Berlenbach Awarded Technical Knockout Over Slattery In Eleventh Round

LIGHT HEAVY CROWN HOLDER SUCCESSFULLY DEFENDS TITLE

Buffalo Challenger Floored Six Times Before Fight Is Stopped.

TECHNICAL KAYO

Associated Press Despatch.

Yankee Stadium, New York, Sept. 11. — The world's light-heavyweight championship, which has perched atop five heads in the last five years, withstood the challenge of youthful Jimmy Slattery of Buffalo, N. Y., under the sturdy defence of Paul Berlenbach, rugged titleholder of Astoria, N. Y., before a throng of 35,000 tonight.

The stout-hearted Irish boy from Buffalo went down in the eleventh round of a scheduled fifteen-round battle under the terrific punches of the champion, after gamely fighting back under a gruelling, relentless attack which floored him six times before Referee Patsy Haley stepped between the fighters and awarded Berlenbach a technical knockout. Slattery ran into a vigorous offensive in the first three rounds, but he refused to go down, and, inspired by the tremendous applause of the audience, the challenger came back with a rally in the fourth, fifth and sixth rounds which drove the champion to the defensive.

But the dogged Berlenbach was merely biding his time. Soon after the start of the tenth Slattery went down for the first time under a savage left. Berlenbach pursued his foe with a volley of lefts and rights, from which the fleeing Slattery could find no cover, and twice more he went down.

Slattery, fighting the first fifteen-round bout of his career, sagged to the floor under a terrific left at the start of the eleventh. He was no sooner on his feet that Berlenbach floored him again with a pile-driver left. The Buffalo youth, taking a count of nine, was barely able to rise. He reeled into the ropes near Berlenbach's corner, and the champion smothered him with gloves as he sagged on the ropes. There the fight ended, one minute and 28 seconds after the start of the round.

O. Rechnitzer and Dr. Ross Qualify For Title Finals

Deciding Rounds in Four Events To Be Played Today.

A brotherly threat, which has been materializing all season, broke yesterday on the courts of the London tennis club when Olaf Rechnitzer eliminated Einar Rechnitzer, former dominion junior singles champion and last year's city tennis champion, from this year's lists in a four-set match and qualified to meet Dr. Ross, who succeeded in ousting B. I. Williams only after a thrillingly fought five-set battle.

The finals will be played today.

O. Rechnitzer took the first two sets easily enough, 6—4, 6—2, and dropped the third, but came back to win set and match, 6—2. His steady placing game, devoid of extraordinary pace but full of accuracy, wore the former champion down in the first two sets. He volleyed precisely, coming close into the net to cut off exchanges and generally forcing the former champion to his own style of game. Both made remarkable back-line recoveries and extensive volleying made it a pretty game to watch. However, the former champion was bad on control, losing points on many certain looking kills which he sliced out. In the second set, when squared at three all, he lost four such lobs after manoeuvring the exchange to suit himself, just when it seemed the tide was turning in his favor. He made a valiant effort to break out of the pace his opponent was setting by speeding up his service and putting more arm into his returns, but the ultimate victor broke down the offensive by dead returns of his hardest drives and took the last set by extra control in long distance exchanges varied by sudden forays into fore court.

The other semi-final bracket was a much more spectacular match from the point of view of speed. Both used a twisting service and low hard-driven, net-skimming volleys. The exchanges were usually short but terrific. Ross took the first two sets, and then Williams fought back to square the match. Both exhibited more beautiful ground strokes in a struggle chiefly remarkable for pace and hard driving from the back lines. The match seemed to lack strategy, but was dashing.

The Scores.

Men's singles, semi-finals—O. Rechnitzer defeated E. Rechnitzer 6—1, 6—3, 4—6, 6—2. Dr. Ross defeated B. I. Williams, 6—4, 8—6, 4—6, 5—7, 6—3.

BILLY EVANS MAY SUCCEED TOOLE IN INTERNATIONAL

Associated Press Despatch.

Philadelphia, Sept. 11.—Billy Evans, American league umpire, tonight would neither confirm nor deny a report that he had been offered the presidency of the International league at a salary of $12,500. Evans said he felt that if any statement was to be made on the subject it should come from the league officials. He added that should an offer be made which would be agreeable to the various club presidents and himself, he would in all probability accept it.

It was learned on good authority here tonight that dissention exists in the league with officials of four clubs, Baltimore, Rochester, Buffalo and Toronto, in disagreement with those of the remaining clubs. The clubs named, it was said, are desirous of having Evans replace John Conway Toole, present head of the league. Just what the differences were was not learned.

However, unless all the clubs agree on Evans as his next president, he probably will remain on the playing fields of the big leagues.

NICOL THOMPSON, JUN., NEW JUNIOR CHAMP

Hamilton Youngster Has Score of 159 For 36 Holes.

Canadian Press Despatch.

Toronto, Sept. 11.—Nicol Thompson, Jun., Chedoke, Hamilton, is the new junior golf champion of Ontario. He had a card of 81 this morning and 78 this afternoon, giving him a gross score of 159 for the 36 holes. Nicol is a son of Nicol Thompson, the Ancaster professional, and is only 15 years old. He played a wonderful game this afternoon, going out in 40 and coming home in 38. Delury Barber of Mississauga and Fred Lyons of Lambton were tied for second with 160 each. Barber had a 77 this morning and 83 this afternoon. Lyon had 88 for the first round and 72 for the second.

Delbury Barber, the hope of the Mississauga club, also turned in a card of 77, tying with Somerville for the lead of the first round. He went out in 39 and came home in 38. He needed a four on the last hole for a 76. He was on the last green in two, but took three putts.

SARNIA FOOTBALL FANS FAVOR SEPARATE GROUPS

Special to The Advertiser.

Sarnia, Sept. 11.—Sarnia is in accord with London's suggestion that rugby interest in these parts would be stimulated by putting London and Sarnia in different districts. They believe that the game would be fostered better if teams like Petrolia, Wallaceburg and Chatham were put in a district by themselves to fight it out. They are evenly matched and asking them to compete with Sarnia is putting something of a handicap on them to start off. St. Thomas, with a well-drilled team that has been playing good football for years, stands a much better chance of making a showing in this district than any of the other clubs.

One thing the locals will raise their voices in urgent protest against at the O. R. F. U. convention tomorrow is a bye. Neither the management, the coach nor the players have any desire to spend two months in practice while the other teams are playing games and getting the exprience and practice so necessary when the play-offs come round.

OPEN SERIES FRIDAY.

Special to The Advertiser.

Kitchener, Sept. 11.—The first of the junior W. F. A. finals will be played in Listowel next Friday night, and the return game will be in Kitchener Sept. 10 or Sept. 26, whichever suits the teams better.

These arrangements have been finally made after a month of bickering as to dates, owing to the Listowel club wanting to play Fridays and Kitchener Saturdays and inability to get the grounds when the dates were settled a couple of times.

Fogarty, who has been an active member of the clubs for several years. Mr. Fogarty was the recipient of a leather club bag. J. DIAMOND GLINTS

Today ends it.

* * *

Mike Baker was host at a dinner for his victorious club at the Bungalow tea house on Thursday night.

* * *

The affair was an entire success, and Michael is every bit as good a host as he is a manager, which is saying a good deal.

* * *

Mike took this occasion to thank the boys for the way they had hustled for him, and the boys unanimously opined that it wasn't hard to hustle for the little leader.

* * *

Most of them, at one time or another, have played on pennant-winning teams, and the fact that none of them had ever had the experience of being guests of managers at similar affairs, may point out the way to the methods of managership Baker uses to get results.

OUR BOARDING HOUSE. By AHERN.

TWO ARE RESCUED FROM DROWNING

Sidney Leaver of Point Edward Saves Children From Lake Huron Waters.

Special to The Advertiser.

Sarnia, Sept. 11.—Sidney Leaver of Point Edward last night effected a double rescue from Lake Huron by acting promptly when Sidney Cooper and his sister Margaret, both young children, were in danger of drowning. Cooper was playing in the shallow water along the shore when he was caught in a current and carried beyond his depth. Margaret went to rescue him, but he caught her by the hair and pulled her under. They had gone down a second time, when Leaver, who was bathing nearby, noticed their absence, and, swimming to the spot, located both children and brought them to shore.

