MAHER AND SHARKEY.

Perfecting Arrangements for the Match Between the Heavyweights in October.

New York, Aug. 11.—Buck Connolly of Pittsburg and Dan Lynch of San Francisco, the managers respectively for Peter Maher and Tom Sharkey, the pugilists, held a long conference to-day in reference to the articles of agrement which each received by mail from the Knickerbocker A.C. of San Francisco, where their men are to meet in the ring next October. The articles were signed by President Frank W. Miner and Manager Zick Abrahams of the Knickerbocker Club. The club offers a trophy to be of the value of $20,000, and stipulates that Maher and Sharkey shall meet in a scientific sparring exhibition of twenty rounds or more, in San Francisco between noon and midnight on Oct. 12. The club will post a forfeit of $5000 as soon as the articles are signed and the contestants are to put up a forfeit of $2500 as a guarantee of good faith in all of the terms in the agreement. The articles call for a mutual agreement, on a referee twenty-four hours before the contest. After a long discussion Connolly and Lynch agreed to sign for their men if some changes were made. Connolly insisted that Maher should have at least seven weeks to train after his return from Europe, which will be about the end of this month, and this will necessitate changing the date to the latter part of October. The Pittsburg man also objected to having the choice of referee left off until the day before the proposed bout. Lynch agreed to have the time extended to two weeks before the fight, and the referee to be mutually agreed upon by the principals. These together with same minor changes were made and mailed to San Francisco for the club's endorsement. A reply is expected by telegraph next Monday and if the Knickerbocker representatives yield to them there will be no further hitch and the men will go into active training, as soon as they reach this side of the Atlantic. Sharkey is expected here on Saturday, Aug. 21, and Maher will probably arrive a week later.

THE GARRISON BEAT TORONTO.

On the Varsity lawn yesterday the soldiers beat the Toronto C.C. team by 71 runs. For the military W. H. Cooper (51), Lieut. Elmsley (35), S. H. Cooper (10), and for Toronto D. W. Saunders (20) made the respective scores by first-class cricket. In bowling W. H. Cooper obtained 4 wickets for 18, Boultbee 4 for 19 and Galloway 5 for 29 runs. Special mention must be made of Bryant, who disposed of Wadsworth at extra mid-off by a high right-hand catch. Scores:

TECUMSEH OR TORONTO?

At last a match has been arranged between the Toronto Lacrosse Club and the Tecumsehs, to be played on the Island oval on Saturday afternoon. Representatives of the two clubs met yesterday and decided to play a match for the championship of Toronto. It will be the first time the teams have met this season, and the game should be a fast and close one, although the odds should be in favor of Toronto, as they have met stronger clubs during the season. The result of the Torontos' breaking the Eastern compact to play an exhibition game will likely bring Ottawa, Shamrocks and Cornwall here to play with the Island Braves.

LACROSSE POINTS.

Madoc defeated Hastings seven goals to three in the lacrosse match yesterday of the Madoc grounds.

At Streetsville—The last lacrosse match in the Royal District series was played yesterday between the Victorias of Guelph and the Thistles, and resulted in favor of the home team, six goals to three. This leaves the Thistles champions of the district, they not having been defeated during the season. Mr. Slater of Arthur made a satisfactory referee.

A large party of Cornwallites, who have unbounded faith in the possibilities of the Factory Town team, will accompany the Cornwalls to Ottawa next Saturday. The Cornwall team is practising hard this week. Turner's broken hand will prevent him from playing, and the team is likely to be the same as won the latter part of last Saturday's match in Cornwall.

ASSOCIATION FOOTBALL.

Hamilton, Aug. 11.—(Special.)—The Hamilton District Association Football League held a meeting this evening to draw up a schedule of fall games. The Victorias of Burlington succeeded in having the four-mile limit for drawing on players changed to 20 miles, and thereby caused the secession of the Waterdowns. The league now contains the Vics and St. Matthews, with the Hamilton Rangers yet to be heard from. The first game will be played Aug. 28. Rev. C. E. Whitcombe presided.

TORONTO CONTINUES TO WIN

Syracuse Up Against It at the Island.

STARS PUT UP A GOOD GAME

But the Irwinites Led from the Start—Score 4 to 3.

