TENNIS--THE BIG LEAGUE GAMES

MARGIN WINS SECOND GREAT STAKE

Whether it seems credible or not, it's a fact that the Chicago players are "just plumb sorry" to hear that Mathewson broke his finger trying to stop a hard hit grounder.

There wasn't one of them who stopped to think much about the fact that it might be easier for them to beat New York with Mathewson out of the game. Not a bit of it. They wanted Mathewson in so that they would have to fight all the way along and make the contest interesting.

"For that matter some of these other New York pitchers are as likely to turn in and make trouble as Mathewson," said Frank Chance, "but there has been a long series of interesting games between the Giants and Chicago, with Mathewson pitching and people have come to look forward to such contests as events of the baseball year."

Meanwhile, when the Chicagos make their appearance at the Polo Ground this afternoon they are coming loaded for bear. They figure that they can't afford to be beaten by New York. If they tumble and Pittsburg keeps on winning the Pirates will "skedaddle" out in front like runaway colts. If they lose, the Giants will pick up and make their hold on second place look weary. They are between the upper and nether millstones and realize it.

So they have saved up three good pitchers to face New York this week. This afternoon it is likely to be either Pfiester or Brown, with chances that Pfiester will do the serving. He is deceiving and if he can only start away with a win on the first day, the Cubs feel about twice as confident when they begin the second day with Brown in the box.

The "three fingered" marvel is doing fairly well this year, but he has an arm which has to be favored, and Chance doesn't like to take any risks so long as there appears to be some hope that Chicago may beat Pittsburg out. If Pfiester captures the first game, Brown will be good medicine for the second, and the Chicago manager is likely to finish the week by putting Overall, with his speed, in the box for the third game.

Chance is generous enough to say that he hopes the injury to Mathewson isn't going to give the Giants a setback in the race. "The fight had run itself into a three-cornered affair, and as the clubs were going it didn't look as if any one of the three could be made to finish lower than third," said he. "When you get a pitcher like Mathewson hurt it means a great deal to your team. If the Giants should take a tumble I can't see where there is anything in the other five clubs to make any headway against the top of the league. I hate to see a good race spoiled. We had a great three-cornered fight last year, and I wanted to see another like it, although, of course, I would not like to have the same kind of finish as last fall."

The Cubs feel that so much is at stake in the games which are to finish up the week in New York that they are fretting more over them than they did last year when they were playing for the world's championship. If New York had knocked Pittsburg down about five games Chicago would not be so much concerned. When Pittsburg and New York were having their duel the Cubs were all for New York, but it's different beginning with this afternoon.

SHAMROCK GROUNDS FOR BIG GAME

Tomorrow's Big Baseball Feature will be Played at the North End -- A Great Game.

The Marathon management announced last evening that it had been definitely decided that the game on Saturday in the championship series with St. Peters would be played on the Shamrock grounds. It has always been the rule for the championship games to be played alternately on the Shamrock and the Victoria grounds, and it was expected that tomorrow's game would take place on the latter field. The managers failed to come to an agreement, however, with the Every Day Club up till yesterday afternoon, and it was decided to set the game for the North End grounds.

This time the St. Peters will seek to regain their lost laurels, and will put the same team on the field, with the exception of Hodd taking Art Mahoney's place in the pitching box. The Marathon management said they would not announce their pitcher until Saturday morning, but there is a feeling that Perkins, the new man, is to be given a tryout. No fault can be found with the work of Nesbit this season, and if he does not pitch tomorrow it will only be because he is booked for a rest, to be brought forward again when more depends on the game. Manager Tilley stated yesterday that the Marathons had played twenty-five games this season, had dropped four, tied one and won twenty. This is a record seldom attained, and the chances are that the men with so much St. Peters money will find readier takers at the game tomorrow than was the case last Saturday.

A baseball game on the Victoria grounds this afternoon at 4.30 o'clock is expected to throw this championship business in the shade entirely. This will be the second deadly combat between the newspaper men and the Customs House, and it is rumored both sides are out for blood. The newspaper men didn't win last Friday because Charles Olive was not playing but for the sake of upholding the honor of the profession, he has consented to enter the lists. The other players, of course, do not amount to very much, as long as Charlie is playing.

TENNIS TOURNAMENT TO BE CONCLUDED TODAY

The third day's play in the Provincial Tennis Tournament was concluded yesterday. The final rounds of the ladies' singles, the men's doubles and the boys' championship were played. The semi-finals in the ladies' doubles and men's doubles were completed and the mixed doubles partly finished. A large number of enthusiasts took advantage of the fine weather to watch the various well-played sets.

