One copy	$2
Three copies	5
Five copies	8
Ten copies	15

(Postage five cents per copy for three months. Any larger number, addressed to names of subscribers, $1.60 each.

An extra copy will be sent to every club of ten. Twenty copies to one address, one year, $28, and any larger number at the same price.

Two extra copies will be sent to clubs of twenty.

These rates make the WEEKLY HERALD the cheapest publication in the country.

Terms, cash in advance. Money sent by mail will be at the risk of the sender.

A generous portion of the WEEKLY HERALD will be appropriated to Agriculture, Horticulture, Floriculture, Pomology, and the management of domestic animals. Particular attention will be paid also to Reports of the Markets.

The aim will be to make the WEEKLY HERALD superior to any other agricultural and family newspaper in the country.

Every number of the WEEKLY HERALD will contain a select story and the latest and most important news by telegraph from all parts of the world up to the hour of publication.

During the session of Congress the WEEKLY HERALD will contain a summary of the proceedings, with the latest News by telegraph from Washington, Political, Religious, Fashionable, Artistic, Literary, and Sporting Intelligence; Obituary Notices, Varieties, Amusements, Editorial Articles on the prominent topics of the day, a review of the Cattle and Dry Goods Markets, Financial and Commercial Intelligence, and accounts of all the important and interesting events of the week.

The HERALD employs no agents in the country nor in distant cities to canvass for subscribers, as none are necessary. Any person pretending to be an agent for the WEEKLY HERALD should be treated as a common swindler. The club system has abolished the agency system. It is safe and cheap.

The price of subscription, whenever practicable, should be transmitted by Post Office Orders. It is the safest mode of transmitting money by mail.

At small Post Offices in the country where Post Office Orders cannot be obtained, money may be remitted in Registered Letters.

Advertisements, to a limited number, will be inserted in the WEEKLY HERALD.

Price of the DAILY HERALD, four cents a copy. Annual subscription price, $12, always in advance.

Write the address on letters to the NEW YORK HERALD, in a bold and legible hand, and give the name of each subscriber, of Post Office, County and State so plainly that no errors in mailing papers will be liable to occur. 98
