Chicago Gossip.

J. P. Bickell & Co. says at the close:

Wheat—Weak cables and moderate increase in receipts induced heavy profit-taking, but on extreme break character of buying was excellent, closing market shade lower for July and 1c lower for May. Situation from a supply and demand standpoint a strong one. Fluctuations for May probably be severe. Possibilities of July future enormous. Buy July wheat.

Beaty & Glassco, 14 West King-street, received the following:

Wheat—Extreme nervousness and irregularity characterized trading to-day. This is not a new feature, but it was more pronounced than usual. The market was weak early, but later on buying of moderate quantities was all that was required to turn the attitude of the crowd from general bearishness to the opposite. Closing rally was on crop damage reports from the southwest. We can advise purchases on the weak spots, accepting scalping profits.

Ennis & Stoppani wired to D. Urquhart, at the close:

Wheat—Under the influence of favorable weather, lower cables and bearish statistics, outside of the decrease in the visible, wheat had a good reaction to-day, with selling of a general character. We would take advantage of this setback to buy wheat.

Corn—Market ruled easy and lower under general selling by commission houses and cash interests, while there was scattered buying on resting orders and against the downs.

Oats—Market held relatively better than other grains. Support came from cash houses.

Market Notes.

All the leading butchers and abattoirs had buyers on the market purchasing cattle. One leading firm got 400 good to choice cattle.

There were more choice cattle on the market than at any time since the Christmas market, and more than will be on sale for the rest of the week, which speaks volumes for Western Ontario.

The best load of butchers was bought by Galt butchers, Thomas Allison & Sons—24 heifers, 1080 lbs. each, equal in quality to the best exporters, at $5 per cwt. These cattle were brought in by Drover Cronin of Dublin, Ont., and sold by McDonald & Halligan.

New Commission Firm.

D. & J. A. Coughlin, live stock salesmen and forwarding agents, have entered the list of commission live stock salesmen, having offices at both markets. These gentlemen do not require any introduction, as they are well known to the trade in Canada, as well as on the British markets. The name of Coughlin has been connected with the export trade almost from its inception. D. Coughlin & Co. of Winnipeg will represent them in the west. J. A. Coughlin, assisted by Frank Heal, will have charge of cattle sales on these markets, Room 10, Union Stock Yards, and Room 15, at the Western Cattle Market. Phones, Junction 459, and Park 2488.

J. H. Ashcroft of Chicago, who has been a visitor at the market for the past week, speaks in the highest terms of the Union Stock Yards and of the outlook for their future success.

Montreal Live Stock.

MONTREAL, March 1.—(Special.)—At the Montreal Stock Yards West End Market the receipts of live stock for the week ending Feb. 27 were 1921 cattle, 205 sheep and lambs, 1784 hogs and 356 calves, while the supply for local consumption this morning consisted of 1000 cattle, 60 calves, 1200 hogs and 125 calves. There have been no new developments in the local live stock situation since this day week, prices having been firmly maintained for cattle on account of the small supplies coming forward, which is due to the Lenten season now being in full force, and the fact that the consumption of beef is curtailed to some extent. Owing to the fine weather, local buyers were in fairly large numbers, and, as there were also a few out-of-town butchers present, who all wanted some cattle, the demand was ample to absorb all the offerings and a good trade was done. As the prospects are that prices for cattle will rule higher later on, in the season, some of the wholesale butchers have made contracts with drovers for several carloads at 5¼c per pound for delivery on April 1, and at 5¾c for May 1. Cable advices from Liverpool reported the market firmer on account of cold weather, but stated that the trade was slow. There was no demand here from exporters for supplies. Choice steers sold at 5½c; good at 5c to 5¼c; fair at 4½c to 4¾c; medium at 4c to 4½c; good cows at 3½c to 4¼c; common at 2½c to 3¼c; choice bulls at 4½c to 4¾c, and lower grades at 2½c to 4c per pound. The market for sheep and lambs continues very quiet on account of the limited supplies coming forward, and prices show no change as compared with a week ago. The demand is in excess of the offerings, consequently the competition between buyers is very keen, and sales of choice lots of lambs were made at 6½c to 7c; good at 5¾c to 6¼c; choice sheep at 4¼c to 4½c, and culls at 3½c to 4c per pound, as follows, that is to say: Commencing at the northwesterly angle of said block, being at the intersection of the easterly limit of Mohawk-avenue with the southerly limit of Iroquois-avenue; thence southerly along the easterly limit of Mohawk-avenue one hundred and fifty-eight feet; thence easterly, parallel with the southerly limit of Iroquois-avenue fifty-eight feet; thence northerly, parallel with the easterly limit of Mohawk-avenue, one hundred and fifty-eight feet, to the southerly limit of Iroquois-avenue; thence westerly along said southerly limit fifty-eight feet, to the place of beginning.

The property will be offered for sale, subject to a reserve bid, which has been fixed by the said Master.

On the said lands there is erected a frame dwelling.

Terms of Sale

Ten per cent. of the purchase money to be paid at the time of sale, and balance within thirty days thereafter, with interest at six per cent. per annum. The lands will be sold subject to a mortgage bearing date the first day of May, 1908, in favor of Charles Simpson Boone, to secure payment of $1500 and interest at 7 per cent. per annum.

The property will be sold subject to all drainage and local improvement rates and assessment of whatsoever nature, wherewith the said lands may be chargeable, and also subject to taxes, if any unpaid.

The vendors shall not be required to furnish abstract of title or to produce any deeds or copies of deeds or papers not in their possession or control.

In all other respects the terms and conditions of sale will be the standing conditions of the High Court of Justice for Ontario. Further particulars can be had from BEATTY, BLACKSTOCK, FASKEN & CHADWICK, No. 58 Wellington-street East, Toronto, Vendor's Solicitors.
