

\$5.00 for \$4.00

The Dominion of Canada, in accordance with Order-in-Council P.C. No. 2462, offers for sale in Money-Order Post Offices, Banks and other authorized places, the 1919 issue of

War-Savings Stamps

"War-Savings Stamps will provide financial assistance to the Government, an excellent investment for small savings, and a strong incentive to every-day economy."—

Sir THOMAS WHITE, Minister of Finance.

A WAR-SAVINGS STAMP is Canada's promise to pay Five Dollars on January 1st, 1924. It costs you \$4.00 if purchased before January 31st, 1919, and the purchase price increases one cent each month after that date.

The difference of one dollar represents the high rate of interest earned. W-S.S. are a splendid investment for every man, woman and child in the Dominion of Canada.

Certificates are issued providing spaces for ten W-S.S., and in order to protect you against loss through fire, theft or other cause, you may register a certificate, with one or more W-S.S. attached, at any Money-Order Post Office. A Certificate registered in your name is of no value to anyone but yourself.

THRIFT STAMPS are also on sale and cost 25 cents each. These bear no interest, but they help you to save to buy a W-S.S.

Sixteen Thrift Stamps on a Thrift Card will be exchanged for one War-Savings Stamp.

You have all the resources of the Dominion back of your investment in War-Savings Stamps, and if at any time circumstances compel you to realize on your investment, your money is available.

Maxwell

If you have running water in your home, you should have a Maxwell Water-Motor Washer.

"Home" Water-Motor Washer

Attach it to the faucet, turn on water, and the machine washes the clothes—without help—without any attention. Water and suds, that's all—and great piles of dirty clothes will melt away as though by magic, till wash-day becomes the lightest working day in your week.

Nothing to do but put in the dirty clothes and take them out clean. Think how many other things you can be doing meanwhile! Here is a

Motor Washer

that makes special appeal to thrifty housekeepers—no gasoline to buy or current to use—just plain, cheap water! And it will clean the clothes just as carefully as you would do them by hand. Saves work—saves time—saves backache—saves the clothes! Ask your dealer.