Dirty Bill Egan Raised a Kick in the First Innings, Was Fined $10 and Then Subsided—Buffalo Twice, Scranton and Providence Also Won.

Toronto's percentage went up another notch yesterday, as was expected when Syracuse would meet the leaders. Buffalo went one better, and beat Montreal twice, and the Bisons are now well in second place, in front of the Stars. Scranton has made a great spurt since Manager Sandy Griffin got rid of Beard and O'Brien, as Providence and Springfield well know. The Coal Heavers outplayed Tom Burns' aggregation yesterday, and deserved their victory. Providence was lucky in winning out from the tail-enders in the ninth. The same teams meet again to-day, and then Toronto takes a short trip to Buffalo. It was intended to play off Tuesday's postponed game on Friday, but Manager Rowe would not release Mr. Irwin from an arrangement made last week to play in Buffalo to-morrow. The crowd yesterday at the Island was one of the largest of any ordinary day of the year, and must have made Buckenberger wonder what was the matter last year, when he had to take his team to Albany. Umpire Swartwood held the men well in check yesterday, and after the first innings there was very little kicking. Then Egan led his gang in an attack on the official, who taxed him $10, and after that Dirty Bill kept quiet. The record:

	Won.	Lost.	P.C.
Toronto	55	34	.618
Buffalo	57	38	.600
Syracuse	55	39	.585
Springfield	48	37	.564
Providence	45	44	.505
Scranton	39	43	.475
Montreal	30	57	.337
Wilkes-Barre	24	61	.282

Games to-day: Syracuse at the Island, Montreal at Buffalo, Springfield at Scranton, Providence at Wilkes-Barre.

SYRACUSE SHOWED UP WELL.

It was a pitchers' battle yesterday afternoon at the Island, and both twirlers were well backed up by the fielders behind them. Only seven hits were made off Dineen, three being of the scratch variety, one a clean single, besides Jud Smith's double against the blackboard, and Earl's home run.

The Torontos cracked out one or more in each innings, all of the hitting to order, but could not bunch more than two. Taylor's work at second was particularly brilliant. Freeman drove in two runs, McGann one and White one. The Stars played like a losing team from the start.

The day was fine, with a high wind from the north, and the big crowd must have thought it a pretty good game. They were surprised but satisfied. Everyone expected Toronto would win, and went home happy because they did, but no one looked for the close contest that the Stars put up against the leaders.

Toronto won by the smallest possible margin, and there is little use in moralizing about runs lost by the old enemy, hard luck. Toronto never lagged behind in the nine innings, and sprinted ahead two-thirds of the journey. The Irwinites only drew one to start with. After Casey retired on a grounder to first, White walked, went to second on a short passed ball, and scored on McGann's clean single to centre field. Garry returned the ball late, and in attempting to stop the throw Mallarky shoved it off to the track, let McGann to third and made the Stars' only error of the day. In chasing the ball Shaw collided with Taylor, who was on the coaching lines, and Ryan had to take his place.

Egan let the first ball pitched hit him, and then made a spavined attempt to steal second. Garry sent an easy fly to McHale, and Dirty Bill's running mate struck out. Toronto retired, one, two, three in the second and third, although White made a hit in the third, but his attempt to purloin a bag made the Irwin shortstop a combination of untoward circumstances gave Buckenberger's good things one in their half of this inings. After making a clever stop of Ryan's grounder he threw very little wild, and the runner was safe. Mallarky attempted a sacrifice and forced Ryan at second. Egan fouled out to McGann, Garry sent up an easy one that White cut and Wagner let drop between them, which would have been the third hand out. Then Dineen pitched one a little too high. The ball struck in the ticking behind the batsman and the monkey pitcher came in from second. McHale and Freeman singled in the fourth, and Taylor rapped out a fine hit to the centrefield track for three bases, but was nipped at the plate on Dineen's grounder to the pitcher.

White and McGann walked in the sixth and McHale sacrificed them neatly up a peg. Freeman drove the ball to left centre and two more runs were across the plate. Dr. Smith sent out a pretty single to right and Freeman had third bag, but Swartwood called him out, and the batsman hitting right fielder should have accepted the decision, but he didn't, and his interview with the umpire cost his retirement. Lush taking his place. Wagner's foul fly retired the side. Jud Smith's lucky two-bagger that the wind blew to the blackboard, a stolen base and an out at first gave the Stars one in their half, and made the score 3 to 2.

