## 110 RINKS ARE IN ACTION GREAT BOWLING TOURNEY OPENS

### Half of the Aspirants Have Been Defeated in Opening Rounds and Magnificent Battle for Blue Ribbon Event Is On—Flannelled Knights of the Bowl Own London City.

The great trophy race is on.

More than half the aspirants for the blue ribbon of the bowling world are now classed among the defeated, and in a few hours more a still greater number will lose their chance for the magnificent cup. Yesterday practically all of the rinks entered came to town, and the defaulters were few in number.

A MAGNIFICENT SIGHT.

After the preliminaries of the afternoon, the rinks were not long in getting into the game, and in a few minutes all the 32 greens were occupied. It is a rare sight to see 110 rinks in action at one tourney, a sight seen at no tourney in America, and perhaps nowhere else. The white-flannelled knights of the bowl, with their cheery words of encouragement to the members of their own rinks, and their appreciation of fine play, no matter by whom, have the best of sport, and there is nothing to mar the pleasure of the outing.

The opening play of yesterday was good. It took some time to get the greens, but they are in good shape, thanks to the untiring efforts of Dick Sparrowhawk, and very little fault could be found with them.

**Brilliant Games.**

As a consequence the bowling was better than is the custom on opening day, and many truly brilliant games resulted. The games in which Dr. Wiley, J. S. Willison, C. Carrick, Armitage, Booker, Lind, Hoover, Dick Gosnell, Bill Smith, and a score of others, took part, were the finest exemplifications of the great game.

The quality will improve, too, as the nervousness wears aff, and the bowlers become accustomed to their surroundings.

The beautiful lawns and surroundings of the London Bowling Club never presented a more refreshing appearance. The weather was cool and pleasant. Everything was ideal for the game.

**Rinks Evenly Balanced.**

There is no posisbility of discovering the coming champions. There are scores of rinks so well balanced that a little luck will decide the destination of the prize money.

The first and second rounds of the trophy will be run off today. The preliminary was finished last evening, and considerable of the first round. The association match for the Tecumseh trophy commenced this morning at 11 o'clock. The consolation will follow. The doubles will not be commenced until Wednesday.

## THAMES BOAT CLUB PLANS GREAT RACES

### Fine Programme of Trophy and Feature Races Arranged for the Holiday.

The Thames Boat Club will have a busy time on Civic Holiday morning.

The sports committee have arranged a programme of three special races for the morning.

With the number of speedy craft now on the river, the rivalry between the boys for the handsome trophies now up for competition is getting pretty keen, and these races promise to be the most exciting yet run.

The ten-mile free-for-all race for the trophy will be the first on the programme. It will start sharp at 9 o'clock with the following entries: Alf Sheere, Ray Gorman, Percy Braddon, Jack Collison, Charles Jones and E. Morkin.

This race on account of the extremely low water on the upper river, will start at Springbank dock, and be run twice around the five-mile course.

The ten-mile handicap for the Young trophy will be run over the same course as the free-for-all and will start at 10:15 sharp.

The following will start in this race: John Collison, Don Hennigar, Charles Jones, S. Threapleton, Geo. Fisher, Wm. Lewis, Alf Sheere, A. Keene, Gib McLaren, Percy Braddon, G. Smythe, Ray Gorman, F. Kerr, E. Morkin, Lorne Spry, C. Clark, Stanley Isaacs, Roy Ganett, John Blythe, Paul Irwin, M. Aylsworth, G. Finchamp, M. Priestley, E. Westman, E. Harper, A. Phillips, E. Jeffrey.

The third event will be an obstacle race for a $45 magneto.

This promises to be a pretty entertaining event, as the conditions of the race make some swimming and running just as necessary as a good running boat. The conditions of the race are as follows: The contesting boats to be anchored in the centre of the river, with the owner alone on board. At the word "Go!" from the starter the owner jumps from the boat and swims to the shore, then runs 50 yards and swims back to his boat. He then starts the engine and runs around the half-mile course, coming back to the starting point; swims again to the shore and runs 25 yards. The first man home gets the magneto. The second and third men also get a cash prize donated by the club.

## DONLIN WANTS SALARY AND PART OF RECEIPTS

### Mike Looking for a Lot With Philadelphia Job.

New York, Juy 26.—Mike Donlin, the former New York National League player, reached this city today from Point Pleasant, N. J. Donlin had little to say about the deal whereby he is to captain and manage the Philadelphia Nationals.

"I expect to go to Philadelphia, but I can't say just when, as the arrangements are not all made," said Donlin. "Mr. Felix Isman will communicate with me soon, probably later today, and then I can say what is doing. If I take hold of the Phillies it will be on a salary basis with a share of the gate receipts coming my way, too."

Capt. Irvine made an efficient range officer. After the shooting, lunch was served in a marquee on the grounds, and an impromptu programme of songs and speeches rendered.

Shooting was at the 200 and 500 yard ranges, and the apparently low scores are perhaps accounted for by the very strong breeze blowing across the ranges.

## TOM AND ALFIE

Toronto, July 26.—Tom Longboat and Alfred Shrubb meet in a 12-mile race at Scarboro Beach on Saturday. The race is the first of a series of three at varying distances.

As a preliminary a five-mile event will be pulled off between Frank Nebrich, of Buffalo, and Percy Sellen.

The new record was made by Private George W. Reed, of Company A, Sixth Regiment, M. V. M., of Wakefield. The best previous record of the range was 20 consecutive bullseyes made last year by Capt. Stuart W. Wise, ordinance department M. V. M.

All the extra players on the New York bench and several from the home bench were put off the field in the 15th inning for loud talk. Score:
