CENTRAL FARMERS' INS. DEAL.

Notes of Appointments From the Legislative Buildings.

The Ontario Cabinet, at the meeting held Tuesday appointed Mr. S. T. Warner, barrister, of Napanee, county attorney and clerk of the peace for the county of Lennox and Addington in room of Mr. A. L. Morden.

Mr. Franklin Spafford of Picton received the appointment of shorthand writer to the local court in the county of Prince Edward.

To-day at 3 p.m. a deputation will wait upon the Government in the interests of the residents of Prescott and Russell counties, asking an extension of time for the completion of the Montreal and Ottawa Railway. The deputation will be headed by Messrs Robillard and Evanturel, M.L.A.'s. The C.P.R., is building the road.

A. E. Annis will hereafter superintend the Ontario Government pioneer farm at Barclay, Algoma, instead of Charles Ogg, resigned.

The Central Farmers' Institute has ceased to exist. No grant was provided in the last estimates of the Ontario Government, but the treasurer's statement showed a balance of $693 at the last meeting in February. This has been disposed of according to statement of President Raynor.

NO THANKSGIVING PARADE.

The Commanding Officers of the Garrison so Decided Last Night.

The Queen's Own paraded at the Armory last night 639 strong under the command of Lieut.-Col. Hamilton. Companies A, E, F, G and K were inspected by Col. Buchan, D.A.G. The muster parade of the regiment for 1895-96 will take place on Wednesday evening, the 20th. A number of good service badges were granted to men who had served 3, 6 and 9 years. At a meeting of the commanding officers it was decided not to hold a parade of any kind on Thanksgiving day. Col. Otter arrived back from England Tuesday morning.

York Township Council.

A special meeting of the council was held yesterday afternoon in the Yonge-street Arcade, with every member present. Over one-half of the meeting had to be devoted to cases of erroneous assessment, and in many cases the withdrawal of property advertised in the market for alleged arrears of taxes. Mr. W. Booth appeared before the council to protest the payment of $197 for 1891 taxes on Lakeview-avenue property, in view of a receipt in full sent him in oversight by the County Treasurer. The matter was laid over.

It was decided to pay $50 to Messrs. Marr & Harshaw, contractors, as half claim for extra work done by them in grading track of Toronto and Suburban Railway through Black Creek Hill, and the same amount was offered Mrs. Waycott in full settlement of all her claims against the township in the Brandendale diphtheria case. Mr. Baldwin, solicitor for Mrs. Waycott, put in a bill for $100, but said he would consult his client again in the matter.

One hundred dollars per acre will be paid Mr. Taylor for the 1 2-3 acres of land being taken by the township to carry out the deviation of Woodbine-avenue south of St. Clair-avenue. The opening up of Rosedale was discussed, and it was determined to advertise the intended expropriation of a road from Binscarth-road to Thompson-avenue. Dec. 11 was set for the final court of revision for the improvement of Davenport-avenue.

North Toronto.

School Trustees McCormick, Bonnick, Douglas, Snider, Davis and Bailey were at the meeting of the town board, held at North Toronto on Monday evening. It was decided to hold the children's concert on the third Monday in December, the proceeds of which will be devoted to the purchase of a piano for the Erskine-street school. The presentation of certificates to pupils who passed the late Public School leaving examinations will also be made on that evening.

Mr. Elias Rogers and four others of Deer Park have asked permission of the council to lay a 1 1-2 inch pipe from the water main on Yonge-street opposite Munton-avenue as far as Heath-street. The request will be granted.

The Court of Revision for North Toronto has concluded its work, after four sittings at the Eglinton Town Hall. Between 60 and 70 appeals were heard, some 25 of which were successful. There will be several appeals before the County Judge. The Metropolitan Street Railway had its assessment on the Greenwood Park property, which comprises about 35 acres, cut down from $300 to $150 per acre.

Roehampton-avenue is now provided with drinking water.

Doctors Say It Is the Best.

Gentlemen,—I recommend Milburn's Cod Liver Oil Emulsion with pleasure. Last July I took Congestion of the Lungs, and was in bed for four weeks. I was very weak, and could not speak above a whisper. Dr. Lawson of Hamiota attended me, and put me a bottle of Milburn's Emulsion. It is the very best made, and soon restored my voice and brought me back to health again. Yours truly,

ALF. SMITH,
Wheatlands, Man.

Bicycle Dangers

Editor World: I read in your paper this morning that the secretary of the Wheelmen's Association has presented to the council a request that bicycists be allowed to ride on sidewalks on certain streets, where the roadways are bad, at a low rate of speed. This is certainly one of the most outrageous propositions I ever heard of, and I trust is not seriously entertained or countenanced by intelligent and reasonable bicyclists themselves. The fact is, this wheeling practice is already assuming such an alarming phase as to make it dangerous for pedestrians to walk the streets, and unless some stringent regulations are adopted for the protection of the public, it will be unsafe for them to venture outside their homes. Our City Council should at once give heed to the warnings before them, and in this connection should levy a yearly tax of $2 on every bicycle used on our streets.

The proprietors of Parmelee's Pills are constantly receiving letters similar to the following, which explains itself. Mr. John A. Beam, Waterloo, Ont., writes: "I never used any medicine that can equal Parmalee's Pills for Dyspepsia or Liver and Kidney Complaints. The relief experienced after using them was wonderful." As a safe family medicine Parmelee's Vegetable Pills can be given in all cases requiring a cathartic.
