A MISSING BREWER.

He Leaves Creditors in the Lurch to the Tune of $21,000.

SALEM, Ont., June 2.—Michael Doerbecker, brewer, has disappeared, leaving liabilities of $21,000. Many of the residents of Salem and Elora are his victims. A favorite plan of his to raise money seemed to have been to get some of his friends to sign a note with him for three months. When it was due he represented the bank wanted a renewal, and so he procured a second note, which was discounted without lifting the old one. In this way many have been muleted in large sums. It is said also that collections were freely made by Doerbecker just before leaving. A writ issued by Field & Wissler, on behalf of Messrs. Todd & Son, maltsters, Galt, brought matters to a crisis and led to lively times around the brewery. Doerbecker fled.

CRICKET.

'Varsity played Hamilton yesterday at Hamilton. 'Varsity had a hot day of fielding and was defeated by one inning and 94 runs. This result may be partly accounted for by the absence of two of the best players on 'Varsity's team, who were expected up to the time the match opened. For Hamilton Martin's bowling was especially destructive, while Martin, Fleet, Marshall and Hope compiled the bulk of the tall scoring. The score stood: Hamilton 178, 'Varsity 48 and 36.

At the Police Court this morning Daniel Deeley, an alleged insane person, was held not to be a subject for detention. M. O'Mara was fined $20 for forgetting to put a light in his barroom out in time.

—A general rearrangement was effected on the market this morning. The florists were placed in a line north of the market house, and the hucksters in the rear of the Dundas street stores. The latter were very wroth.

—Fireman J. Campbell, of the Central station, has been transferred to No. 3, and Fireman J. A. Swanwick, of No. 2, fills his place at the Central. The change is necessary owing to Fireman Brazier's (No. 3) mishap.

—The results of the 23rd semi-annual examination of the Ontario College of Pharmacy have been made known. The successful Londoners are: W. Geary and H. G. Stuart passed in all subjects; G. E. Kennedy passed by taking part subjects, having passed the remaining subjects at a previous examination; and R. Kernahan, who succeeded in passing in four subjects, and can register on them.

—The trustees of Siloam Methodist Church, London township, intend laying two corner stones in connection with their new church enterprisee on Wednesday, June 15, at 2 p.m. As already announced the first stone will be laid by Mrs. (Dr.) Eccles, the second by Mayor Spencer. Arrangements are being made for a picnic after the corner stones are laid, to be held in the late Capt. Waring's grove, at which Mr. Thos. McCormick will act as chairman, and for a band concert in the same grove in the evening by the 7th Fusilier Band.

—A fashionable wedding took place yesterday afternoon at the Northfield Mansion, Toronto, which witnessed the nuptials of Miss Maud Rutherford, fifth daughter of the late H. E. Rutherford, and Mr. Charles A. Pipon, manager of Molsons Bank in that city, and who was some years ago in the branch of the bank here. The Bishop of Toronto officiated, but the attendance was limited to the immediate friends of the families. Mr. and Mrs. W. Thomas, of this city, contributed to the large and valuable list of presents. After attending a bridal reception the newly-wedded pair left for New York on a three months' tour in Europe.

They Were Seven.

The city officials were favored with a call to-day by one Mrs. Thebow and her seven offspring, the eldest of whom was about 12 years of age. She desired to reach her husband, who was sick in Manistee, Mich., and had been sent from her home in Belleville to Toronto, the Queen City authorities passing the family on here. Mayor Spencer has sent them to Port Huron. The woman had only $2 in her pocket. London is made the dumping place for deadhead travelers by cities and towns on the east and the west. This is one advantage of a central position.

Band Concerts or Not?

"The band concerts on Victoria Park should be continued this season," remarked Mayor Spencer this morning. "I brought it up in the Council but the matter was dropped. These delightful affairs have become so popular that the public would miss them sorely. Besides, there is nothing that would so favorably impress a stranger with the city as a visit to Victoria Park on a band concert night, for there he can see London at its best. Last summer a prominent American, who had been in Japan regulating the Government mail system, paid me a visit. We went to the park one evening, and he was more than pleased with the surroundings and the music. He said his delight would reach the maximum if the band would play the 'Marseillaise.' Bandmaster Hiscott did so by special request, and my friend returned home in raptures over the beauty of the Forest City." ADVERTISER reporters have made a vigorous canvass in the matter, and all to whom they have spoken say it would be a sad lack of enterprise if there were no concerts this summer.

The Dehorning Commission.

The dehorning commission, composed of Hon. Chas. Drury (chairman), J. J. Kelso (secretary), Andrew Smith, V.S., Richard Gibson, D. M. McPherson and Henry Glendinning heard the evidence of the following gentlemen at the Court House yesterday afternoon: John Geary, of London township, president of the Western Ontario Dairymen's Association; W. A. Elliot, a practical operator who has dehorned 400 cattle; Levi Fletcher, of Lambeth, farmer; John A. Dicy, of White Oak, farmer; Samuel C. Millson, of Glanworth, farmer; Wm. S. York, of Dorchester, farmer; Hiram Dicy, of White Oak, farmer; and Chas. S. Tamlin, V.S., of this city, veterinary surgeon for the London Humane Society. All, except the last mentioned, were of the opinion that the operation was a justifiable one, and a humane one in view of the general results. The commission will continue the examination of witnesses to-day, commencing at 10 o'clock. They would be specially pleased to take the opinions of any men who oppose the practice of dehorning. Circulars of inquiry have been sent to all the agricultural colleges in Canada and the United States. The commission will make a thorough investigation into the matter.

The commission this morning heard the evidence of Dr. T. V. Hutchinson, medical health officer; Benjamin Cook, of Avon, and Lorenzo Stevens, of East London. They all thought the operation cruel and inhumane.

MURDER AT RAT PORTAGE.

The Mutilated Body of a Woman Found on Tunnel Island—Evidently Killed for Her Money.

RAT PORTAGE, Ont., June 2.—A man reported to the police that he had discovered the dead body of a woman lying on Tunnel Island, a short distance from the water. A constable in company with the man went over to the island and found that the body was that of a woman who had evidently met with foul play. The deceased came here from Winnipeg last summer, and worked for some time in a restaurant. She was then a widow, calling herself Mrs. Mundy. Since coming here she was married to a man named Ostrander, who is at present working in camp on the Rainy River. The woman reached here from that place a day or two ago, and is known to have had money in her possession just before she met with her death. The body has been brought here, and an inquest will be held.