Dineen's base on balls, a passed ball and McGann's single to right in the ninth produced a run that proved to be the winning one. The clever twirler felt in a liberal mood when the first man faced him for the Stars' last effort. He sent an easy one up to Earl, who pushed it over the fence. Then he pitched in earnest. Ryan's hit was a little grounder to pitcher. Shelbeck was trotted out as the heavy hitter, to bat for the pitcher, and struck out on three pitched balls. Bill Egan followed suit without kicking, and the game was over. Score:

THE OTHER GAMES.

At Buffalo—The Bisons captured both games from Montreal, the second one in a walk. The locals had on their batting clothes, and the rooters saw plenty of slugging. Clymer and Urquhart made home runs, and the others in the two games helped themselves to many two and three-baggers and long singles. Montreal put up a good game at the start, but fell down badly in the second one. Souders' pitching in the first game was quite a feature. He struck out eight men. Score:

Battery for Toronto, Williams and Casey; for Syracuse, Kissenger and Ryan. Reserved seats are now on sale at Harold A. Wilson's, 35 King-street west. The next home game for the Torontos yill be against Buffalo on Monday next, and on Tuesday they meet the National League team, Cleveland.

HOT IN THE NATIONAL.

At Washington—The Phillies played a listless game in the field and were unable to hit Mercer, while the Senators' connections with the ball were more frequent and to the purpose. Cooley played one inning and was then replaced by Orth. After the game Lajoie became involved in a quarrel with a bystander, and, descending from the 'bus, struck him on the head. The players were taken to the police station, where Lajoie left $15 collateral for his appearance in court to answer to a charge of assault. Score:

At Brooklyn—Baltimore won two more games from the Brooklyns. In the first Dunn's curves were knocked all over the lot. Brown, a youngster from Trenton, N. J., was given a trial in the second game. He did fairly well, notwithstanding the fact that he sent four men to bases on balls and hit three others during the sixth inings, he was in the box. He was very poorly supported. Score:

At Boston—New York batted Lewis freely for three innings, scoring four runs in that time. Then Lewis steadied down and did fine execution. In the last half of the eighth Boston tied the score, and Hamilton, aided by errors by Clarke and bases on balls, netted five runs, and Boston won out. Score

HAMS DRAW AWAY.

Guelph, Aug. 11.—Hamilton again defeated the Leafs this afternoon by only one run. McDermott had poor control, and was hit pretty freely, while Cochrane proved himself a puzzle to the Leafs, except for the three last innings. In the last half of the ninth Guelph only needed one run to tie the score. The bases were full, with only one man out, but Murphy flied to Hoffman, who doubled up Roberts at second. Score:

WINDSOR MAY RE-OPEN.

Detroit, Aug. 11.—It is rumored to-day that owing to the dissatisfaction felt by the bookies on account of the $1 admission charged by the Detroit Driving Club and the consequent small attendance and small profits to the bookmakers a movement is on foot to re-open the Windsor race track next week and start a hot competition on the other side. L. F. Wisswell, manager of the Windsor track, says there is hardly any doubt that Windsor will resume the Grosse Point meeting is closed. The only hitch at present is the date for starting the races. Mr. Wisswell says it will not be for ten days at least. Books and horses will then go to Windsor and Mr. Campau will have a chill, according to the Windsor manager.

ALL SORTS AT FORT ERIE.

Fort Erie, Aug. 11.—All the horses from across the line, except W. H. G., were beaten here to-day, when the four-days' trotting meeting opened. All of the starters in the 2.25 trot were from this side of the border, and there were many Canadian entries in the 2.20 pace.

The weather was fine, track a trifle heavy; attendance about 1500. Hazel Mack won the trot in hollow fashion, as did W. H. G. the pace. There were four starters in the steeplechase, but only one finished, the others going down at the hurdles. Jockey Feeley, who was on Ruby, was badly hurt, having to be carried from the field on a stretcher.

Marion Mills, the guideless wonder, went against her record of 2.04¾, but could only cover the mile in 2.10¾. The last half, however, was made in 1:03¾. Summaries:
