I have not had very many opportunities of using them because there is no curling rink and very few curlers here. However, a few of us have got together and practice twice a week on the skating rink ice, but it is uneven and unsatisfactory. I see that you have all the vim and enthusiasm that you could wish in your Club this year.

Convey my thanks to the members of the Club and assure them of my kindly remembrance of them all. With best wishes to you and yours, I am yours,

What the Engineer Said

Trenton, Ont.—Our esteemed citizen. Mr. H. Goodsell, Engineer for the Electric and Water Co., speaks of an affliction that visited his family thus; "I have a family of six who were all completely prostrated by Acute Catarrh of the nose and throat. My wife became perfectly deaf, and almost blind and her head ached so persistently and severely that I feared she might loose her reason. The children were all badly affected especially the baby, and you may believe their condition was indeed serious. Our doctor's medicine was either no good, or too slow in acting, so I went to Hawley's drug store and asked for the best catarrh remedy they sold. I was given Catarrhozone, and made my family inhale it ten minutes every hour. The result was a speedy cure all round. Such a priceless remedy needs only a trial to be appreciated, and my house will never be without it. Complete outfit $1.00 small size 25c. at druggists. A trial sent for 10c. by N. C. Polson and Co., Kingston, Canada, or Hartford, Conn., U. S. Sold by C. P. Hickey, Chatham.

Chatham Town Council.

Chatham Town Council has held several meetings since that of Monday 4th inst., chiefly to pass upon the revised by-laws, although some other matters have been dealt with.

Ald. Watt, at the meeting of Wednesday evening, 6th, presented the following report:

The tenders in connection with water works have been opened and examined. The

that the Council was heartily in accord therewith and would do all in its power to assist the scheme. Copy of this resolution was ordered to be attached to the petition.

Ald. Murdoch from Light Committee, reported favorably on the purchase of the Chatham Electric Light Co.

On motion the Mayor was instructed to call a public meeting to discuss said purchase and ask ratepayers for power to issue bonds wherewith to purchase the plant.

Ald. Watt presented and read the 4 sections of Bill to Legislature asking alteration in Act of Incorporation relating to their being 4 Aldermen at large instead of two from each ward.

Ald. Watt moved that these be read section by section.—Carried by casting vote of the Mayor. Yeas: Burr, McKay, Murdoch and Watt. Nays: Gallivan, McIntosh, Maher, Morris.

First section was then on motion of Ald. Watt adopted as read, by casting vote of Mayor.

Second, third and fourth sections, each carried by casting vote of the Mayor: Aldermen voting as in first section.

Ald. Watt then moved that these sections be added to the seven sections of Bill previously adopted. Carried.

Adjourned until Tuesday evening at 7.30.

On Tuesday evening consideration of the Bye laws was proceeded with.

Pugsley-Russell.

Chatham's leading social event of many months—the marriage of Mr. T. P. Pugsley of St. John and Miss Mary Helen Russell of Chatham—came off on Tuesday evening in St. Andrew's church. Long before the hour named for the ceremony the church was filled by a congregation numbering nearly a thousand people, who waited in most orderly expectation the arrival of the principals in the happy event. A small space defined by a line of white ribbon was reserved for the invited guests—who included only the relatives and most intimate friends of the contracting parties—and the pulpit, platform and choir were beautifully decorated with flowering plants and shrubbery.

A few minutes before seven o'clock the groom attended by the groomsman, Mr. Alex McMillan, of St. John, accompanied by Rev D Henderson, pastor of St Andrew's, entered the church from the vestry, and took up their positions in front of the pulpit, the ushers, Messrs A D Cotter, Roy Muirhead, Frank Sadler and Fred Tweedie also taking places near. The choir under the direction of Mr Brookes Peters of Moncton, late organist of St George's church there, was composed of Mrs Marie Zahn Lyman and Mrs H Arthur Peters, sopranos; Misses Kate Lawrence and Agnes Peters, altos; Mr Horace Cole, tenor, and Mr Blair Leblanc, bass. The organist of the occasion is a lifelong friend of the groom and came to Chatham especially to officiate at the marriage, and all the singers, excepting Mr Col, are also Monctonians.

Just before the coming of the bride the choir began the singing of the hymn:

"O Father all creating"

during which the bride, accompanied by her sister, Miss Ada Russell, bridesmaid, entered the church on the arm of Hon. Premier Tweedie and took her place beside the groom.

The marriage ceremony was then performed by Rev Mr Henderson followed by the hymn:

"How welcome was the Call."

The choir also sang the benediction:

Father, Son and Holy Spirit,
God the One in Three,
Bless them, guide them, save them, keep them
Near to Thee.

The newly wedded pair then retired to the vestry with the groomsman and brides maid to sign the register and "Mendelssohn's Wedding March" was played by the organist, and the formalities and registration being completed the principals and guests left the church.

It was a matter of pleasure to the many friends of bride and groom in Chatham that all the arrangements in regard to the ceremony were carried out in the most perfect and satisfactory manner, and much credit is due to the church officers and ushers for the quiet and orderly seating of the large mixed congregation. The music was the subject of especially favorable comment and Mr Peters is to be congratulated on the ability he displayed in this connection.

After the ceremony at the church, there was a wedding supper at the residence of Mrs. T G Russell, the mother of the bride, who is a daughter of the late Senator Muirhead. The guests present were as follows:—

Hon. Dr and Mrs Pugsley, father and mother of the groom, and his brothers, Masters Willie and Jack Pugsley; Mrs D Pugsley; Mr Alex McMillan, Mr. W C Whittaker, of St John; Mrs Andrew Walker; Miss Ada Russell of Halifax; Mr and Mrs W A Hickson, Mrs Harley, Miss Lou Harley, Miss Sargeant, of Newcastle; Hon L J and Miss Tweedie; Rev D Henderson, Miss Laura Snowball, the Misses Marshall; Messrs Fred Tweedie, A D Cotter, Roy Muirhead and Walter Gilbert, of Chatham; Mr F S Sadler, Fredericton; Mr Horace Cole; Mr Brookes Peters, Mrs C H Lyman, Mrs H A Peters, Miss Kate Lawrence, Miss Agnes Peters, Mr Blair Leblanc, of Moncton.

There was some very good speech-making done after the supper, led by Hon L J Tweedie, who proposed the health of the bride, the groom responding. Then, Hon Dr Pugsley proposed the bridesmaid to which Mr McMillan appropriately responded followed by Rev D Henderson who proposed the health of the bride's mother—a valued member of his congregation.

The presents to the bride were large in number, valuable and elegant.

The happy couple left for a honeymoon trip by the Maritime Express, going to Montreal and thence to New York and other United States cities. They are followed by the best wishes of the whole community for their happiness in the new relationship on which they have entered.

Chatham Board of Trade.

A meeting of the Chatham Board of Trade was held in the Council Chamber, Town Hall, last Thursday evening. President W. S Loggie occupied the chair and Geo. Watt acted as secretary.

The president related the facts of an interview between Messrs. Tiffin and Wallace of the I. C. R., and himself in relation to freight rates on flour, the result of which appeared to be that they didn't seem to favor conceding an even rate with Fredericton, although there was a prospect of accomplishing that end should the Canada Eastern make the rate from the Junction to Chatham two cents. He also read a personal letter from Mr. Edmunds of the Canadian Grocer on the subject of the bankrupcy law, and it was understood that he himself should reply to it.

The president also read a communication from the St. John Board of Trade desiring the cooperation of Chatham Board in opposing a bill that Hon. Mr. McKeown is promoting in the Legislature to enable civic tax defaulters in the city of St. John to vote at elections of mayor and aldermen.

Mr. W. C. Winslow was opposed to this Board taking any action in the matter as it was one concerning St. John only and the Chatham Board would be going out of its way by interfering.

Mr. D. G. Smith differed from this view for the reason that similar legislative action was proposed for Chatham and a large proportion of the people of Chatham were, he believed, opposed to it. If such legislation carried for St. John it would have much influence on other places, that city being the great commercial centre of the province, and it was right that those here who were opposed to the principle sought to be established should join their influence with St. John's Board of Trade and its other citizens of the same mind in an endeavor to prevent legislation which they believed to be pernicious.

Messrs. M S. Hocken, Alex. Robinson, Alex Burr, Jas. Nicol and Geo. Stothart also differed from Mr. Winslow's view of the matter and Mr. Nicol moved seconded by Mr Stothart that the St. John Board of Trade be notified that the Chatham Board, having seriously considered their communication were in accord with the view of the matter taken by the Board.

