Frances Willard Home—Mrs. H. H. Coleman, Moncton.

Patriotic Work—Miss Ida Moore, Sussex.

White Ribbon Bulletin—Mrs. M MacWha, Sussex.

Rich Red Blood

means health—means mental vigor and physical strength.

What women in particular need to purify and enrich the blood—build up and invigorate the system, and clear the complexion—is

Dr. Wilson's HERBINE BITTERS

It is a true blood purifier—a blood food—made from Nature's healing herbs—and has given new health and happiness to thousands of women during the 50 years and more it has been before the public.

At most stores. 25c. a bottle; Family size, five times as large, $1.

The Brayley Drug Company, Limited St. John, N.B. 36

Try Making Your Own Cough Remedy

You can save about $2, and have a better remedy than the ready-made kind. Easily done.

If you combined the curative properties of every known "ready-made" cough remedy, you probably could not get as much real curative power as there is in this simple home-made cough syrup, which is easily prepared in a few minutes.

Get from any druggist 2½ ounces of Pinex (50 cents worth), pour it into a 16-oz. bottle and fill the bottle with syrup, using either plain granulated sugar syrup, clarified molasses, honey, or corn syrup, as desired. The result is 16 ounces of really better cough syrup than you could buy ready-made, and saves easily $2. Tastes pleasant and never spoils.

This Pinex and Syrup preparation gets right at the cause of a cough and gives almost immediate relief. It loosens the phlegm, stops the nasty throat tickle and heals the sore, irritated membranes so gently and easily that it is really astonishing.

A day's use will usually overcome the ordinary cough and for bronchitis, croup, whooping cough and bronchial asthma, there is nothing better.

Pinex is a most valuable concentrated compound of genuine Norway pine extract, and has been used for generations to break up severe coughs.

To avoid disappointment, ask your druggist for "2½ ounces of Pinex" with full directions, and don't accept anything else. Guaranteed to give absolute satisfaction or money promptly refunded. The Pinex Co., Toronto, Ont.

No Trouble to Keep Skin Free From Hairs

(The Modern Beauty).

There is no need for any woman to countenance superfluous hairs, because with a paste made by mixing some powdered delatone with water it is easy to get rid of them. The paste is applied for two to three minutes, then rubbed off and the skin washed. This treatment will rid the skin of hair without leaving a blemish, but care should be taken to see that you get real delatone.

FAVOR ADDRESS IN FRENCH AT THE WOMEN'S INSTITUTE

Fredericton Woman, However, Objects and Wants Nothing But English Language Spoken in Canada.

Special to The Standard.

Fredericton, Oct. 1.—The Sixth Annual Convention of the New Brunswick Women's Institutes opened today with about 125 delegates in attendance, and will continue in session Wednesday and Thursday. Miss Hazel McCain, supervisor of institutes, presided. An address of welcome was delivered by Hon. J. F. Tweeddale, who complimented the women on the excellent work they had done during the war, and extended good wishes for the future.

Mrs. Frank Baird, of Woodstock, made the official reply on behalf of the convention.

French Language.

The report of the supervisor stated the work of the institutes has been greatly extended during the year, and that the membership totalled 3,000. During the year $16,288.60 was raised and $13,620.19 expended.

Reference was made to hte assistance given various branches of war work and other activities of the institutes, such as short courses, essays, etc. Miss McCain also referred to the movement in the western provinces to make the women's institutes a national organization, and spoke strongly in favor of the proposed step. She also made the suggestion that at future conventions arrangements be made for addresses in French for the benefit of French speaking delegates.

Protest Made.

The suggestion with regard to addresses in French brought a protest from Mrs. Martha F. Harvey, of Fredericton, who stated that she was tired of hearing "gibberish" spoken in the streets of Fredericton, not only French, but other languages, and she hoped the time would come when nothing but English would be spoken in Canada.

Hon. Mr. Tweeddale, in reply, stated that if the suggestion were acted upon and French addresses given, it would only be a measure of justice to a large section of the population of New Brunswick.

THIS WEAK, NERVOUS MOTHER

Tells How Lydia E. Pinkham's Vegetable Compound Restored Her Health.