Age is no bar to success in lace-making, Mrs. Sarah Ayers of Point Edward has proved in winning premier honors in the art for two successive years at the Toronto Exhibition. Mrs. Ayers, who is 72, took first prize with an exhibit of bucks lace this week and second prize for a collection of laces.

Operated Without License.

Although John R. Logan, counsel for Leo Haber, pleaded for suspended sentence when Magistrate Gorman intimated that he found the evidence sufficient to convict his client of dealing in secondhand goods without a license, the magistrate declared that he felt it a case for the extreme penalty, and accordingly imposed a fine of $50 with costs of $6, with an alternative of six months in jail.

"Summer 'flu," or enteritis, to give it its proper name, is practically an epidemic just now in the city and throughout Lambton county, Dr. J. A. Bell, medical officer of health, said today. Scores of children, among whom it is mostly prevalent, are absent from city schools because of the summer malady. It is the result of changing weather and over-consumption of ripe fruits and green vegetables, Dr. Bell says, and it calls for individual medical advice.

INDUSTRIAL EXHIBIT AT GODERICH CLOSES

Attendance Record Broken by Fair Which Ended Last Night.

Special to The Advertiser.

Goderich, Sept. 11.—The final day of Goderich industrial exhibition rivalled the record day yesterday in the excellence of the performance and features.

The grandstand performance was largely one of races, the best two classes, 2:30 and 2:15, being run off today. The judging of carriage horses and riding horses also took place on the track before the stand. Keen competition developed in the gentleman's driver class, the final decision going to W. McLean, Goderich, with G. W. Reid of Lucknow second.

In the lady drivers' class Reid also won first place. In riding horses Millson of Lucknow won the honor.

The cattle and horse prize money was very equally divided among the entrants from all parts of the country, with the horse class surpassing previous entries.

Of special note was the great development of the poultry show, the entries this year being more than double those of last year, space in the poultry building being at a premium. Among poultry showmen the quality was very highly spoken of, bringing this exhibit into the class of the previous winter poultry exhibits.

The directors are now certain that the new methods used this year have developed the Goderich fair into one of progress, as shown by the record attendance. The nearest figures of attendance, with members and school children included, show about 8,500 have passed the gates.

Earnest Argument Is Seen In Ryan-Clements Battle

Both Are Angling For Bout With Eber-Johnston Survivor.

MEETS GENARO SOON

The fact that both Tommy Ryan of McKeesport and Joe Clements of Chicago are angling for a bout with the winner of the Eber-Johnston fight in Toronto assures London fans of seeing an earnest argument between the two bantams when they meet in the arena here Wednesday night.

Clements has nothing like the impressive record which has been industriously compiled by Ryan, but he has met many of the same men that Ryan has fought, and he has yet to lose a bout, the worst he has received being draws. Clements has everything to gain by beating Ryan, or at least earning a draw. It means recognition in a field where he is a newcomer. Ryan practically has to beat the head off the Chicago boy to make sure of a match with the Eber-Johnston winner. That means a match for the victor with Foley, the present holder of the Canadian bantamweight title, for probably the largest purse ever hung up for a Canadian titular match.

Clements, if he made a good enough showing here, might suit the Toronto clubs better than Ryan, especially if Eber comes through the Queen City test. Clements is more suited to Eber's style than is Ryan, and there is a natural desire to see Eber come back and get a crack at the title he held so long. He'd have a better chance of handling Clements than he would Ryan.

Ryan, just returned from a tour of the west, met Foley in Vancouver, and, according to Shannon, his manager, gave the Canadian champion a sweet pasting, but couldn't do anything better than a draw decision. Shannon backs his contentions up with press clippings of the fight. He claims that if Tommy can manoeuvre Phil Rosenberg into a match in New York the McKeesport boy will be wearing the world's title.

Ryan is to fight Carl Tremaine, over whom he has one decision, in Buffalo soon. Ryan also has a date to meet Frankie Genaro, American bantam champ, in New Orleans next month.

Only one fight card has been staged at the arena, but on that occasion the fans found that it made an ideal spot. That accounts for the popular prices of $1 and the fact that there is no reserve seat sale. Practically every seat in the arena affords the same view of the ring, and those who purchase tickets ahead of time have a chance to get there early and get what choice of seats there is and will not be put to the inconvenience of waiting in line to procure ducats.

Should the present sultry weather continue, the arena will provide a cool view of hot action. Cards staged in the Hamilton arena at the same popular prices, and with no star attractions, brought forth huge crowds.

Monday Closing Date for Entries

Monday is the closing day for the receipt of entries for the track and field meet under the auspices of the Ontario athletic commission, which is to be conducted at the University of Western Ontario oval on Saturday, Sept. 19.

Because of organization and many other difficulties, the entries have not been received in sufficient numbers to warrant the committee going on with the meet, and the public schools, together with the secondary schools, entering in the special events at this time, are warned that the opportunity presented throughout this program will be missed entirely and the meet cancelled unless a sufficiently large entry is received. It is again published for the information of all concerned that for the public schools the events are as follows:

Ages 12 and 13 years—75-yard dash, 100-yard dash, running high jump, running broad jump, 440-yard relay (four boys to a team).

Ages 14 and 15 years—100-yard dash, 220-yard dash, running high jump, running broad jump, 120-yards low hurdles, 440-yard relay (four boys to a team).

For the secondary schools the events are:

Junior—Pole vault, 120-yards low hurdles, 220 yards.

Intermediate — Pole vault, javelin throw.

Senior—Javelin throw.

The university track is being conditioned for this event, and will undoubtedly be in first-class shape.

Grid Workouts Begin on Monday

A general call has been issued for grid players to report for the first official practice at Tecumseh park on Monday at 5:30.

Coach Doug Huestis plans only light conditioning exercises for the first week.

Sandy Somerville, over whose playing there has been some doubt, has definitely assured the local officials that he will turn out. "Yip" Foster, defence hockey player, will be a half-line candidate, and a certainty. Foster is big and fast, and a good ball carrier.

All last year's players are asked to call at the box office at the Winter Gardens tonight, where complimentaries for the rugby dance, officially opening the gardens, will be issued.

C. O. F. TEAM WILL MEET KOMOKA GIRLS TONIGHT

The C. O. F. girls' softball team will meet the Komoka girls at Springbank at 5:30 tonight. This team has been beaten only three times in eight-een starts this season and should give the London girls some real opposition.

The C. O. F. girls are putting in strenuous practices almost daily in preparation for their impending series with the Clifford team, Northern league champions, in the next round of the Ontario play-offs.

WOODSTOCK PASTIMES ANNEX LEAGUE TITLE

Woodstock, Sept. 11.—In a game replete with thrills and which was not decided until the last out was made in the ninth inning, the Mohawks defeated the Pastimes, 10—9, this evening in the last game of the final series for the businessmen's league championship. The Mohawks got what looked like a safe lead in the first three innings, but the Pastimes kept creeping up until going into the ninth inning the score was 10 to 8 against them. One run was scored, and Douglas was resting on third ready to come home with the tieing tally when the last out was made. The Mohawks will now meet the champions of the commercial and fire hall leagues for the city championship.

Score by innings:		R.
Mohawks	234 000 010	10
Pastimes	022 010 301	9

ST. MARK'S TOURNEY.

St. Mark's annual Scotch doubles will be played off today. The tourney starts at 1:30.

Entries phoned to Secretary Garrett at 4715W until 12 o'clock will be put in the draw, and a big field is expected out. The T. H. Lashbrook trophy will be played for.

TROUBLE NOW BREWING IN WOODSTOCK LEAGUE

Woodstock, Sept. 11.—A muddle which threatens to disrupt the Woodstock Football league has developed as the result of a protest lodged by the Huntingford team against the victory of the Oxford Rifles team last Tuesday. The protest is based upon the fact that the Rifles lineup included several former members of the G. W. V. A. team which has been disbanded and has dropped out of the league. When it was announced at the beginning of the fall series that the G. W. V. A. would not enter, their players at once signed up with other clubs, several signing with the Rifles. It is against these players that the protest has been lodged. Meanwhile the schedule of the fall series is suspended and tonight's game between the Sons of England and the Oxford Rifles was not played.
