Special Notices.

$5 to $20 PER DAY. Agents wanted. All classes of working people, of either sex, young or old, make more money at work for us in their spare moments, or all the time, than at anything else. Particulars free. Address G. Stinson & Co., Portland, Maine. mv5dwy

BEECHER remarks that you often see a man with a little bullet head, having a vigorous stomach to drive his body and brain, accomplish more than the big-headed man who makes a small quantity of blood, and that poor and thin. To enable mind and body to endure protracted mental and physical exertion, there must be perfect digestion and assimilation of food, and the formation of pure blood to vitalize the organs and tissues. Dr. Wheeler's Compound Elixir of Phosphates and Calisaya perfects nutrition, and furnishes material for bone, muscle and nerve, to supply the waste of vital force going on from over work, dissipation, bad habits, and all prostrating diseases. fm

EXHAUSTED VITALITY. — The "SCIENCE OF LIFE, or SELF PRESERVATION," a Medical Treatise on the Cause and Cure of Exhausted Vitality, Premature Decline in Man, Nervous and Physical Debility, Hypochondria, Impotency, Spermatorrhœa or Seminal Weakness, and all other diseases arising from the errors of youth or the indiscretions or excesses of mature years. This is indeed a book for every man. Thousands have been taught by this work the true way to health and happiness. It is the cheapest and best medical work ever published, and the only one on this class of ills worth reading. 190th edition, revised, much enlarged, illustrated, bound in beautiful French cloth. Price $1. Sent by mail, post-paid, on receipt of price. Address PEABODY MEDICAL INSTITUTE, No. 4, Bulfinch Street, Boston, Mass., or Dr. W. H. PARKER, Assistant Physician. NB.—The author may be consulted on the above as well as all diseases requiring skill and experience. ap8dwy
