ANGELUS THE WINNER CHAPULTEPEC SECOND

Meelick, Favorite, is Third in City Park Derby Saturday at New Orleans.

NEW ORLEANS, March 21.—The same horses which were defeated with ease by Meelick in last Saturday's $10,000 Derby at the Fair Grounds, to-day ran Meelick off his feet and beat him by several lengths in the City Park $10,000 guaranteed. Angelus won, with Chapultepec second and Meelick third. Pinkola was the only other horse in the race. The distance was one mile and a quarter, and thetime, 2.04 3-5, a new track record. Chapultepec made the pace till the stretch, with Meelick hanging on, two lengths back, and failing to respond to Jockey Dugan, who vainly tried to work Meelick forward. Angelus stayed just behind Meelick until the stretch. Then he moved up with a rush, passing Chapultepec and taking the lead at the eighth post, and winning by four lengths. Chapultepec was two lengths in front of Meelick.

Meelick was 1-to-2 favorite, and was backed generously by one of the largest crowds which has witnessed a race here since antebellum days. Last Saturday the crowd, almost as large as to-day, paid no attention to Meelick, then the winner, and the longest-priced horse in the race, while to-day Angelus and Chapultepec, the good things of a few days before, found few friends among the bettors. Weather cloudy; track fast. Summary:

MONTREAL, March 21.—Montreal's ninth annual horse show has been fixed to take place in the Arena on May 6, 7, 8 and 9, and from the appearance of the mail which the secretary is in receipt of every day it does not seem that any of the enthusiasm of previous years has dropped out.

Exhibitors at all points are already making anxious enquiries as to the arrangements and are clamoring for the prize lists, which, however, will not be out for another week. It can be said that there will be an increase in the number of classes and that there will also be more prize money for distribution, the executive having seen their way clear to add considerable collateral in many of the classes.

Handicap Too Much for Latham.

TUXEDO PARK, N.Y., March 22.—Jay Gould, amateur tennis champion of the United States and England, defeated Peter Latham, professional champion of the world, on the courts of the Tuxedo Tennis Racquet Club to-day, by 3 sets to 1, in an exhibition court tennis match. The victory was a brilliant one for Gould because of the fact that Latham so easily defeated Eustace H. Miles, former amateur champion of England, by three straight sets yesterday. Latham, who was the favorite, conceded 15 in to-day's match. Gould was in fine form and played an aggressive game, using his "railroad service" to great advantage, while Latham seemed fatigued. The following is the summary:

First set—Gould 4, Latham 6.
Second set—Gould 6, Latham 1.
Third set—Gould 6, Latham 2.
Fourth set—Gould 6, Latham 1.

The referee was T. S. Tailer of the Tuxedo Tennis and Racquet Club, and the marker A. Forrester.

CROSSING FATALITY.

Miss Smith Instantly Killed When Train Struck Cutter.

STRATFORD, March 22.—(Special.) Miss Smith, aged about 56, who lived with her deaf and dumb brother two miles east of Shakespeare, was instantly killed at the crossing, near her home Saturday evening.

She was driving home, and was almost at her destination when the fatality occurred. The cutter was struck squarely, the occupant thrown out and her neck broken, while the horse escaped uninjured.

Coroner Devline adjourned the inquest until Monday night.

Deceased was a sister of Mr. Smith, M.P. for Oxford.

TOO FREE WITH POISONS.

Winnipeg Druggists to Feel the Rigors of the Law.

WINNIPEG, March 22.—(Special.)—Druggists must hereafter be more careful in selling poisons. One druggist is to appear in court on Wednesday under the new law, which requires that all persons purchasing poisons must register their names.

This case is the outcome of the suicide of Mrs. James McLeod, who died about two weeks ago from drinking carbolic acid. She obtained the poison by telephoning for it. She stated that she wished to procure poison for washing purposes, and the drug clerk sent the acid to her home.

A number of breaches of the bylaw have been noticed recently, and the police have decided to take steps to stop further violations.

Winter Port Figures.

ST. JOHN, N.B., March 22.—(Special.)—Seventy-six ocean cargoes have been filed in the customs house this season to date. These steamships carried goods valued at $10,836,799, and foreign goods valued at $5,327,964, making a total of $16,164,763.

Wheat shipments to date are close to 5,000,000 bushels. Deal shipments are over 34,000,000 feet, while cattle sent forward are over 14,000.

The New President.

NEW YORK, March 22.—Charles H. Keep of Buffalo, former assistant secretary of the treasury, and now a member of the public-service commission, was elected president of the Knickerbocker Trust Company Saturday.

NOT A BIT DISCOURAGED, WILL HOLD BIG MEETING

Temperance League Hopeful That Appeal to Higher Court Will Reverse Decision.

"We do not feel discouraged, but believe that it is a good thing and will stir up the people of Toronto. I believe that it will simply be the commencement of a local option campaign in the City of Toronto that will wipe out every bar room."

Thus cheerfully did J. S. Robertson, president of the Canadian Temperance League, as chairman at yesterday afternoon's largely attended meeting in Massey Hall, comment upon the judgment of Chief Justice Meredith in quashing the license reduction bylaw.

Mr. Robertson drew vigorous applause by the announcement that the meeting to commend the action of the city council would be held to-morrow night despite the decision. The speaker acknowledged the demonstration by remarking, "That's just what I expected. That's the spirit with which we temperance people go into battle. We are not afraid of a decision of the courts, but will go on, and we have reason to believe that this hall will not be large enough to hold the people."

The chairman said that, the city council had reduced the number of licenses whatever might be the legal finding.

"There is reason to be proud of our courts and judges, yet we know that judges may err and decisions may be reversed," he continued amid applause. The speaker referred to the fact that judgments quashing local option bylaws in Midland, Owen Sound and other places had been reversed.

There was no question but that the doom of the liquor traffic was sealed, said Mr. Robertson, who referred with satisfaction to the new British license measure, and the fact that one-third of the people of the United States now lived under prohibition. In Ontario there were 312 local option municipalities as against 419 not under such measure.

Expenses Not Met.

Mr. Robertson announced that of the 23 Sunday meetings held during the season, which concluded yesterday, only 6 had paid expenses, the others showing deficits ranging from $10 to $85. At the meeting of the previous Sunday, with an attendance of 2000, collections only amounted to $67.

The speakers announced for to-morrow night's mass meeting were Rev. N. Tucker, Rev. Dr. Sowerby, A. R. Williams, Controller Spence and James Simpson. The chair will be occupied by John Wanless, jr., and the Alexander Choir, Royal Male Quartet and several soloists will give a musical sitting.

The speaker yesterday afternoon, Hon. Lou J. Beauchamp of Ohio, is no stranger to Toronto. Neither were many of his witticisms, but others showed freshness and originality Mr. Beauchamp emphasized the statement that the present age is pre-eminently one in which young men are winning success in all walks of life, from the worship to the legislature chamber.
