## BOARD OF HEALTH MEETING

### Want $10,500 From Council to Carry on the Year's Work.

**Jeremiah Donovan Died From Rupture of a Blood Vessel—H. G. & B. Annual Meeting—The Myles Party on Top—Good Financial Statement—Street Railway Officers and Directors Elected—General News.**

Hamilton, Jan. 24.—(Special.)—The first meeting of the 1898 Board of Health was held to-night. John Kirkpatrick was elected chairman, and it was decided to ask the City Council for $10,500 to carry on the work for the year. This is $1000 more than last year's appropriation. It is likely that there will be a semi-weekly collection of garbage in the summer months if this amount is received.

**"Jerry" Donovan's Death Inquired Into**

Coroner Woolverton conducted an inquest this evening on the death of Jeremiah Donovan, who expired suddenly at Daly's Hotel. Physicians stated that death was due to the bursting of a blood vessel, and a verdict was rendered in accordance with the statements. Donovan died penniless.

**Ministerial Association.**

At the meeting of the Ministerial Association this afternoon a letter was received from J. B. McCallum, a barber, asking that the association use its influence to have the law regarding barbers working on Sunday enforced. The association decided to communicate with the authorities. Rev. Mr. Rutledge read an essay on "Paul's Epistle to the Hebrews," which caused a lengthy discussion.

**H., G. & B. Annual Meeting.**

The annual meeting of the Hamilton, Grimsby & Beamsville Electric Railway, held to-day, proved a very lively affair. Shareholders T. Lester Bird & A. Rutherford led a fierce attack upon President Myles' party for refusing to bring in a yearly financial statement, for permitting Director S. S. Martin to be treasurer as well, and for alleged unfairness in appointing scrutineers. Shareholder Dr. Burns tried to play the part of peacemaker and form a coalition government, but the Myles party hung together and elected their ticket all through. Towards the close of the meeting one of the disgusted shareholders exclaimed: "Shoot! It's no use staying here," and the minority marched out. The financial statement for the quarter ending Dec. 31 is a capital one: Passenger receipts, $1106; freight receipts, $1913; milk receipts, $221; express, $193; mail service, $219; rents, $30. Total receipts, $9681; total expenses, $8371. There is a dividend of 5 per cent.

**Emeralds at Dinner.**

The annual dinner of the Emerald Benevolent Society was held to-night at Knapman's. Representatives were also present from the societies of St. Patrick, St. Mary and the Irish Catholic Benevolent Society. President J. McKenna occupied the chair. Speeches were made by P. Dowd, W. H. Jamieson, M. G. O'Reilly, Dr. Balfe, Dr. Griffin, J. Cox and S. Cheeseman.

### STREET RAILWAY COMPANY.

**Annual Meeting and Election of Directors —No Dividend Paid.**

Hamilton, Jan. 24.—(Special.)—The Hamilton Street Railway Company, at its annual meeting this afternoon, re-elected the old Board of Directors and officers and J. Gibson, M.P.; Vice-President, William Gibson, M.P.; Vice-President, E. Martin, Q.C.; J. A. Bruce, F. W. Fearman, W. T. Harris, B. T. Charlton, I. Beer.

The receipts of the year did not allow any dividend. Five years ago the stock stood at $1.60, but shares can now be purchased at 50 cents. There is a strong demand in some quarter that the city take over the road, and the question will be a live one as soon as the provincial elections are over.

**Burlington Has a Conservative Club.**

The close of the week in Burlington was fittingly celebrated by the reorganization of the Conservative Club. There was a large and hearty gathering. Lieut.-Col. Kerns made a speech which raised the audience to white-heat enthusiasm. The following were elected officers: Dr. Richards, president; E. Burns, treasurer; F. Kerns, secretary.

**Struggle for the Wardenship.**

The County Council will be the scene of a lively struggle to-morrow, when the councillors will be asked to elect a warden and clerk. Among the aspirants for the wardenship are Dr. McGregor and Councillors J. Marshall, J. W. Gage, Brant and Easterbrook. It is said that Councillor E. Kenrick will be appointed temporary clerk, but there are twenty others after the job.