Probably the best tennis of the day was played in the finals of the men's doubles, when Messrs. M. McAvity and Angus of St. John defeated Mr. R. W. Turnbull of Rothesay and Mr. Richard of Fredericton after a hard-fought match, in which the last set was only won after thirty games had been played, and they thereby captured the championship for men's doubles. Mr. Turnbull played his usual finished game, his drives were hard and well placed, and his net work effective. Mr. Richard's play was not as steady as usual. Mr. McAvity did not show up as well in the doubles as in the singles. His volleying at times was effective. Mr. Angus made many points by his cross game at the net.

Owing to Miss M. Barnaby's illness, Mrs. Earle won by default in the third round of the ladies' singles, and the Misses Hazen were awarded their match with Miss B. Macaulay and Miss Barnaby for the same reason. The Misses Hazen have been playing strong tennis in the ladies' doubles. Their victory over Miss Schofield and Miss Barnaby was somewhat of a surprise. Tomorrow they play Mrs. Babbitt and Miss Babbitt of Fredericton in the finals and a hard fight is expected.

One of the surprises of the day was Miss E. Hazen's easy victory over Miss H. Fairweather, who had previously defeated Miss Mabel Thomson. In the afternoon, however, Miss Macaulay met her Waterloo, being defeated in a decisive manner by Miss Madge Robertson. Miss Robertson has been playing a splendid game in both singles and doubles, and her match today for the championship with Mrs. Babbitt should prove most interesting, as her style of play differs somewhat from the present champion.

In the men's singles Mr. Rogers, though defeated by Mr. Wood, put up a very good game. His playing has improved very much during the season. The match between Mr. Richard and Mr. Peters was very close. Their style of play was very similar. Each won a set and Mr. Richard defaulted the third set and game. Today Mr. Peters will play Mr. Wood in the finals. In last year's tournament Mr. Peters was runner-up.

Jack Chipman, of St. Stephen, by defeating Don Skinner, won the title of boys' champion of the province. His playing was of a high class order and in a few years he should rank among the foremost provincial players.

At one o'clock a meeting of the association was held with F. R. Fairweather in the chair. The following officers were elected: President, P. W. Thomson; vice-president, C. F. Inches; secretary-treasurer, C. P. Randolph, of Fredericton.

The executive decided that a silver cup donated by P. W. Thomson, for the men's singles should become the property of the winner of three consecutive seasons. A vote of thanks was tendered the new president for the evidence of his interest and for the placing of his auto at the service of the players. The executive also accepted an invitation to play the 1910 tournament on Fredericton courts.

At five o'clock 5 o'clock tea was served. The ladies in charge were Mrs. J. D. Seely, Miss Barnaby, Miss Frances Hazen and Miss Mary MacLaren.

The result of yesterday's play was as follows:

Men's Singles.

Miss Flannagan of Rexton is the guest of Miss Goldie Fairville.

ED. GEERS NARROW ESCAPE AT GRAND CIRCUIT RACES

Kalamazoo, Mich., Aug. 5—Ed. Geers, the widely known driver, had a wonderful escape from serious accident today at the Grand Circuit race, when he was thrown over the fence during the first heat of the $5,000 pacing event. Geers was driving Annabelle Lee when the mare broke. He took her to the outside to straighten her, but a leg snapped and Annabelle Lee careered and then plunged through a gap in the fence. The sulky was demolished and Geers struck on the turf, which saved him perhaps from fatal injuries. No bones were broken, but one ankle was badly sprained. Despite of this, the veteran thinks he will be driving at Cleveland next week.

The pacing classic attracted 8,000 to the park, and the track was faster than any other time during the meeting. Star Patchen had no difficulty in winning the big event, the only contest being the third heat when Tip Bosun finished strong half a length behind the son of Joe Patchen. Star Patchen was about a 3 to 1 favorite.

The upset of the day was in the 2.0 trot, in which Sterling McKinney sold for $25 against $10. Spanish Queen led all the way in both heats, Sterling McKinney breaking in the first and spoiling a close finish in the second by the same tactics.

Cecilian King had no trouble with the field of pacers in the 2.17 class. The 2.19 trot was a good contest, Dr Jack, the favorite, winning a hot but being beaten by Esther Bells.
