See and try a DE LAVAL Cream Separator

YOU can't afford to take any chances when buying a cream separator.

It is important that you get a machine which will stand constant wear twice a day for many years to come.

It is important that you get a machine that will run easy and be easy to wash and clean.

It is vitally important that you get a machine which will save all of your cream instead of losing enough in a year to amount to more than its cost.

We know that if you see and try a De Laval, the chances are ten to one you will buy it. It's its own best salesman.

Any De Laval agent will be glad to set a machine up for you on your own place on trial, and if you want to keep it and it isn't convenient to pay for it now, we have an arrangement with our agents whereby you can buy it on easy terms, so that it will actually save its cost while you are paying for it.