**The School Board Vacancy.**

John Ross, carriagemaker, and George C. Holden, agent, were nominated to-day as candidates for the vacancy on the School Board occasioned by the resignation of Ald. Pettigrew. The polling takes place on Monday. Both candidates are opposed to domestic science in the school curriculum.

**Going Into Their Pockets.**

The citizens of Hamilton have fallen thoroughly in line with the Jubilee Hospital wings erected by means of municipal and private enterprise, and are now going down into their pockets to furnish it. The fittings of the eighteen private wards will be guaranteed by the following: Ward 1, Lodge of Strict Observance, A.F. & A.M.; ward 2, George Roach; ward 3, J. Billings; ward 4, George Rutherford; ward 5, T. Beasley; ward 6, Mrs. J. Eastwood; ward 7, Mrs. H. T. Ridley; ward 8, J. T. Middleton, M.L.A.; ward 9, T. Hoodless; ward 10, Colonel McLaren; ward 11, Mrs. C. E. Doolittle; ward 12, Mrs. William Southam; ward 13, R. A. Lucas; ward 14, Times Printing Co.; ward 15, Herald Printing Co.; ward 16, Hon. J. M. Gibson; ward 17, Messrs. Long & Bisby; ward 18, Mrs. H. D. Cameron.

**Writing Up Canadian Women.**

Miss M. J. Nisbet of this city, who has done a lot of clever writing for the American magazines, has in course of preparation a book on "Canadian Women and Their Work." The writer is receiving most encouraging support from the Government, the Royal Society of Canada, etc. Mr. C. C. James of the Ontario Department of Agriculture has supplied her with much valuable information, and to-day arrived a large parcel of books from Sir Wilfrid Laurier, which he thought might be of service. The book will be of special interest and value, as it is the first work having as its subject Canadian women.

**General News Notes.**

The G.T.R. track at the Junction Cut was blocked for several hours on Saturday by the fall of a block of cemented gravel weighing nearly 30 tons.

The funeral of the late clerk, which was private, took place this afternoon. Rev. Canon Sutherland officiated.

D. Colin McLeod and James Weller were ordained elders of Erskine Presbyterian Church yesterday.

The ladies who are interested in the proposed Woman's Building for Hamilton are busy talking up the matter amongst their friends, and the adjourned meeting to be held Thursday morning will no doubt be an interesting one.

The R. T. of T. Executive has drafted a petition to the Council asking for a reduction of licenses, and will back it up with a deputation at Monday's meeting.

### TOMMY ATKINS' FRIEND.

**Mr. Angus MacMurchy Gave a Delightful Lecture on the Writings of Rudyard Kipling.**

A pleasant feature of the regular meeting of the Young People of Old St. Andrew's Church last night was a paper on "Rudyard Kipling and His Works," read by Mr. Angus MacMurchy. There was a large attendance and Mr. MacMurchy's paper was listened to with great interest and appreciation.

After referring to the early life of the poet as a journalist, Mr. MacMurchy said that, like Hannibal of Carthage, long ago, Kipling may be said to have been reared in the camp of the army. From that great country, where 70,000 white soldiers and 1000 civilians govern, uphold, protect and guide over 200,000,000 souls of many races and all stages of civilization, the most stupendous task of modern times—Kipling first told the world about the British common soldier, Tommy Atkins, with all his faults of recklessness, coarseness and brutality, but also with his virtues of courage, fidelity and sense of duty.

The British common soldier, to those who have met him, is not always an inspiring subject, but since the days when the great Apostle of the Gentiles, in writing those epistles which turned the world upside down, compared the Roman soldier's armor to the weapons of our spiritual warfare, until now, no one has touched with the directness, force and insight of our author, upon the common things of a soldier's life, or has stood forth as so great and worthy an interpreter.

