk, and would be introduced in a few days.

Sir Mackenzie Bowell gave notice of enquiry as to why the Government had not taken legal proceedings against Mr. Petit, the writer of the "Business is business" letter, as promised in the speech of the Minister of Justice in the Senate last session, when Sir Oliver Mowat said that an official demand would be made on Mr. Petit for an explanation, and if that explanation was not satisfactory, the course to be pursued by the Government would be carefully considered.

There Was a Big Kick

At a meeting of the Private Bills Committee this morning there was a big kick against the bill incorporating the American Bank Note Company. Mr. R. G. Code, represented the applicants, and Mr. Gormully the interests of the British American Company. Objection was taken by Sir Adolphe Caron to what he called the special privileges accorded to the American concern, the present bill confirming their act of incorporation, of which we knew nothing. It was also objected that Parliament had no jurisdiction to pass a bill of this nature for a concern which was given only power to operate in Ottawa. Objection was taken by Mr. Gormully to the name of the new company. It was the cause of confusion with the British American Company, and this was likely to cause most of the middle distance races at the inter-club meet and will have a good one for the sprint at the jubilee sports.

Now It's Winnipeg, Duluth and Northern

Before the Railway Committee this morning the Manitoba, Duluth & Hudson Bay Bill was taken up and the name ordered changed to the Winnipeg, Duluth & Northern. That portion of the bill which provides for a line up Hudson Bay was struck out. The Capitalization was reduced from $1,000,000 to half that amount.

An extension of time was granted to the Manitoba & Southeastern Railway Company till 1899, for the completion of that portion of the line from St. Boniface and the parish of St. Anne. Mr. Nicoll of Toronto appeared on behalf of the Canada Southern Railway. The time was extended for the completion of the road, and the bill passed, with the exception of an examination into the wording of the agreements with the Lake Erie and London lines.

A French Reporter Bounced

The French reporters of the Hansard staff have had very little work to do this session, there having only been one or two speeches in all made in that language, but there is enough trouble about one of the amanuenses to have necessitated the appointment of a sub-committee of the Debates Committee to-day to settle the matter. Mr. Dorion, an amanuensis to Mr. Marceau, was dismissed by Mr. Choquette. Mr. Dorion says that his dismissal was on account of politics, and the sub-committee is to look into the matter.

Duke of Teck and Yukon Company

There has been some comment in the English press over the Duke of Teck's connection with the British Yukon Chartered Company. The Telegram, sent to England from New York, said: "A despatch from Vancouver states that the Duke of Teck has asked the Canadian Government to allow him and his company to govern the Canadian gold fields in the district of Yukon. The British Columbia press is rather outspoken on this subject, and says that this is the most paralyzing proposal ever presented to any modern Government.

On receipt of this cablegram The Central News communicated with His Serene Highness, asking him if he would kindly confirm or contradict the announcement it contained, and the following reply was received: "Do not belong to any company. Am interested in British Yukon Chartered Company. Asked some members of the Canadian Government to support it. That is all.—Duke of Teck."

Personal and General Notes

Extract from clauses of agreement referring to the employes of the Toronto Railway Company.

"The said company, its successors and assigns will not require or permit any of its employes to work in its service more than TEN HOURS PER DAY OR MORE THAN SIXTY HOURS PER WEEK, ALL OF WHICH SIXTY HOURS WORK IS TO BE PERFORMED IN SIX DAYS OF SUCH WEEK, and that NO EMPLOYE HAVING WORKED UPON SIX DAYS SHALL BE REQUIRED OR PERMITTED TO RESUME WORK UNTIL HE HAS BEEN A COMPLETE DAY OF TWENTY-FOUR HOURS off work."

As to penalties in the event of any being necessary, the agreement says: "If at any time any JUDGE OF THE COUNTY COURT shall adjudge and report to the City Council that there has been a substantial breach of the said agreement, then the Council SHALL PASS A RESOLUTION ANNULLING ANY RIGHT ACQUIRED BY THE SAID COMPANY UNDER AND BY VIRTUE OF THE SAID VOTE, OR OF THIS AGREEMENT, TO RUN STREET CARS ON SUNDAY, and, upon passing of such resolution, ANY SUCH RIGHT WHICH MAY BE ACQUIRED BY THE SAID COMPANY SHALL BY VIRTUE THEREOF CEASE AND DETERMINE. The said Council may for each and every such breach impose upon the said company a penalty of $500 or such lesser sum (not less than $100) as the said Council may deem reasonable.

Don't Drink the Water.

Our drinking water is not quite what we could wish for these days—no doubt largely owing to the spring freshet. To avoid any ill effects which would be likely to arise from drinking this water it would be far better to drink the Golden Ale of the Eaton Bros. Brewing Company of Owen Sound, limited. 136