Mr. J. L. Stewart supported the motion.

Mr. W. C. Winslow spoke in favor of Mr. McKeown's bill and Mr. R. Flanagan took the same view of the subject.

Mr. Watson and Mr. R. A. Murdoch were strongly against the proposed legislation.

Mr. Nicol's resolution was carried, Messrs Winslow and Flanagan alone dissenting.

Mr. D. G. Smith moved the following resolution:

Whereas, attempts are being made in Chatham and elsewhere in the province to confer by legislative enactment upon defaulting ratepayers the right to vote at civic elections,

Resolved, That this Board places on record its strong disapprobation of any proposition to secure such legislation, as we believe the principle thus sought to be established is pernicious, inasmuch as it will tend to increase the indisposition of the present non-paying class to contribute to the maintenance of local services and render the collection of civic rates more tardy and difficult than at present.

And that copy of this resolution be forwarded to the members of the Legislature at Fredericton and also to the St. John City Council and Board of Trade and to Chatham Town Council.

Mr. Robinson seconded the resolution and spoke in support of it, as did also Messrs. Hocken and Watt.

Mr. Flanagan and Mr. Winslow opposed, Mr. Nicol and Mr. Stothart favored the resolution, which was put and carried by a vote of 18 to 2

Mr. J. L. Stewart moved and Mr. J. D. B. F. Mackenzie seconded the following resolution:—

Whereas, Four members of the Chatham Town Council have secured the passage of a resolution, against the vote of three others, and in the absence of an alderman who has placed himself on record as opposed to it, ordering that a petition be sent to the Legislature for enactment permitting persons to vote who have not paid their taxes, therefore

Resolved, That this Board of Trade protests against this action, believing it to be against the best interests of the town, and hereby requests the representatives of Northumberland in the Legislature to vote against any bill that may be introduced in answer to the prayer of such petition.

After brief discussion this resolution was carried, 18 to 2.

Mr. Flanagan from the committee on selecting a site for the proposed oil warehouse reported that they had examined several places near Chatham station and favored securing the Delaney property for the purpose, if it could be purchased at a reasonable rate. There was also a piece of land near the round house owned by Mr. Snowball that would be suitable.

The report was received and the committee continued and instructed to ascertain the prices of the properties they had in view.

Mr. Alex. Burr, seconded by Mr R. A. Murdoch, moved that someone be sent to Fredericton to place the Board's action on the proposed bill to enable tax-defaulters to vote before the legislature. Carried.

Mr Winslow said he was going over. [laughter.] Then someone suggested that the newspaper men present might be going.

Mr. J. L. Stewart said he was going to Fredericton. He was appointed under the resolution.

Mr. Smith, being asked, said he was unable to say that he was going to Fredericton in time to present the Board's views.

The president referred at some length to the subject of the Town taking over the Chatham Electric Light Company's plant and franchises at $25,000 rather than spending the $10,000 authorised by the ratepayers for establishing a street lighting plant alone in connection with the proposed water system.

Mr. Nicol thought it would be a waste of time for the Board to deal with that matter as it would have to be considered by the ratepayers in public meeting.

Adjourned.

This body of men will be of the same general character and have similar duties to perform in South Africa as those of the Canadian Mounted Police in our own Northwest, and the opportunities to see life in famed South Africa and be in touch with the foundation-laying of new national and commercial conditions, together with the prospects of adventure, have led many of our young men to eagerly seek places in this mounted corps, recruits for which are now in Halifax and will probably leave there for South Africa on 20th or 22nd inst. A Wife to her Husband.

One of us dear—but one—
Will sit by a bed with marvellous fear,
And clasp a hand
Growing cold as it feels for the spirit land—
Darling, which one?

One of us dear—but one—
Will stand by the other's coffin bier,
And look and weep,
While those marble lips strange silence keep—
Darling, which one?

One of us, dear—but one—
By an open grave will drop a tear,
And homeward go,
The pain of an unshared grief to know,
Darling, which one?

One of us, darling, it must be,
It may be you will slip from me,
Or, perhaps, my life may just be done,
I'm glad we do not know which one.