**What Kipling Preaches.**

Mr. MacMurchy then, glancing through the works of Kipling, showed how he is the preacher of the gospel of work, of law, order, restraint, obedience and discipline. He showed that Kipling had not only done more for the good of the British soldier than all other writers put together, but that he had done marvelous work in bringing the various peoples of the great British Empire to a knowledge and understanding of the vastness and meaning of the Empire.

Concerning "Our Lady of the Snows," Mr. MacMurchy said that a great deal of unnecessary sensitiveness had been shown in this country over that poem, and that apparently the splendid recognition of our national spirit, which the poet displays, and our place as one of the four new peoples of the Empire, had been overlooked in our continual dwelling upon the climatic conditions referred to in the poem; to these conditions we owe our health and vigor, and if these are misrepresented it is largely our own fault. Emerson says that "Where snow falls, there is freedom."

Selections from the works of Kipling were received very enthusiastically by the audience, and Mr. MacMurchy was tendered a vote of thanks for his admirable paper.

**St. Andrew's Brotherhood.**

The Toronto Local Assembly of St. Andrew's Brotherhood met last evening in St. John's school room, and listened to two very instructive addresses by Rev. C. H. Shortt and Mr. J. A. Catto. The first speaker described "What the Rector Can Do for the Chapter." When his excellent address was completed, Mr. Catto took the other side of the question and showed "What the Chapter Can Do for the Parish." At the close of this discourse, Mr. T. R. Clougher, who presided, declared the subjects open to general discussion, but the Brotherhood declined to follow such able speakers.

Dyspepsia or indigestion is occasioned by the want of action in the biliary ducts, loss of vitality in the stomach to secrete the gastric juices, without which digestion cannot go on; also being the principal cause of headache. Parmalee's Vegetable Pills, taken before going to bed for a while, never fail to give relief, and effect a cure. Mr. F. W. Ashdown, Ashdown, Ont., writes: "Parmalee's Pills are taking the lead against ten other makes which I have in stock." ed

**Their Pleasant Reunion.**

The Gordon Union at home, which was given last evening at the W. C. T. U. headquarters, was in every particular a success. The event was in honor of the new members of the union, and its purpose "better acquaintance." During the evening refreshments were tastefully served, and a literary and musical program rendered. Addresses were given by Mrs. Foster, Mrs. Slater and Mrs. Bascom.

**At the Civil Assizes.**

Frank Saunders, 76 Nassau-street, yesterday sought to recover $3000 damages from the city for alleged negligence on the part of a city servant. On April 28 last the plaintiff was bicycling on Bathurst-street, when he was run into by a scavenger cart and sustained serious injury. After a lot of evidence had been heard, the case was dismissed with costs.

Roach v. Halliday, a suit for breach of contract, from Aurora, was dismissed.

**Knox College Senate.**

Rev. R. C. Tibb, interim secretary of the Senate of Knox College, has called a meeting of the Senate for Feb. 1, when the examiners for 1898 will be appointed. It is also probable the literary course at Knox College will come up for discussion. The desire is to make graduation from a recognized university compulsory.

**Marriage Returns Asked.**

In his returns of marriage licenses issued in Windsor during 1896, Dr. P. H. Bryce, secretary of the Provincial Board of Health, finds a mix-up. It seems that 44 more licenses were issued in Windsor than marriages solemnized. The discrepancy is likely largely due to the celebration of the marriages in other places.

