(SPECIAL CORRESPONDENCE OF THE SUN.)

NEWCASTLE, Jan. 2.—Tenders are asked for building a new Methodist church at Campbellton. The congregation now worship in a structure entirely too small for the existing needs of that body.

New Year's day was spent here in a manner differing very little from the customs prevailing in the past. The customary services were held in the Episcopal and Roman Catholic churches, which were well attended. The skating rink was in full blast, and the curlers tried their hand at the roarin' game. The ice was rather sticky for good play, owing to the mild, damp weather prevailing. The "callers" were out seeing their friends, some driving, others on foot, the number apparently being scarcely up to that of previous years. Horse-flesh was in great demand, every available team being in requisition; and while the seniors drove in single and sean, the juniors were out in force with their dog-teams to share in the enjoyment. Crowds of small boys and bigger ones too, who well deserved a sound horsewhipping for their impertinent conduct, stood at one of the principal corners and at times indulged in snowballing passers-by, accompanied with very unbecoming language. The policeman stopped it as far as he was able, but as he could not be at every corner at the same time, the ruffians pursued their tactics pretty much as they liked. One or two upsets were reported as the result of this abominable practice. The flyers were out on the ice on the river opposite Newcastle, where there was a clear stretch about a quarter of a mile in length. The sport in one case came very near being attended with serious results. One of the horses was a colt of Columbus, a speedy animal owned by W. S. Brown. Attached to a racing sleigh, and driven by John McKeen, the animal was trotting along well to the front of all others, when all of a sudden one of the runners stuck into a little drift of snow covered with a crust, and before it got through it broke short off at the axle. The driver fell, but pluckily held to the ribbons, throwing himself to one side of the debris, and in this way just managed to escape the heels of the animal, as it became frightened and kicked out several times with considerable force. The runaway was stopped a few yards further on, the damage to the vehicle being the only casualty.

The Baptists held a very interesting Sunday school gathering in the afternoon and evening, in the church here, the building being tastefully decorated for the occasion. Prizes were distributed to several of the scholars for punctuality, etc., and besides there were presents of candy, etc., for all the scholars, displayed on a large Christmass tree. The children, teachers, parents and friends sat down to an excellent repast, after which the evening was made enjoyable with music, etc. All present enjoyed themselves. The pastor is the Rev. I. E. Bill, jr.

One Experience of Many.

Having experienced a great deal of

"Trouble!" from indigestion, so much so that I came near losing my

Life!

My trouble always came after eating any food—

However light
And digestible,

For two or three hours at a time I had to go through the most

Excruciating pains,

"And the only way I ever got"

"Relief!"

Was by throwing up all my stomach contained!! No one can conceive the pains that I had to go through, until

"At last?"

I was taken! "So that for three weeks I lay in bed and

Could eat nothing!!!

My sufferings were so that I called two doctors to give me something that would stop the pain.

Their efforts were no good to me.

At last I heard a good deal

"About your Hop Bitters!

And determined to try them."

Got a bottle—in four hours I took the contents of

One!!!!

Next day I was out of bed, and have not seen a

"Sick!"

Hour, from the same cause, since.

I have recommended it to hundseds of others. You have no such

"Advocate as I am."
