### Hockey Gossip

The Toronto professionals made strenuous efforts to secure Frank Rankin, of St Michael's, yesterday, but up to a late hour last night they were unsuccessful.

Bill Hyland of last year's Eaton team, turned out with the T.R. and A.A. last night, and will likely figure in their next game against Parkdale.

St. Michael's yesterday consented to play an exhibition game with Preston in Hamilton to-morrow night. Some objection was raised about T. R. and A.A. playing Preston, owing to both being in the same group.

Torontos and Tecumsehs meet tomorrow night in the N.H.A. series. Given hard ice, the contest should be a close one.

The Eaton A.A. House Hockey League open their season to-night with two games and a skating party at Victoria College rink. The first game is in the junior series at eight p.m. between the general office and main floor, while the printing and the mail order will battle it out, commencing at 9 p.m. Fred C. Waghorne will handle the whistle in both games.

## Local Juniors

### *Hand the Hams a Trimming in a Fast Game by a 5 to 2 Score.*

The local juniors redeemed themselves in every way last night at Hamilton by handing the Ambitious City youngsters a 5 to 2 beating. The game, which was fast and featured by hard checking throughout was one of the best contests ever put up by the juniors. The teams lined up at 8.30 sharp with Art Anglin of Toronto holding the whistle. The Brantford kids were the first to show and made the play very lively for a couple of minutes, but the change from natural to artificial ice seemed to handicap them, and many an early attempted rush was lost by a local player falling. After 3 minutes of fast play, Parker came through the entire Brantford line-up for the Hams, first score. Four minutes later the Hams youngsters notched another the forward line playing beautiful combination and McClung put a hard one by Berry, who was playing a magnificent game in the nets. With a margin of two tallies against them, the local kids carried the play into the red shirts territory. Time after time the boys rained shots on the home crew's citadel, but the clever work of Sloan in goal and Parker at cover was responsible for the score being kept down. Twelve minutes after the game started Brantford scored their first counter, the "Gold Dust Twins" Klersey and O'Connor doing the trick. Klersey taking the shot. Three fast minutes of end to end play followed and both goals were in danger many times. The local lads kept the rubber in the homesters territory most of the time and O'Connor put a pretty one past Sloan from centre ice, and with the score tied the crowd went wild with excitement. At this stage of the game the Brantford crew had found their feet and were checking back very strongly, Pace and Klersey stopping many a dangerous looking rush, while Bragg at point, saved many a goal. The teams played clever hockey for the balance of the half and when the bell rang for the rest period the score was even up—2-2.

When the game was resumed the local kids were first to get going and in 30 seconds the puck was carried to the Hamilton nets, but clever guardianship on the part of Sloan, kept the Brantford boys from scoring. During the interval Manager Hanley moved O'Connor up to the forward line and it was a wise move. This kid is the most likely looking player that has ever put on the blades. He is a hard check and very fast on skates, and is also a clever stick handler. The game was at this time fast and furious, but the local boys gradually but surely outplayed and outskated the Hamilton boys and two minutes after play was resumed Summerhayes put Brantford in the lead from a pass from behind the net. With victory in sight the visitors put up a determined battle. Every time the Hamilton line broke away for a rush the locals skated them hard and consequently either Summerhayes or Bragg would break up the rush. Time and again Bragg carried the puck from his goal into the enemy's territory, while the forwards followed up fast and 4 minutes later Cassidy banged in another tally for the yellow and black Hard checking then became the order and Klersey and Pace showed their calibre in this department. The play during the last ten minutes was practically all confined to the Hamilton end. The mistake of the Brantford boys in not boring in closer on the goal after a shot, kept the score down, but Pace made the score 5 to 2 with a pretty shot five minutes later. With five minutes to go the teams played hard and Referee Anglin penalized players on both sides for over-hard checking and trips. The whistle for time found the play centered around the home goal.

Of the Hamilton team, Parker, McClung and Boyd played clever hockey, but three men do not make a hockey team, and after the first ten minutes of play their efforts were practically individual. Of the local team, O'Conor and Bragg were the shining lights, while Berry made a strong guardian of the nets. Outside of a few trips, the game was very clean, Referee Anglin giving excellent satisfaction. The teams:

Hamilton (2)—Goal, Sloan; point, Ott; cover, Parker; rover, McClung; centre, Green; left wing, Crawford; right wing, Boyd.

Brantford (5)—Goal, Berry; point, Bragg; cover, Summerhayes; rover, Pace; centre, O'Connor; left wing, Cassidy; right wing, Klersey. Referee, A. Anglin, Toronto. Attendance 400.

## AFTER EFFECTS OF LONG ILLNESS

**Speedily Vanish When You Use Dodd's Kidney Pills.**

**Loren G. Ladd only found complete relief after using the Great Canadian Kidney Remedy.**

LADD'S MILLS, Stanstead Co., Que., Jan. 13 (Special)— That the seeds of disease left in the body after an illness are sure to cause trouble is the experience of Loren G. Ladd, a well known young man in this community. Mr. Ladd has also learned that those seeds can be cleared out of the body and perfect health restored by Dodd's Kidney Pills.

