Messengers of Peace

MILLIONS NOW LIVING WILL NEVER DIE,

Peace, happiness and contentment mean more than an assurance that turmoil among nations shall end.

The World Peace so much discussed by nations seems to promise much, but each plan is associated with announcements of greater amendments, poison gas attacks and schemes for annihilating neighbour nations.

Such messages of peace do not beget a feeling of security.

The peace that mankind seeks—peace that grows with assurance of undisturbed progress—is the peace the Bible foretells; the message of all its writers.

If you would "Delight yourself in the abundance of Peace" and love the appearing of "The Prince of Peace," hear the lecture in
