Hr. Grace Notes.

R.N.R. Nathaniel Yetman of the South Side, who had been home on a month's furlough, left yesterday for St. John's en route to the other side again. He was accompanied as far as Clarke's Beach by his father and mother, Mr. and Mrs. Moses Yetman.

An interesting case was heard in court to-day when one of the crew of the s.s. Sagamore was convicted of a breach of the Prohibition Act and fined $100 or 18 days.

The funeral of the late P. Guilfoyle took place on Saturday and was largely attended. Much sympathy is felt for the widowed mother and other relatives in the sad death of this young man, one of the victims of the Florizel disaster.

Mr. and Mrs. James Parmiter wish to express thanks to their many kind friends who sent letters and telegrams of sympathy to all who visited them, and to those who sent wreaths for the casket of their dear son. Would all who showed any signs of sympathy accept their thanks.

Mrs. W. A. McKay and little boy Bert left for St. John's by last evening's train on a week's visit to her son, Mr. F. McKay, 23 Angel Place.

Pte. Frank Pumphrey of the C.E.F. arrived yesterday, giving his friends a pleasant surprise, as they did not expect him. Frank has seen much fighting since going to France.

Prisoner in Germany Writes.

Mrs. William Earles, 36 Cabot St., has received the following letter from her son who is a prisoner of war in Germany:

Dear Mother,—Just a few lines to let you know I am well, hoping to find you the same. I have not got a letter from you yet. I don't know the reason you don't write to me. I like to get a letter from home and hear all the news. I was expecting a letter from Lizzie by this time. I don't know the reason I don't get one. I suppose it is like everything elsse, out of sight out of mind. I write you every chance I get. Remember me to all the friends. No more from your loving son,

JAMES EARLES.

Son Doing Well.

The following letter has been received by Mr. Robert Raynes, 58 Monkstown Road, who is greatly appreciative of the courtesy shown by French Croix de Guerre for conspicu- decorated with the D.C.M. and the French Croix de Querre for conspicuous bravery displayed in action.

Dear Sir,—I am glad to be able to write and give you a thoroughly good account of Corporal Raynes.

He has steadily improved since I last wrote to you, and is so cheery and bright. He is up and about now and looking splendid. You may feel quite relieved of anxiety about him.

He has been so plucky and brave about all the pain he has had to bear that it has helped a lot. I am so glad to be able to tell you such good news about him.

Yours truly,
S. KNOX,
Secretary.

W. P. A. Call

TO THE CAPTAINS AND CREWS OF OUR SEALING STEAMERS.

The sealers responded most loyally to the call for assistance for our fighting boys last season and raised the handsome sum of something over $1,700.00, and now the W. P. A. are once more making an appeal to the hardy toilers, whose brothers and relations in the Regiment have done so well and have made such a splendid name for Newfoundland. The W. P. A. have asked Mr. Salter a second time to take charge of this Fund, and we feel assured that the response will be as generous as last season, or even better. With the war now raging our boys in the Regiment will want all kinds of comforts, and hence the appeal from the W. P. A. to the captains and crew of each steamer to do their utmost to subscribe handsomely so as to provide the cash for those good ladies who are continuously at work providing the comforts so necessary for the boys at the front. We have no doubt but that the sealers will respond most loyally and beat last year's record. Our practical sympathy is our money. The editors of the city papers have kindly consented to publish the names and the amount subscribed by each sealer, so let the giving be generous and let our fighting boys see that we all take an interest in their welfare.

Try "Cascarets" for Liver and Bowels If Sick or Bilious

Tonight! Clean your bowels and stop headache, colds, sour stomach.

Get a 10-cent box now.

Turn the rascals out—the headache, biliousness, indigestion, the sick, sour stomach and bad colds—turn them out to-night and keep them out with Cascarets.

Millions of men and women take a Cascaret now and then and never know the misery caused by a lazy liver, clogged bowels, or an upset stomach.

Don't put in another day of distress. Let Cascarets cleanse your stomach; remove the sour, fermenting food; take the excess bile from your liver and carry out all the constipated waste matter and poison in the bowels. Then you will feel great.

A Cascaret to-night straightens you out by morning. They work while you sleep. A 10-cent box from any drug store means a clear head, sweet stomach and clean healthy liver and bowel action for months. Children love Cascarets because they never gripe or sicken.

Sir Eric Geddes' Statement.

The satement of Sir Eric Geddes that "the submarine is held" is a most cheering message. It is childish to attempt to minimize the serious character of the destruction to the Allied shipping caused by German submarines. We have been told very little regarding the extent of this damage, but taking even the authorized figures of the Associated Press that the German claim of 9,000,000 tons is more than 50 per cent. too great, it still means that the quantity of food that otherwise would have been available for Great Britain and other allied countries in Europe has been seriously decreased. The First Lord of the Admiralty rightly gives warning that the number of ships must be increased if full advantage is to be taken of the success achieved thus far.

AT COCHRANE ST. CHURCH.—The usual Good Friday services will be hold at Cochrane St. Methodist Centennial Church to-morrow at 11 a.m. The Pastor Rev. Dr. Bond will preach, and his subject will be "The Victory of the Cross." Miss Curtis will sing a solo, "He was despised." A special offering will be taken in aid of the Supernumerary Fund. Evening service in Lecture room to commence at 7.45.

Obituary

MRS. ANNA F. PIPPY.

Mrs. Anna F. Pippy, the subject of this obituary, was the wife of Joseph Pippy, Esq., of the late firm of Shirran and Pippy, and youngest daughter of the late John Woods of this city. Mrs. Pippy was a woman of indomitable perseverance in good works. Her life seemed to go out in social reforms and in individual succour to the poor and unfortunate. She was an active working official of the Women's Christian Temperance Union and represented that society at the world's W.C.T.U. convention held in Boston a few years ago, at which the slogan was "Entire prohibition for the United States of America." She possessed a keen literary and incisive mind, and it was a pleasure to hear her recite the main incidents which occurred at that remarkable and influential convention. Locally she worked with a zeal that knew no respite, and those in the avenues of life in which she was conspicuous will miss her, whilst rejoicing that she has inherited the well done of the Master. Her husband, two sons, Capt. Wilfred J. W. of the Royal Nfld. Regiment, and G. Vater of this city, and one daughter, Doctor Olive, of Nevada, Iowa, U.S., survive her, also two brothers, Rev. Alfred Woods, of Boston, Mass., and Sidney Woods of this city.

NOT TOO CONFIDENT.

AMSTERDAM, March 27.

The Berlin Tagelische of Sunday's date attempts to lower the high expectations of the German people on the great offensive. The paper points out that it will be necessary to crush the British Army before it is possible to break down resistance, and adds, if it is impossible after a short but severe artillery preparation to break through all lines with our infantry, then we must not count on a break through along the whole front.
