FIGHT TO-NIGHT AT 'FRISCO JEFFRIES AND THE MINER

Straight Queensberry Rules Will Govern—Champion Top-Heavy Favorite.

San Francisco, Aug. 25.—Neither Jeffries nor Munroe will take any more severe exercise before the meeting to-morrow night. The articles permit the use of soft bandages, which must be put on in the dressing rooms and must be approved by the referee. They will be permitted to protect themselves in the clinches and breakaways. Jeffries will fight with gloves provided by the club, but Munroe is having a special pair made. Referee Graney will not recognize any towel or sponge thrown into the ring, except by Delaney or McCoy, the authorized seconds. As soon as either man goes down the referee will count the seconds in unison with the official timekeeper. Betting remains light, with odds unchanged.

At a conference between Jeffries' and Munroe's representatives and Referee Graney, it has been decided to fight Queensberry rules, with the added stipulation that they must protect themselves in the clinches and breakaways. Of the recent battles for the heavyweight championship that have been held in San Francisco, this will be the first that has been conducted under those stipulations. Instead of being compelled to break clean and get set after each clinch the two giants will be allowed to pummel each other in clinches and breakaways. They will fight, in other words, the same sort of a battle that the little fellows do and that is the most popular with San Francisco lovers of the game.

Jeffries this afternoon enjoyed another row on Lake Merritt, finishing his work. He will not put the gloves on again until Friday night, in the ring. Since Jeffries tipped the scales at the Reliance Club Monday night at 225 pounds there has been no change in his weight, and that is the weight at which he expects to fight.

"If Jeffries weighs any less than that," said Billy Delaney this morning, "I would want to know the reason. I believe he'd be in better condition at even 235 pounds. You know I don't believe in training down. It's better to train up. Training down is how 'Fitz' nearly got 'Jeff' once."

Jack Munroe jumped out of bed this morning feeling as spry as a colt, but did not do any hard work. About 10 o'clock he went on the road to "pump out his lungs" and keep an edge on his training. Outside of a few private lessons from his chief boxing instructor, he spent the day killing time and reflecting on his coming chances with the big fellow.

Munroe was much pleased with the receipt of a message from "Young Corbett," wishing him good luck in his fight with the champion on Friday night. If cheerfulness and happy countenances count for anything there is not the slightest semblance of worry over the coming battle, and the fact that the odds are 10 to 3½ does not seem to bother anybody at the camp.

Betting was not brisk on the big fight last night, tho there were a number of small wagers reported. Of course, Jeffries money was in abundance, but looking for the best odds. Ten to 4 could no longer be had and long before midnight admirers of the champion were forced to take 10 to 3½, and even at this price very little Munroe money was seen, and there is not liable to be much. The poolroom people look for odds to go to 10 to 3, which will be the bottom notch. There will be more money bet on the rounds than on the result, for the odds are better. Sporting men prefer to lay even money that Jeffries will win in ten rounds, than 10 to 3 that he will defeat Munroe in 20 rounds.

BOYS BEAT BOSTON EXPERT.

Rain Interfered With Lawn Tennis Play Thursday at Niagara.

Niagara-on-the-Lake, Ont., Aug. 25.—The second day's play commenced well, and during the morning several matches were played, altho the very high wind prevented any particularly good tennis. However, one or two surprises happened. Boys (owes 15) of Barrie beat H. J. Holt (owes half 40) of Boston in the handicap, the former playing excellent tennis thruout. McDonnell had a hard fight against Hicks, Boston, and the former, after three long sets, finally won out. Kirkover of Buffalo has improved greatly, and is regarded as a winner in the handicap. Paterson was not in his usual form, and after many stoppages in his handicap match with Bissell, he was beaten. Bell of California beat Glassco after a very nice exhibition.

The afternoon matches were called off on account of rain. This will necessitate many important matches on Friday, when the semi-finals will doubtless be reached. Dewhurst will likely meet Bem on one side, while the other is between Leroy, Burns, Paterson and Holt. The doubles are regarded as being very evenly matched, and Saturday will surely be a great day at the Queen's Royal courts.

In the Canadian event, Boys meets Suckling; MacDonell plays the winner, Paterson being on the other side of the draw.

The following are to-day's scores:

Open singles—Bell, California, beat Glassco, Toronto, 6—3, 6—3.

Handicap singles—Kirkover, Buffalo, beat R Bissell, Buffalo, 8—6, 6—2.

Boys, Barrie, beat H. J. Holt, Harvard, 6—1, 6—1.

H. Bissell, Buffalo, beat E. R. Paterson, Buffalo, 6—3, 6—2.

MacDonell, Toronto, beat Hicks, Boston, 6—1, 7—9, 7—5.

The Torontos were defeated again on Thursday by the strong Newark aggregation, but yet retain their position in fifth place by a small margin. Montreal do not seem to be ablet to beat Baltimore, and they lost to Jennings' bunch in rather easy fashion. Buffalo could not defeat the Greys and as a result Baltimore leads with one game to the good. The tail-enders counted out two more defeats in favor of Jersey City. The record:

Oakville Baseball Club.

