SPORT NEWS OF A DAY; AT HOME AND ABROAD

BASEBALL

Two St. Croix Players Sold

Bangor Commercial: It is reported in the league that two of the St. Croix team have been purchased by Charles Comiskey, manager of the Chicago White Sox. The two players are Lynch and McPherson, the third baseman and shortstop respectively.

McPherson and Lynch are top-notchers in the Maine-New Brunswick league and it is said that they attracted the attention of a scout for the White Sox. It is understood that Mgr. Doyle received $300 each for the two men. They will probably be "farmed out" and developed by the Chicago manager.

Cobb Isn't a "Slave" Now

Persons who declare that Tyrus Raymond Cobb was a baseball "slave" last spring, when the Detroit club refused to sign him for a $15,000 salary, but finally compromised with him for $12,500, are doing some thinking just now. Cobb is laid up with a fractured kneecap. The Tigers have been without his services for nearly two weeks and the Detroit magnates are suffering financially thereby. But according to the terms of Cobb's contract he is drawing full pay because he was injured on the ball field. Incidentally the Detroit club is paying the doctor's bill.—New York Sun.

Joe Still Going Strong

"Iron Man" Joe McGinnity, who not so many years ago pitched and won double-headers for the Giants, is still at it. Pitching for the Tacoma Club of the Northwestern League, McGinnity worked in parts of 24 games in 40 days, hurling 144 innings. McGinnity is as big an idol on the coast as he was with local "fans" when he helped bring a couple of pennants to the city—New York Tribune.

Double Headers

Thomas J. Lynch, president of the National League announces the dates for playing off all postponed and tie games up to July 7, so that schedules may be revised.

No fewer than thirty double-headers have piled up, to say nothing of games which will be played on open dates.

New York, Boston and Philadelphia lead in bargain-day attractions, with six double-headers each, while Pittsburg has four, Brooklyn three, Cincinnati and St. Louis two each and Chicago only one.

The Giants have extra games to play at the Polo Grounds with St. Louis (two), Pittsburg, Brooklyn and Philadelphia (two). On the road they have one double-header with Boston, one with St. Louis and a single game with Brooklyn on Aug 12, originally an open date.

Getting After Betting

Attorney John P. Feeny and Sergt. Barry and Anderson of Boston are testing the idle and disorderly law in the Municipal Criminal Court before Judge Ely. The majority of those assembled in court were "sports" said to be bettors on baseball games and horse racing.

Daniel J. Sullivan, 29 years old, of Roxbury; Joseph J. Sullivan, better known as "Sport" Sullivan of Sharon; George E. Boyle, 52 and John Carr, both of Boston are named in the same complaint.

All four were arrested about three weeks ago. When taken into custody, as it is alleged, the men had thousands of dollars and called themselves business men.

Attorney Feeney told the judge that the men were not of the idle and disorderly character, that they were employed, that they all had money and he would show that there was no case against his clients such as drawn up by the police.

Sergt. Barry, contended that he knew the men, that he had witnesses also that knew them, and that they are not employed by any one; that they spend their time idly, and bet on base ball games played day by day.

It was decided that Daniel J. Sullivan be first put on trial. Sergt. Barry said that he had known the defendant and the others for a long time. From December to June he saw Sullivan many times in the vicinity of Washington and Essex streets and saw him pass and receive bills and get slips. The money, he said, would be put into one pocket, and the slips into another. He could not given any specific dates. He said he was present when Sullivan was arrested and heard Sergt. Anderson ask him what he did for a living, and the reply was that he didn't do anything for a year and a half.

Policeman Oscar W. Burgess told of seeing Sullivan many times in the vicinity of Washington and Essex streets and Harrison avenue. He saw him pass money to men on many days in June and some in May. He also saw him give slips to the men. On some days he saw as many as 12 men pass money to the defendant.

Diamond Sparkles

McQuillen was put to work by Fred Clarke pretty soon after joining the Pirates. He got into Tuesday's game against Philadelphia, which Pittsburg won in ten innings.

Leon Ames seems to be doing better with the Reds than he did with the Giants. He held Brooklyn to seven hits and one run on Wednesday, although his support was nothing to brag about.

