TOO COSTLY.

Plans for Altering Rideau Hall Seem Nipped in the Bud.

OTTAWA, Sept. 26.—(Special.)—It is probable that new tenders for the proposed addition to Rideau Hall will be called for as soon as Hon. Wm. Pugsley, minister of public works, has had an opportunity to take the matter up.

Only one tender for the work has been received so far, and that is in the neighborhood of $300,000.

It was never intended by the government to make any such magnificent expenditure on the old building now used as the home of vice-royalty, as the present house might better be destroyed, and an entirely new one built.

Parliament appropriated $100,000 last session for the enlargement of the hall, and a total expenditure of $150,000 was contemplated.

LOCAL TOPICS.

Mr. R. Y. Eaton, first vice-president of the T. Eaton Company, Limited, Toronto and Winnipeg, has been appointed a director on the board of the Sterling Bank of Canada, to take the place of Mr. J. C. WONDER VEIN ON NIPISSING.

Hamilton Happenings

WHAT WILL ASSESSMENT PAPERS DISCLOSE?

Jury at Hamilton Investigated the Death of William McBride—Reception Tendered Pastor.

HAMILTON, Sept. 26.—(Special.)—The finance committee this evening decided to ask for tenders for printing the assessment rolls. They were urged to take that course by the Trades and Labor Council, the representatives of which declared that the publication of the rolls would prove an eyeopener in the way of showing injustices in assessments.

The Hamilton, Waterloo and Guelph Railway Company got a couple of changes made in its bylaw. One will allow it to have a seven-foot devil-strip and the other releases it from obligation not to charge more than two cents a mile single fare and 1 3-4 cents return fare. The company said that its intention was to charge less than this, but claimed that this clause in the bylaw would be an outside one in the way of selling bonds.

The contract of printing the voters' list was given to The Spectator at 45 cents an inch. A committee was named to see how much the owners of property adjoining the coal oil inlet would be willing to contribute towards the cost of filling in the inlet. The bylaw to return to the ward system was sent on the council.

The fire and water committee will be asked for an explanation of its action in laying a main on Ashley-street without the permission of the council when it had no appropriation for the work.

The jury that investigated the death of William McBride, run down by a street car on South Locke-street last Saturday afternoon, brought in a verdict of accidental death, with no blame attached to anyone.

A reception was tendered this evening by the Herkimer Baptist Church to their pastor, Rev. Hugh McDairmid.

Reginald Everrett, Sophia-street, was arested this afternoon on the charge of frightening school children.

Analyzed City Water.

To-day Dr. McRoberts, the medical health officer, got Prof. Aymot's analysis of the city water. Five samples were tested, one from each filtering basin, two from taps in the city, and one from the lake. The peculiar feature of the test is that the presence of colon bacilli was found in the sample taken from the lake. In fact, it was found in all the samples except the one from the southern basin. The test is quite satisfactory to Dr. Roberts. The professor says there are indications that the filtering basin water is being tainted from some source.

Fred Taylor and John Dale, the two men who pleaded guilty to a charge of stealing dynamite, were released by the magistrate this morning, who told them to come back for sentence Monday, after doing what they thought best towards reimbursing the man from whom they stole the stuff.

Mr. Walker Dies Abroad.

A cabegram was received here today, announcing the death in London, England, of ex-Ald. Frank E. Walker, who had just arrived there on a trip in search of health. He was accompanied by his daughter, Eethel, and left Hamilton a wee kago last Saturday. The deceased was the proprietor of the Frank E. Walker Furniture Co., a license commissioner, and a member of the parks board. In the years 1900 and 1901 he was a member of the city council and was chairman of the parks board in 1905-6. Foot-rite Shoes in Hamilton.

A racing man who has been watching the publicity campaign of the Foot-rite Shoe Company in Hamilton offers to lay odds that the attendance at the Trudell and Tobey's opening on Saturday will be larger than that of the Foot-rite opening in Peterboro, when 5000 people came to the store in answer to the invitation. The home of the Foot-rite shoe store in Hamilton will be in one of the handsomest stores in Canada. Great interest is taken in the new store of the two T's.

WHY LINE IS DELAYED.

President Shaughnessy of C.P.R. Says It's Due to Other Expenses.

OSHAWA, Sept. 26.—(Special.)—In a letter to Mayor Fowke of Oshawa, President Shaughnessy, referring to the proposed C.P.R. direct line between Toronto and Montreal, says:

"We have not lost sight of the proposed line thru Oshawa to Toronto, but the Sudbury extension and the Guelph and Goderich have not only cost a great deal more money than we anticipated, but the time occupied in their construction has exceeded the estimate by a year or more.

"Present conditions of the money market do not encourage much railway construction, but I trust that another year there will be improvement.

"Meantime I have not changed my views as to the desirability of the connection with which you are specially interested."

CAUGHT DISEASE IN JAIL.

L. T. Nettleton Awarded Damages and Costs in Court at Brockville.

BROCKVILLE, Sept. 26.—(Special.)—An interesting case has just been concluded at the sittings of the assize court, presided over by Sir William Mulock. It was an action brought by L. T. Nettleton of Prescott against the Prescott corporation for $3000 damages, arising out of an arrest of the plaintiff in April last on a warrant sworn out at Cobalt, charging him with the theft of mining stock bonds.

While confined in the lock-up at Prescott, he claims he contracted Bright's disease thru exposure to cold and going without proper food.

The jury awarded him $250 damages and costs.

THEY WANT MORE.

Civil Service Commission Receives Further Requests.

The inland revenue and excise men, and the inspectors of gas and electric light and weights and measures appeared before the civil service commission yesterday.

The gas and electrical branch suggested that this part of the service be divided into three classes and given an increase of pay of about 30 per cent. on the following scale: First class, those producing $10,000 up, $2000, rising to $2400 a year; second class, producing over $5000, $1600, rising to $2000, a year; assistants to start at $800, rising to $1200.

The public works' mechanical staff asked for an increase to correspond with salaries paid in other departments, and the clearing staff, watchmen and elevator men preferred a similar request.

The meteorological service employes said they were under great disadvantage for the want of office room, and suggested that the government should erect a new building. They also asked a 30 per cent. increase.

KINGSTON OLD BOYS.

Already Arranging for Next Year's Excursion.

The Kingston Old Boys' Association met last evening in the Dominion Business College, with President G. W. Gaden in the chair. The vice-president, George B. Sweetnam, presented a most gratifying report on the last annual excursion to Kingston, and announced that the train had been secured for next July. Two hundred dollars were transferred to the permanent excursion fund, which now amounts to $400.

A gold and enamel emblem button of the design of a Martello tower was ordered for each member. A beautiful illuminated address is to be presented to Col. Sir Henry M. Pellatt, one of the honorary members.

The next meeting will be held on Nov. 28, to which representatives of every other Old Boys' Association in Toronto will be invited.

NEW CHURCH DEDICATED.

St. Cyprian's Anglican Congregation Have a New Edifice.

The dedication ceremony of the new St. Cyprian's Church at the corner of Follis and Manning-avenue took place last evening. Archbishop Sweetman, Bishop Reeve and the rector, Rev. C. A. Seager, conducted the services, which were of an impressive character. The church was filled to overflowing. The soloists were: Mrs. S. J. Bland and Mr. R. Smith.

The new church, of which the foundation stone was laid last St. Cyprian's Day, cost $15,000, and has a seating capacity of 750. Among the many clergymen present were: Rev A Hart, Rev Canon McNab, Rev Mr Broughall, Rev Mr McCausland, Canon Farncomb, Rev W E Cooper, Rev C C James and Rev Mr Paget. The beautiful and elaborate decorations were done by a committee of ladies.