Dyspepsia and Indigestion—C. W. Snow & Co., Syracuse, N. Y., writes: "Please send us ten gross of Pills. We are selling more of Parmalee's Pills than any other pill we keep. They have a great reputation for the cure of Dyspepsia and Liver Complaint." Mr. Charles A. Smith, Lindsay, writes: "Parmalee's Pills are an excellent medicine. My sister has been troubled with severe headache, but these pills have cured her." ed

## THE BREACH IS WIDENED.

### All Hope of an Amicable Settlement Has Now Disappeared.

**Stormy Meeting Last Evening in Richmond Hall, When the Concessions Made by the Executive of South Toronto Were Refused by the St. John's Ward Liberal Club, Who Withdrew From the Meeting.**

All hope of healing the breach in the Liberal ranks came to an end last night in Richmond Hall, when, at a meeting of the Liberals of district 3, South Toronto, the members of the St. John's Ward Liberal Club withdrew in a body, refusing to be a party to the negotiations that were decided on at a meeting held in the Kensington Hotel on Saturday afternoon last.

When last night's meeting convened George Dower took the chair, and informed those present that certain concessions had been made to the St. John's Ward Liberal Club, whereby the club would control the 13 subdivisions in St. John's Ward.

**Provisions of the Agreement.**

The chairman then read the following agreement, that had been drawn up at the meeting on Saturday, when Alf. McGuire, Harry De Lanburgh and Past Vice-President Staughton, representing the club, met the Executive Committee of the South Toronto Reform Association:

(1) That the first officers of the Liberal Clubs in South Toronto be ex-officio members of the Executive Committee of South Toronto.

(2) That the St. John's Ward Liberal Club be requested to nominate a member of the Executive Committee of District No. 3, who shall represent them thereon.

(3) That in the selection of workers in the various sub-divisions due regard should be had to the members of the St. John's Ward Liberal Club, in consideration of the work they have done in previous elections, and the 13 sub-divisions in St. John's Ward with which the club is so well acquainted. Your committee hereby expect the St. John's Ward Liberals shall work therein.

(4) Should it be so arranged that the patronage in connection with the election of South Toronto will be placed in the hands of the officers of the association, a share proportionate to the work to be allotted to them shall have been placed at their disposal.

**Discordant Notes.**

When the chairman had finished reading the agreement, Secretary Mackay of the club rose and said that the concessions just read did not agree with a copy he held in his hand, and which had been endorsed by the Executive of the club on Saturday night.

Here Mr. Charles March interposed, and said: "Mr. Chairman, we are dealing with the report of the meeting on Saturday afternoon, and accepted by their representatives, and to-night we find Mr. De Lanburgh suggesting alterations."

Mr. Mackay: "They were invited by Mr. Rogers, and, further, President McGuire was not empowered by the club to make any deal whatever."

**Another Requirement.**

Mr. Mackay then read the foregoing concessions, with the following added: "That only residents in No. 3 district shall be on the Executive of said district." Continuing, Mr. Mackay said: "These are the only arrangements that the club will accept."

George Harris reminded the chairman of the meeting held a week ago, when the Executive of district 3 was selected, and added that he wished to know if the men who were elected were to be thrown aside.

A Voice: "Read the minutes of the last meeting."

Secretary Mackay: "If the minutes of the last meeting are read and adopted, then we will withdraw."

President Rogers of the South Toronto Reform Association replied warmly, saying that the South Toronto Association was supreme in the district and the association will rule St. John's Ward.

Mr. J. McConvey, a member of the Executive of district 3, said: I am going to resign to try and restore peace, as this concession in question is aimed at A. E. Hacker and myself."

Harry De Lanburgh replied to Mr. Harris, and concluded by saying that the chairman had his knife in the club.

The chairman resented the insinuation, and asked Mr. Lanburgh to take it back.

**Withdrew in a Body.**

The club then withdrew in a body amid the cheers and hisses of those remaining.

When the club members were departing Mr. John Leach, a member of the club, remained behind, and the members noticing it, someone yelled: "Where's Leach, the traitor?"

Mr. Leach waved his hand and in a loud voice said: "I am no traitor. I have been a Liberal all my life, and I am going to stay here among the Liberals."

When the crowd had gone Mr. Louis Heyd said that it was his first appearance in South Toronto ranks, and it grieved him to see such dissention and expressed the hope that the trouble would soon be amicably settled.