Edwin Eayres, a sensational pitcher of Brown University this year, who signed to play with the Pittsburg Pirates, has been passed along to the Columbus Club.

TENNIS

Fairville Tennis Club.

At a recent meeting of the Fairville Tennis Club the following officers for the ensuing year were elected: President, Miss McLeod; vice-president, Rev. H. R. Boyer; secretary-treasurer, Miss Bessie Stevens.

For some time past workmen have been engaged in putting the court in suitable condition for playing. Many improvements have been made and the field presents a very pleasing appearance in its neat arrangement.

Americans Beat Germans.

Nottingham, England, July 10—Maurice E. McLoughlin and R. Morris Williams, both won their singles lawn tennis matches today from the Germans, Otto Froitzheim and Oscar Kreutzer, respectively. They thus placed the United States team in a favorable position for winning the semi-final round of the Davis cup preliminaries, as it is only necessary to win one more match of the three still to be played in order to advance into the final where they will meet either Canada or Belgium.

Canadians Win Both Matches.

Folkstone, England, July 10—Canada finished with two matches in hand the first day's play in the semi-finals of the Davis cup preliminaries against Belgium and with every prospect of meeting in the final round at Wimbledon the winners of the United States series against Germany at Nottingham.

R. B. Powell, the Canadian captain, and B. P. Schwengers, the Canadian champion, won their matches against P. De Borman and A. G. Watson, respectively, without the loss of a single set, Powell winning by the score of 6-2, 61, 6-1, and Schwengers by 6-4, 6-1, 6-0.

MOTOR BOATING

Norton Griffiths Trophy

It has been suggested that August 8 be the date for the sailing of the race for the Norton Griffiths trophy in motor boating in the harbor. This has not yet been definitely decided upon, but another meeting of the committee has been called for Monday evening next when representatives from all clubs interested are expected. The first contest, last year, was won by Dr. J. H. Barton's "Patricia."

$4,000 For Harrington

Frank Harrington, the pitcher who played with the St. Peters here three years ago and who made such a fine showing with the Fredericton team last season has been sold by Manager Flaherty of the Lynn team to the Cincinatti Nationals for $4,000. Joe Tinker of Cincinnati has had his scout O'Hara following Harrington for three weeks and has received such good reports of his work that he has decided to buy him. He will join the Reds at the end of the New England league season.

GOLF

English Champion Not Coming

London, July 11—J. H. Taylor, open golf champion of England, has finally decided not to join Harry Vardon and Edward Ray in their American tour during which Vardon and Ray will compete in the open championship tournament at Brookline, Mass. They will sail on August 6, accompanied by Wilfrid R. Reil, a professional at the Banstad Downs club, and Louis Tellier, a French professional.

CRICKET

Make it a Draw

Philadelphia, July 10—The Montreal cricketers succeeded in making a draw of their match with the Germantown Cricket Club, which ended today after seven of the visitors had been retired in their second innnings, when 328 runs had been secored. Germantown scored 432 runs in the first innings and the Canadians 278. The local players had scored 372 runs for seven wickets when play ended yesterday.

Cricket Match

The St. John Cricket Club and the Atlantic Sugar Refinery Club will play a return match tomorrow on the Barrack Square, starting at 2.30 p. m. The St. John team will be as follows: Sollows, Hayes, Crawford, Williamson, Gilroy, Popham, Trotter, Sancton, Coulthurst, Sturdee, Stubbs, Munroe, Laidlaw and C. E. Macmichael will be umpire.

AQUATIC

Defender is Chosen

Cleveland Races.

Cleveland, July 10—A. S. Rodney, of Jersey City, bids fair to become the big money-winning driver of the opening Grand Circuit meeting, as he won the $5,000 Ohio stake today after winning the $2,000 Fasig yesterday. With apparent ease, Marigold, Rodney driving, carried off the opening stake in today's big event in straight heats.

The veteran "Pop" Geers, who until today had not won a heat, took first in the championship pacing sweepstakes and the 2.15 trot. Stetbrino Lad, a strong favorite in the 2.14 pace, repaid the confidence of his supporters by taking the event in straight heats. Summary:
