WISCONSIN'S FRESHMAN RACE.

Saturday's C. A. A. O. Regatta Postponed Until To-Day on Account of Rough Water.

Poughkeepsie, June 30.—Not a record-breaker, but one of the most magnificent races in the history of college aquatics for years was the 'Varsity race, rowed on the Hudson River course this afternoon. Following it was an equally exciting two-mile brush among the freshmen crews, and then it was so dark that the four-oared race had to be postponed until Monday. Here is the record:

University race, distance four miles; contestants, Pennsylvania, Wisconsin, Cornell, Columbia and Georgetown; conditions, smooth water, a rather brisk northwesterly wind and a fairly strong ebb tide; rowed at 5.35 o'clock. Pennsylvania won, time, 19.44 2-5 seconds; Wisconsin, 2nd, 19.46 2-5; Cornell, 3rd, 20.04 1-5; Columbia, 4th, 20.08 1-5; Georgetown, 5th, 20.19 1-5. In this event there was never at any time open water between the crews that finished first and second.

Freshman race—Distance two miles; contestants, Yale, Pennsylvania, Wisconsin, Columbia and Cornell; conditions, smooth water, little wind and a strong ebb tide; rowed at 5 p. m. Wisconsin won; time, 9.45 1-5; Pennsylvania, 2nd, 9.54 3-5; Cornell so close to Pennsylvania that her time was not taken; Columbia, 4th; time not taken.

The five crews in the four-mile event got their shells into position at 6.32. Three minutes later Referee Armstrong fired the pistol, and the men bent to their sweeps. Pennsylvania, Wisconsin, during the whole four-mile struggle, kept their shells lapped, and at no time was there clear water between them. The same was true of Cornell, Columbia and Georgetown. The fight between Pennsylvania and Wisconsin became so exciting from the continued uncertainty that the crowds aboard the observation train fairly lost themselves. As the Pennsylvania and the Wisconsin shells cut the finish line and began to lose momentum, the exhausted oarsmen, relaxing from their terrible work, shouted a pretty exchange of congratulations, while those aboard that part of the observation train opposite them raised their voices in hoarse shouts of approval.

To-Day's Rowing Program.

The preliminary heats that were to have been rowed off in the C.A.A.O. regatta on Saturday afternoon were postponed on account of the roughness of the bay, and the committee met Saturday night and made the subjoined drawing for to-day:

The program of Saturday will be run off this morning, and the most of the events will be held in the afternoon.

C. A. A. O. Annual Meeting.

The annual meeting of the Canadian Association of Amateur Oarsmen was held at the Queen's Hotel on Saturday night, with President George Gooderham in the chair, and these delegates present: Argonauts, W. Bright, F. H. Thompson; Toronto, S. P. Grant, F. J. Smith; Winnipeg, G. Hogan; Grand Trunk, Montreal, A. Powell, F. E. Stark; Ottawa, Darcy Scott, R. W. Nichols; Leanders, W. W. Osborne; Don, F. Lloyd, John O'Neil, and Secretary Macdonald.

The meeting brought forth some hot discussion over the early date of the regatta.

This was evidently expected by the committee, and the press were excluded.

The reason given for the holding of the regatta so early was in consideration of the clubs not well fixed financially, so said the committee.

The different reports were presented, and adopted. Tenez treasurer's showed a balance of $8.85, with fees to come from the regatta. The matter of admitting clubs to the association that are not in Canada was taken up, and it was decided not to take them into the association.

The application of the Bohemian Club of Brockville to hold a regatta at Brockville was taken up, and as the club are not members of the association nothing could be done with it. The three members of the committee, Darcy Scott of Ottawa, F. Grant, Toronto, and A. Hunter, Lachine, were re-elected to the committee. The amendment allowing an oarsman or sculler to only with two prizes, and then step down was defeated, and the bylaws stand as they were. A recommendation to print a new constitution and bylaws, with all changes, was passed, and it was also recommended to hold the regatta at Ottawa in 1901. The other officers stand as they were for another year.

Toronto Canoe Club.

The high wind Saturday prevented the Canoe Club boys from getting in any practice, the war canoe being blown from them over to see the lacrosse match. However, the boys are still very confident of making a good showing on Monday. Those who take part in the races will please be on hand at 2 o'clock sharp. The club will be open for members and their friends to-day.

Rev. J. C. Speer in His New Pulpit

Yesterday in Euclid-avenue Methodist Church the Rev. J. C. Speer, recently transferred from the British Columbia Conference, preached introductory sermons. In the morning his subject was "The Duty of the Church" and in the evening "The Duty of the Minister." Both sermons were heard with rapt attention by large audiences. Mr. Speer is a strong and graphic speaker, and keeps his subject thoroly in hand. His eloquence is pleasing and his thought robust and inspiring. A cordial reception was tendered Mr. Speer last Thursday evening, when a large and enthusiastic audience welcomed their new pastor in the lecture-room of the church.

First Fish Story—Next!

Kingston Whig: Tuesday afternoon, William Frank Kittle and Hiram M. Marshall were returning from Clayton to Robbins' Island, and when in the vicinity of Bluff Isle the skiff struck upon what seemed like a partly submerged log. In about an instance there was a quick lurch, a big splash and to their astonishment a huge sturgeon jumped into the boat and struck upon the middle seat with a bang. The fish measured seven feet and four and a half inches in length and weighed 89½ pounds. The "fresh water shark" was presented to Mr. Howarth, superintendent of Mr. Emery's nurseries on Robbins' Island.

Toronto in the Tenth.

Rochester, July 1.—Toronto and Rochester played the hardest hitting and most interesting game of the season before a Rochester crowd, at least, at Ontario Beach today. There were six home runs, five two-base hits and one triple. The game was a tie at seven each, in the ninth, and Toronto won out, with three runs, in the tenth. Two umpires were in use, Wren and McNamara. The former succeeds Sandy Griffin in the Eastern League, and he made a good impression to-day. Duggleby won his own game with a home run in the tenth, with two men on bases.
