CANADIAN MAJOR PRAISES TANLAC

Former Member of Mounted Police and Overseas Officer Says It Restored His Health.

"I have tried Tanlac and give it my unqualified endorsement," declared Sed Park, of Victoria, B. C. who formerly was connected with the Royal Northwest Mounted Police and during the war was a Major in the Canadian Expeditionary Forces.

"For the past two years my health declined, brought on by a chronic case of stomach trouble," said Maj. Park. "My appetite was gone and I ate very little of anything, for gas would form on my stomach and give me a heavy bloated feeling and cause my heart to palpitate till I could hardly breathe.

"I was constipated, had awful head aches and many times I wasn't able to work. While in France I was shell shocked and my nerves were simply a total wreck. It was hard for me to get to sleep at night and then I was disturbed by terrible dreams. My back, too was weak and pained me constantly.

"A few weeks ago I started taking Tanlac and I feel better and stronger in every way and am enjoying the very best of health. My appetite is fine and everything agrees with me perfectly. I am not troubled with constipation or headaches and my back never hurts me at all. My nerves are quiet and steady and I sleep fine every night.

Tanlac is sold in Bridgetown by S. N. Weare in Middleton by Clifford A. Mumford and in Bear River by L. V. Harris.