"At the age of six I had Scarlet Fever," Mr. Ladd states. "At twelve I had Typhoid Fever, and at fourteen I had Measles. About a year later I began to be troubled by swellings of the face feet and hands. The doctor told me I had Kidney trouble. He gave me medicine but the swellings continued to come at intervals of a week to a month.

"Two years ago one box of Dodd's Kidney Pills stopped the swellings. Last winter the swellings returned and again I was cured by using Dodd's Kidney Pills."

Healthy Kidneys strain the seeds of disease out of the blood. Dodd's Kidney Pills make healthy kidneys.

## HEADACHY, BILIOUS, UPSET? "CASCARETS."

**BILIOUS, THROBBING HEADACHE MEANS BOWELS ARE CLOGGED AND LIVER STAGNANT.**

You're bilious, you have a throbbing sensation in your head, a bad taste in your mouth, your eyes burn, your skin is yellow, with dark rings under your eyes; your lips are parched. No wonder you feel ugly, mean and ill-tempered. Your system is full of bile not properly passed off, and what you need is a cleaning up inside. Don't continue being a bilious nuisance to yourself and those who love you, and don't resort to harsh physics that irritate and injure. Remember that most disorders of the stomach, liver and intestines can be quickly cured by morning with gentle, thorough Cascarets— they work while you sleep. A 10-cent box from your druggist will keep your liver and bowels clean; stomach sweet and your head clear for months. Children love to take Cascarets, because they taste good and never gripe or sicken.

The Boston Festival Orchestra Club will again delight our music lovers at the Schubert Choir Concert.

**A WONDERFUL CURE.**

Just think of it, a cold cured in ten minutes— that's what happens when you use "Catarrhozone." You inhale its soothing balsams and out goes the cold—sniffles are cured—headache is cured— symptoms of grippe disappear at once. It's the healing pine essences and powerful antiseptics in Catarrhozone that enable it to act so quickly. In disease of the nose, for irritable throat, bronchitis, coughs and catarrh it's a marvel. Safe even for children. 25c. and $1.00 sizes at all dealers.

**DEAFNESS CANNOT BE CURED** by local applications, as they cannot reach the diseased portions of the ear. There is only one way to cure deafness, and that is by constitutional remedies. Deafness is caused by an inflamed condition of the mucous lining of the Eustachian Tube. When this tube is inflamed you have a rumbling sound or imperfect hearing, and when it is entirely closed, Deafness is the result, and unless the Inflammation can be taken out and this tube restored to its normal condition, hearing will be destroyed forever; nine cases out of ten are caused by catarrh, which is nothing but an inflamed condition of the mucous surfaces.

We will give One Hundred Dollars for any case of Deafness (caused by catarrh), that cannot be cured by Hall's Catarrh Cure. Send for circulars. free.

## Nature's Way Is The Best.

Buried deep in our American forest we find bloodroot, queen's root, mandrake and stone root, golden seal, Oregon grape root and cherrybark. Of these Dr. R. V. Pierce made a pure glycerie extract which has been favorably known for over forty years. He called it "Golden Medical Discovery."

This "Discovery" purifies the blood and tones up the stomach and the entire system in Nature' own way. It's just the tissue builder and tonic you require when recovering from a hard cold, grip, or pneumonia. No matter how strong the constitution the stomach is apt to be "out of kilter" at times; in consequence the blood is disordered, for the stomach is the laboratory for the constant manufacture of blood. Dr. Pierce's Golden Medical Discovery strengthens the stomach—puts it in shape to make pure, rich blood—helps the liver and kidneys to expel the poisons from the body. The weak, nervous, run-down, debilitated condition which so many people experience at this time of the year is usually the effect of poisons in the blood; it is often indicated by pimples or boils appearing on the skin, the face becomes thin—you feel "blue."

J. G. Kunz, Esq.

"More than a week ago I was suffering with an awful cold in my head, throat, breast, and body," writes Mr. James G. Kunz, of 710 L Street, S. E., Washington, D. C. "Some called it La Grippe, some pneumonia. I was advised by a friend to try a bottle of your 'Golden Medical Discovery.' I tried a bottle and it did me so much good that I feel safe in saying it is the greatest and best medicine that I ever took. My health is much better than it was before using your medicine. It does all you claim for it and is satisfactory."

CHICAGO, Jan. 15.—Jack Johnson, the negro heavyweight pugilist, was taken to the county jail here last night to await the judgment of Judge George K. Carpenter, of the United States District Court, as to whether his bail bond of $30,000 should be forfeited.

When the pugilist's party, consisting of his white wife, two white secretaries and valet, reached here after being turned back at Battle Creek, Mich., from a Canada-bound train, Johnson asked to talk over the telephone to Charles F. Dewoody, Superintendent of the United States department of justice. At the conclusion of the conversation, Johnson told Deputy Marshal Meyers that Mr. Dewoody would allow him to spend the night at his own home.

Meyers refused to accept the order unless given from Mr. Dewoody direct. The pugilist and his retinue were then taken in automobiles to Mr. Dewoody's residence.

'Johnson, if you did not mean to stay out of the jurisdiction of the Federal court, why did you ship two of your automobiles to Canada?'" demanded Mr. Dewoody. The pugilist hesitated in his reply, and Mr. Dewoody gave him his choice of being held in a hotel in Chicago in care of
