What Would Germany Do?

By Special Wire to the Courier.

London, Feb. 17—The case of a woman spy who was recently sentenced to death, but whose sentence was commuted to penal servitude for life, was announced in the House of Commons to-day by Herbert L. Samuel, the secretary of state for home affairs.

The woman was found guilty in a criminal court, the home secretary stated. An appeal was dismissed, but the sentence was commuted. Her activities were discovered six days after her arrival in Great Britain.

FOOD CAN GET THROUGH TO POLAND

Britain Has Not Closed Way For Polish Food.

By Special Wire to the Courier.

London, Fev. 17—Great Britain has not refused to allow food to reach Poland, according to a statement made by Sir Edward Grey, British Foreign Secretary, in reply to a question in the House of Commons to-day.

The Foreign Minister added that the Entente allied governments had been approached with a request to permit food to be sent to Poland under neutral control, but that the allies had replied they could not consider the question until the various "methods of spoilation" adopted by the central powers had ceased. To do otherwise, he said, wuld be merely to supply food to the Germans.

Under the guise of a question to Sir Edward Grey, Laurence Ginnell, Nationalist member of parliament for the North Divison of West Meath, made the allegation that pressure had been used by the Entente allies to dissuade the Belgian government from accepting from Germany an offer to re-establish the integrity of Belgium, to restore her independence and fully to compensate her for damages sustained.

This brought a blunt answer from the foreign secretary, who said:

"The statement made in question is entirely untrue."

Sir Edward added that he believed the statement of an offer being made to Belgium was also untrue.

OPERA HOUSE IN MEXICO COLLAPSED

Nine Killed and Twenty Injured in a Very Bad Accident.

By Special Wire to the Courier.

Mexia, Texas, Feb. 17—Search of the ruins of the Hexia Opera House, which collapsed last night and of business buildings destroyed in the resulting fire, failed to add to the list of victims and the number of dead early to-day remained at nine. Nearly a score of injured were reported resting easily.

Three of the dead were killed in the wreck of the opera house which had been opened for an art exhibition by the city schools under the auspices of the Mothers' Club. Because of the early hour only a few persons had arrived, when the accident occurred and this undoubtedly prevented a greater loss of life. The victims killed in the opera house were: A. B. Wiesner, superintendent of the city schools; Mrs. Weisner and Prof. A. Burton. Two doors from the opera house, six men were killed in the Mexia cafe, which was destroyed by the fall of the opera house, a gas explosion and the fire which accompanied it.

Before the fire was checked a number of business buildings had burned with a loss of 75,000.
