Poetry, &c.

WELCOME TO THE QUEEN.

Fondly will our songs awaken
Joyful strains of bright renown,
To a Queen whose virtues blazon,
More than gems, her royal crown!
Gladly will we wake a welcome,
With a high and pure acclaim,
Wreathing with love's golden blossoms
Garlands to adorn her name!
Lovingly and well we'll offer
Friendship's and affection's hand,
While her smile, like sunshine, brightens,
Gazing on our own lov'd land!

Golden autumn smiles around us,
Beautiful as fancy's dreams;
And the sweet birds' choral numbers
Swell the music of the streams!
Melody is floating ever
On the zephyr's halcyon wing;
Fairy sounds, in gentle murmurs.
Through the leafy woodlands ring!
All, translated, sweetly utter
Words to welcome majesty—
Words that overflow with kindness,
As the flood flows to the sea.

Thus their accents—Thou art welcome
To the glen and mountain wild—
To the land whose rugged grandeur
Thrills the heart of nature's child!
Where the glassy waters mirror
Scenes all eloquently fair
As romance's dreamy visions,
Beautiful beyond compare!
To the land where sleeps the warrior
Soundly, by his rude-built cairn—
To the hills where rests the martyr
Underneath the waving fern.

Welcome! Scotland bids thee welcome!
To the scenes that evermore
Mingle in the stirring mem'ries,
Linked with storied days of yore—
Where the mountain heavenward soaring,
Lifts on high its rugged form,
And aprears its mighty bulwarks
To defy the frowning storm!—
Where the purple heather blossoms—
Where the eagle builds its nest—
Where the red deer bounds at noontide—
And at eve sinks down to rest!

TESTIMONY FROM
FRANCE AND PRUSSIA
TO THE MERITS OF
SANDS' SARSAPARILLA.

THE fame of this preparation is not confined to the limits of our own country, but by its powerful agency in arresting and curing disease, has won its way successfully into different countries in Europe, as the following unsolicited testimonials from individuals of the highest respectability shows in the most conclusive and satisfactory manner. The same happy success has attended its use there, which has *always* marked its course where ever adopted, and diseases have yielded to its health-restoring influence which Medical Men of profound skill had pronounced incurable. The most potent simples of the vegetable kingdom are united in this preparation, and the combination is such that one modifies and improves the other, and under the name of *Sands' Sarsaparilla*, is presented a compound differing entirely in its character and properties from any other preparation, and unrivalled in its operation on the system when laboring under disease. Its approval by Physicians and men of Science, and the uniform success which has marked its use, furnishes proof sufficient to convince every candid and discerning mind of its great superiority and value.

LEGATION UNITED STATES,
Berlin, Prussia, April 8, 1845.

Messrs. A. B. & D. SANDS:

Gentlemen—Having seen your Sarsaparilla used in this City with great effect in a severe case of Scrofula, I have been requested to order three dozen bottles, which please send, on the payment of the enclosed draft on Messrs. Hinchin & Unkhart with the *least possible delay*. I am inspired only by a feeling of philanthropy, in begging you to publish this unasked testimony to the value of a medicine which, widely as it is known, is not known as it ought to be.

I am, gentlemen,
Respectfully yours, &c.
THEODORE S. FAY.

The following is an extract from a letter received from Mr. Mace, whose wife had been afflicted with a scrofulous affection of the nose, which baffled the skill of the first physicians in France, it commends itself to the attention of all.

RENNES, DEPARTMENT OF ILLE & VILAINE,
France, July 17, 1845.

Messieurs SANDS:

The Sarsaparilla sent has been received, and the great benefit my wife has derived from its use upon a short trial, as well as the high recommendations we have received, gives us great hopes of being able to cure with this medicine a disease that the most celebrated physicians of France have not been able to effect. My wife is fully determined to continue its use until a perfect cure is effected, and fearing what we now have will not be sufficient, please send us some more without delay, and be assured, gentlemen, we shall take pleasure in making known its great virtues to our friends and the public; and I doubt not that it will soon be extensively used here, and all over the world, and that many afflicted sufferers will hail with joy the knowledge that there is a vegetable preparation sufficiently powerful to eradicate their diseases. I have the honor to remain,

Yours respectfully,
J. MACE,
No. 1, Rue Louis Philippe.

The following is an extract from a letter received from Mrs. Bevan, who had been afflicted for several years with Scrofulous Ulcers, Dyspepsia, &c. and recently with an affection of the Throat and Chest.

BAILEYSBURG, Va. Dec. 13th, 1845.

Messrs. A. B. & D. Sands.—Before I commenced using your Sarsaparilla, my sufferings were almost past expression; my throat was completely ulcerated, I had a dreadful cough, and there were frequently weeks together that I could not speak above a whisper; and besides, the inflammation from my throat extended to my head, so that my hearing was very much impaired. After taking the Sarsaparilla a short time, my health improved, and my throat is now well; I am as free from cough and tightness of the chest as ever I was, and can hear quite distinctly. My throat has been well about three months, the cure of which has been effected entirely by the use of your Sarsaparilla. Your friend, LOUISA R. BEVAN.

For further particulars and conclusive evidence of its superior value and efficacy, see pamphlets, which may be obtained of Agents gratis.

A NATURAL REMEDY
Suited to our Constitutions, and competent to the cure of every curable disease, will be found in
WRIGHT'S INDIAN VEGETABLE PILLS
OF THE
NORTH AMERICAN COLLEGE OF HEALTH.

THESE extraordinary Pills are composed of plants which grow spontaneously on our own soil; and are therefore better adapted to our constitutions, than medicines concocted from foreign drugs, however well they may be compounded; and as the INDIAN VEGETABLE PILLS are founded upon the principle that the human body is in truth,

SUBJECT TO BUT ONE DISEASE,
viz: corrupt humors, and that the said medicine cures this disease on

NATURAL PRINCIPLES,
by cleansing and purifying the body; it will be manifest, that if the constitution be not entirely exhausted—a perseverance in their use, according to directions, is absolutely certain to drive disease of every name from the body.

When we wish to restore a swamp or morass to fertility, we drain it of the superabundant waters; in like manner, if we wish to restore the body to health, we must cleanse it of impurity.

The Indian Vegetable Pills will be found one of the best, if not the very best, medicines in the world for carrying out the

GRAND PURIFYING PRINCIPLE,
because they expel from the body all morbid and corrupt humors, the cause of disease, in an easy and NATURAL MANNER, and while they every day

GIVE EASE AND PLEASURE,
disease of every name is radidly driven from the body.

CAUTION.

The citizens of New England are respectfully informed that in consequence of the great popularity which the above named Indian Vegetable Pills have earned by their astonishing goodness, a gang of counterfeiters are now industriously engaged in palming on the unsuspecting, a valueless and perhaps dangerous medicine, under the name of Indian Vegetable Pills.

This is to inform the public that all genuine medicine has on the boxes
WRIGHT'S INDIAN VEGETABLE PILLS
(Indian Purgative.)
OF THE NORTH AMERICAN COLLEGE OF HEALTH

And also round the border of the label, will be found in small type, "*Entered according to Act of Congress in the year* 1840, *by* WM. WRIGHT, *in the Clerk's office, of the District Court, of the Eastern district of Pennsylvania.*"

It will further be observed that the printed directions for using the medicines, which accompany each box are also entered according to Act of Congress and the same form will be found at the bottom of the first page.

The public will also remember, that all who sell the genuine Indian Vegetable Pills are provided with a certificate of Agency, signed by
WILLIAM WRIGHT, VICE PRESIDENT
*Of the North American College of Health