Philadelphia, Pa.—"I was very weak, always tired, my back ached, and I felt sickly most of the time. I went to a doctor and he said I had nervous indigestion, which added to my weak condition kep me worrying most of the time—and he said if I could not stop that, I could not get well. I heard so much about Lydia E. Pinkham's Vegetable Compound my husband wanted me to try it. I took it for a week and felt a little better. I kept it up for three months, and I feel fine and can eat anything now without distress or nervousness."—Mrs. J. WORTHLINE, 2842 North Taylor St., Philadelphia Pa.

The majority of mothers nowadays overdo, there are so many demands upon their time and strength; the result is invariably a weakened, run-down, nervous condition with headaches, backache, irritability and depression—and soon more serious ailments develop. It is at such periods in life that Lydia E. Pinkham's Vegetable Compound will restore a normal healthy condition, as it did to Mrs. Worthline.

ARE YOU FAT? JUST TRY THIS

Thousands of overfat people have become slim by following the advice of doctors who recommend Marmola Prescription Tablets, those harmless little fat reducers that simplify the dose of the famous Marmola Prescription.

If too fat, don't wait for the doctor's advice. Go now to your druggist or write to the Marmola Co., 864 Woodward Ave., Detroit, Mich., and for 75c. procure a large case of these tablets.

They reduce two, three or four pounds a week without exercise, dieting or any unpleasant effect whatever. If too fat, try this today.

BLACKVILLE WOMEN'S INSTITUTE MEETS

Delegates To Fredericton Convention Named—Red Cross Funds.

Newcastle, Oct. 1.—The Blackville Women's Institute met at the Institute room for their September meeting on Tuesday evening, September 17th. There were twenty members and fifteen visitors present.

Misses Ethel Underhill and May Dale were appointed delegates to the annual convention, which meets at Fredericton.

Rev. Mr. Forrester, who very kindly accepted an invitation to address this institute read an essay entitled "A Christian Romance." This essay was of more than ordinary merit, and was very much appreciated by all who had the pleasure of hearing it.

The following contributions for Red Cross have been received:

Junior W. A. of Trinity church Blackville	$5.00
Mrs. D. G. Grant	.50
Mrs. Justus Underhill	.50
Mrs. Millet Underhill	.50
Miss Ethel Underhill	.25
Four little girls, Isabel Allen, Katherine McConnell, Mary Savoy, and Gretta Savoy, raised by their own efforts	2.21
Mr. C. Schofield	1.00

WOMAN SUFFRAGE IS DEFEATED IN SENATE

Washington, Oct. 1.—Woman suffrage was beaten today in the senate. By a vote of 53 to 31 the senate failed to give the two-thirds majority necessary to adopt the resolution passed by the house submitting to the states the Susan B. Anthony suffrage amendment to the federal constitution.

TORONTO TEAM SOLD.

Toronto, Oct. 1.—Owner E. J. Livingston, of the Toronto Hockey Club, announced last night that he had sold the Toronto team and its rights for $5,000 to Percy Quinn, of the Shamrocks.

This gives Percy Quinn and his associates practically the controlling interest in professional hockey, as with both the Quebec and Toronto players as their property, they now hold the whip-hand.

OPENS NEXT WEEK.

Joseph McNamara, physical instructor of the Y. M. C. I., is now busy drawing up a schedule for the gym classes and he expects to open the season's physical activities next week.

SPORT ... ...QprT,sn ...

NUXATED IRON

"I believe my own great physical activity is largely due to my personal use of Nuxated Iron", says Former Health Commissioner Wm. R. Kerr, of the City of Chicago. "From my own experience with Nuxated Iron I feel it is such a valuable blood and body building preparation that it ought to be used in every hospital and prescribed by every physician in the country." Nuxated Iron helps to make healthier women and stronger, sturdier men. Satisfaction guaranteed or money refunded. At all good druggists.

ACIDS IN STOMACH CAUSE INDIGESTION

Create Gas, Sourness and Pain How to Treat.

Medical authorities state that nearly nine-tenths of the cases of stomach trouble, indigestion, sourness, burning, gas, bloating, nausea, etc., are due to an excess of hydrochloric acid in the stomach and not as some believe to a lack of digestive juices. The delicate stomach lining is irritated, digestion is delayed and food sours, causing the disagreeable symptoms which every stomach sufferer knows so well.

Artificial digestents are not needed in such cases and may not do real harm. Try laying aside all digestive aids and instead get from any druggist a few ounces of Bisurated Magnesia and take a teaspoonful in a quarter glass of water right after eating. This sweetens the stomach, prevents the formation of excess acid and there is no sourness, gas or pain. Bisurated Magnesia (in powder or tablet form—never liquid or milk) is harmless to the stomach, inexpensive to take and is the most efficient form of magnesia for stomach purposes. It is used by thousands of people who enjoy their meals with no more fear of indigestion.

HEARTY WELCOME TO PRESIDENT OF NATIONAL COUNCIL

Mrs. W. E. Sanford Speaker at Meeting Held Under Auspices of St. John Council of Women Last Evening.

An enthusiastic meeting was held last night in the hall of the Great War Veterans Building, under the auspices of St. John local Council of Women, for the purpose of meeting Mrs. W. E. Sanford, of Hamilton, Ont., who is the newly elected president of the National Council of Women of Canada. The meeting opened with a splendid address by the president of the local council, Mrs. Atherton Smith, who welcomed Mrs. Sanford. In her address she explained the objects and aims of the council's work and the good attained by the various organizations associating themselves with the council.

Her address was followed by an able paper, delivered by Miss Carrie Carmichael, president of the New Glasgow Council of Women. Miss Carmichael gave a synopsis of the proceedings of the annual meeting of the National Council of Women of Canada, which took place in June at Brantford, Ont. Her earnestness, combined with her ready wit, made the paper most interesting to her audience.

Mme. Farlong Schmidt was next heard in the solo, "When You Come Home," being ably accompanied by Mrs. Harold Coleman. Mme Schmidt rendered the solo in her own pleasing way, and her voice was never heard to better advantage.

The corresponding secretary, Miss J. Haley read her report, consisting of a synopsis of the work accomplished during the past 14 months by the St. John Council. The report showed that the council had been very active in patriotic endeavor, and had lived up to the ideals set for it.

Mrs. Smith next introduced Mrs. Sanford, who, in her address, assured her audience that the work of the local council had been fully appreciated by the National Council. She spoke of the work of the Council throughout the world during the past 25 years, showing that this organization is the most powerful existing in the world today for the benefit of women. She stated that since the beginning of the war women seem to have found their true and better selves, and had learned the lessons of self sacrifice and self abnegation. She referred to the privilege that has already been given to the women in the franchise and she earnestly hoped that every woman would regard it as a sacred consecrated duty, so that woman's influence will be given to those who can best undertake to carry out the responsibilities of our country's government. She concluded her remarks in referring to the sufferings brought about by the war, and she stated that it now appears that the prayers of the thousands of men and women which were being offered up for a glorious victory were being answered and that the Allied armies were now on their final march to victory.

Mrs. Richard Hooper moved a hearty vote of thanks to Mrs. Sanford and in seconding the motion Miss Grace Leavitt presented a handsome basket of roses to the speaker, in token of the local council's esteem and admiration. Miss Amelia Green was heard in a pleasing recitation, the poem, "Courage," which she rendered in her finished style.

A deputation of Japanese Y.M.C.A. workers, composed of Col. H. Hirayama, chief of the deputation, Rev. T. Sagara, national Y.M.C.A. secretary of Japan, and R. O. Kumura, Y.M.C.A. secretary at Kobe, Japan, were present, and spoke on their mission, which is to establish Y.M.C.A. huts in France. Their remarks were intensely interesting, and they were warmly welcomed to the meeting. A. M. Belding and Rev. G. A. Kuhring who were present, also spoke briefly.

During the meeting a ladies' orchestra, composed of the Misses Lynch and Miss Marion Hogan, rendered several delightful selections. At the close many in the audience took the opportunity to meet the Japanese delegation, Mrs. Sanford, and Miss Carmichael.

Far more effective than Sticky Fly Catchers. Clean to handle. Sold by Druggists and Grocers everywhere.

MAJOR LEAGUE BASEBALL MATTERS

Annual Meeting of the Association To Be Held in New York December 10.

New York, Oct. 1.—Major League baseball, in-so-far as it concerns the National League, will be officially terminated at the annual meeting of the association to be held in this city on December 10. At the gathering the senior organization will formally wind up the business affairs of the season just closed and enter upon a hiatus which will remain undisturbed until such time as international affairs appear to warrant a revival of the professional end of the national game.

This, at least, is the intention of the magnates at the present time, and nothing short of a most sensational change in the war status within the next two months will cause a shift in the plans of the league.

A declaration of peace coming late next spring would prove of little value to the big league clubs, according to the opinion of prominent magnates.

General opinion appears to support the idea that a new and better order of professional baseball will come forth at the proper time, but that much of this advantage would be lost if the big leagues rushed blindly back to the game at the first hint of an opening.

It is understood, however, that the magnates will not tie their hands by any definite statements or arrangements, but will leave the affairs of the organization in such a fluid state that business can be resumed at the proper moment with as slight a jar as possible. The officers of the league will be continued and Secretary Heydler will, in all probability, be re-elected to his present position with full authority to act for the league in all matters which have heretofore been in the hands of the president, as well as the other elective officers of the league.

LITTLE CHILDREN SUFFERING MOST.

Above all it is the children of Belgium who suffer. Already the brutal invader of the little kingdom has exacted an awful price from the little ones. Long ago, but for the untiring energy of the many charities devoted to saving these little ones from starvation and death, and dependent upon the Belgian Relief Commission for the financial support necessary to continue their wonderful work, Germany would have succeeded in what gives every evidence of being her aim, the extermination of the next generation of Belgians. These organizations have snatched hundreds of thousands of children from the very jaws of death. It has been a wonderful and glorious fight, and unending struggle against overwhelming odds and, to date, a successful struggle. Victory rests with the charitable workers today, but the mailed fist still strives to snatch it from them. Militarism, allied with malnutrition and disease, menaces today, and just as certainly as it ever has menaced, the child population of the unhappy country. It is a fact that were these charitable organizations to rest upon their laurels at this time the younger generation in Belgium would be practically wiped out within a month. Not thousands, but more than a million infants and children, would succumb to starvation and disease. The streets and shattered homes of the invaded districts would be littered with the emaciated corpses of children. These charitable organizations, these life-saving institutions, will not rest while they have it within their power to continue the work of salvation—but they are today facing a crisis in their affairs. Funds are low. They look to the Belgian Relief Commission for continued and increased support. The commission is their accredited agency for the raising of the necessary funds, the commission is the intermediary between these organizations and the public of Canada who will not fail the sons and daughters of men who gave up their lives that the German hordes might not pass, that Christianity and civilization might not be extirpated by unholy might. It is on behalf of these children, for the lives of these children, that the commission today appeals for contributions. Donations should be sent to the local branch of the Belgian Relief Fund or to Canadian headquarters at 59 St. Peter street, Montreal, Quebec.

THE PITTSFIELD RACES.

The Four County Fair is being conducted in Pittsfield, Maine, starting yesterday and closing tomorrow. Two events are being handled on the track each day and in all only one Maritime Province horse is entered, that being the bay mare, Evelyn B., owned by H. R. Haley, of St. Stephen. She is entered in the free for all, 2.18 class, and the 2.23 class. There is a large entry list and the great majority of the horses are from points in Maine.

FREDERICTON RACES.

Six carloads of horses, which have been racing at Charlottetown, arrived in Fredericton last night for the autumn race meet of the Fredericton Park Association, which opens today and continues for three days.

R. J. McKee, of Fort Fairfield, Me., is to be the starter, and three days of first class racing is expected.

"THE BIGGEST SHOW ON EARTH"

WITH

The Australian Star—ENID BENNETT

MISS BENNETT'S role in this picture is that of a young girl who tames lions and who performs daily in a cage filled with lions in her father's circus. She is sent to school to be educated and meets a young man belonging to an aristocratic family and whom she learns to love. She one day saves the circus from wreck at the hand of rioters when she takes the place of a woman lion trainer who is filled with superstitious terror and does the act at the risk of her life. It is a wholesome picture with many thrills and the atmosphere of the circus well sustained.

This picture will be repeated on Saturday as the Musical Comedy "Chin Chin" will be presented on Thursday and Friday.

British War Office Official War Film Including King George's Visit To the United States Fleet.