It was then put to the meeting and carried unanimously that the electors of district 3, Centre Toronto, endorse the concessions read by Chairman Dower earlier in the evening.

The election of delegates to the South Toronto convention was then proceeded with in perfect harmony.

**Retiring Club Passes a Resolution.**

After leaving the meeting in Richmond Hall the St. John's Ward Liberal Club members went to their club rooms, held a meeting and passed the following resolution:

"That in view of the fact that men outside of No. 3 district, and some of whom are virtually expelled members of St. John's Ward Liberal Club, have been placed in charge and on the Executive, therefore, when Mr. Dower moved the motion out of order, we did right in withdrawing, though we were in the majority."

## CANADIAN MILITARY INSTITUTE.

**Proceedings at the Ninth Annual Meeting Held—Highly Gratifying Reports—Election of Officers.**

The ninth annual meeting of the Canadian Military Institute was held last night, Lieut.-Col. Paterson, 34th Batt., presiding. There were some 50 members present, and they received with gratification the reports presented by the retiring committees.

The year opened with a resident membership of 193, to which 21 new names have been added. The non-resident membership was 156, to which 18 new names have been added. Three names have been removed by death, eight by resignation and 19 by retirement. The total membership now is 343.

The financial statement was very satisfactory.

Mr. E. W. Trent presented the treasurer's report, which showed total receipts of $907.71 for the year, with liabilities of $116.

### Remarkable Experience of Dr. Brunelle of Montreal.

**A Knock at His Door, Apparition Representing an Old Friend, Vanishment of the Apparition, Then a Telegram Saying His Friend Had Just Died—Will Non-Believers in Ghosts Tell What It Was?—Montreal News.**

Montreal, Jan. 24.—(Special.)—Dr. Brunelle, who resides at 698 Sherbrooke-street, is one of the leading French physicians of the city, and has had an experience that he will not forget for many a day to come. In the first place it should be related that the doctor is a particularly level-headed man, quite as free from belief in the supernatural as any of his confreres, and that is saying a great deal where French medical men are concerned. At an early hour Saturday evening, while Dr. Brunelle was sitting in his study reading a newspaper, he heard a sharp knock on the door leading to the hallway, and, thinking it was his little girl, he asked what she wanted. There came as a reply a second knock, louder than the first, and when the physician arose and opened the door he saw before him his old and intimate friend, Dr. Gauceau, of Boston. Dr. Brunelle's surprise, of course, was very great, and in extending him his hand and welcome he asked the friend how he got in without being heard. If, however, the Montreal doctor was surprised when he opened the door, he was still more astonished when his outstretched hand met nothing but space, and at once the form of the Boston gentleman disappeared. Dr. Brunelle returned to his library and sat for a short time lost in thought, only to be aroused by a telegraph messenger, who brought the following from a relative in Boston: "Dr. Garceau has just died."

**A Millionaire Dead.**

The death took place to-day of Mr. W. J. Withall, vice-president of the Quebec Bank. He came here 12 years ago from Quebec, and leaves an estate of $1,000,000, to be divided between six nephews and two nieces. Mr. Withall was one of the best known bankers in the Province of Quebec.

**Notes.**

Mr. Alex McFee, well-known in the grain and forwarding trade, has been elected president of the Montreal Corn Exchange.

Hon. Judge Jette will be sworn in Lieutenant-Governor of the province on Feb. 2 next.

Come Out of the Dark and Save Your Money.

We have broken the monopoly in Gas Lamps, and now intend "to carry the war into the interior."

In order that the Victor Incandescent Lamp may be introduced into every residence and office (using gas) we will sell the celebrated Victor Lamp, furnished with one of the famous "Pink" Mantles, complete and outright, for ONE DOLLAR AND TWENTY-FIVE CENTS ($1.25) each, if purchased direct at our headquarters, 81 King-street west.

We give a guarantee against law suits with every lamp, and every purchaser is fully protected by the recent judgment of the High Court.

Do not be bulldozed.