The Oakville Baseball Club have had a very successful season this summer, having won 18 out of 19 games played. They have beaten several Hamilton and Toronto teams and were defeated but once, namely, by the St. Marys. Much of the credit of this good showing is no doubt due to the judgment of J. J. Kelley, the manager. The team is a purely amateur one, and are open for challenges from any amateur team in Canada.

J. J. Kelley, a prominent Oakville citizen, and formerly mayor of the town, decided to give the Oakville players a good time. So he brought them down on Thursday by boat to Toronto. Not satisfied with this he took them via the Turbinia to Hamilton. The return was made to Toronto at night in time to witness the minstrel show, and the team departed on the 11.15 train for home, feeling happy and grateful to their jolly manager for the good time he had given them.

Mimico Beat Rosedale by an Innings

The Mimico Asylum C.C. defeated Rosedale on Thursday on the asylum grounds by an innings and 84 runs. The asylum went first to bat and scored 174 runs: Whittaker made 38 by good hard drives; Evans was a close second, getting 34, and Terry hit up 23. Rosedale in their first innings, were all out for a small 47; they did even worse in their second innings, getting only 43.

The bowling of Evans and Whittaker proved very destructive and the Rosedale players were not able to cope with it at all.

Good Things at Detroit.

Detroit, Aug. 25.—The players of favorites and special good things made bookmaking an unprofitable thing at Highland Park to-day. The ring was hard hit on several races, especially by the steeplechase which was won by Navigator, who was the medium of a heavy play. The Pet, who made her first appearance at the meeting, easily won the feature event of 4½ furlongs, for which she was a strong second choice to Darthula, who took the place. Easy Trade surprised the talent by repeating in the fifth race at the good price of 6 to 1. Nugget was the good thing in the first race and won by a nose in a drive with Jigger. By Play and Christine A. were winning favorites in the second and third races. Results:

First race, 6 furlongs—Nugget, 112 (Truebel), 9 to 2, 1; Jigger, 110 (Sallard), 6 to 1, 2; Little Boy, 117 (R. Johnson), 5 to 1, 3. Time 1.18. Sailor Lad, May Combs, Ethel Davis, Silver Heels, Lady Charlot, St. Roche also ran.

Futurity Handicap To-Morrow.

New York, Aug. 25.—The revival of the turf war between the Keene and Whitney stables in the coming race for the rich Futurity Stakes, to be run at Sheepshead Bay on Saturday, is attracting more attention daily. If the track is fast, it looks as tho the race will be between these two powerful sables, with the chances slightly in favor of Mr. Keene. It is certain that the representatives of both stables will go to the post ready to race for a kingdom. Mr. Keene will probably be represented by at least three—Sysonby, Blucher, Wild Mint, and, perhaps, Von Tromp. H. B. Duryea's entries, all of which represent Whitney interests, will be: Tanya, Artful, Rose of Dawn and Pioneer. Sydney Paget will be another owner who will start more than one in the big race. He will be represented by both Tradition and Woodsaw. Should there be a heavy track for the running of the big race, Mr. Paget makes no secret of his belief that Woodsaw will beat his formidable rivals from the Keen and Duryea stables. On a dry track, however, Tradition will be the Paget dependence.

Tradition, the grand young daughter of Reclare, was the only one of the Futurity candidates to be worked yesterday. In company with Hamburg Belle, and with Lucien up, the filly, who will have the honor of carrying top weight in the great classic, worked 6 furlongs in 1.15 1-5. Apparently, she was all out at the finish, but she is a hearty mare and the work, undoubtedly, will improve her vastly.

CIRCUIT RACES IN SLOW TIME.

Heavy Wind at Readville—Sweet Marie Won Feature.

Readville, Mass., Aug. 25.—A heavy wind made fast time impossible at the Grand Circuit meeting to-day. The Poncapoag was the feature and Sweet Marie carried off the honors. The opening heat went to Direct View by a short neck in 2.08¾. Sweet Marie was timed the final half in 1.02. Smith, driver of the favorite, Sweet Marie, made no effort to get the second heat. For the next heat the judges substituted Alta McDonald.

Going away, Direct View went to a break and the mare easily beat the field. After that Deryder, behind Direct View, was unable to make Sweet Marie trot in faster time to win.

Day Book, owned by Hon. J. M. Johnston of Calais, Maine, was the favorite for the 2.18 pacing race. There was nothing capable of making him exert himself.

The 2.07 trotting event was the subject of considerable discussion, resulting in Driver Boone asking the judges to let Ed. Geers drive McKinley, the favorite. The request was granted and the gelding won.

It was Red Bird all the distance in the 2.10 pacing class. He sold over the field before the start of the race. It is announced that E. E. Smathers of New York bought Dr. Strong (2.08), after the second heat of the Massachusetts Stake race yesterday, for the sum of $14,000. Summary:

C.L.A. INTERMEDIATE SEMI-FINALS

Orillia and Chatham Win—To Meet for Championship.

Bradford, Aug. 25.—The best game of lacrosse played here this season took place this afternoon between Orillia and Bradford in the intermediate series finals. Orillia scored the first and only game in 4 minutes, while Bradford took four in half-minute, ¼ minute, 2 minutes and 10 minutes. It was a pretty rough game, eleven Orillia men being penalized and seven for Bradford. Too much praise cannot be given to the referee, F C Waghorne, for his promptness in ruling off transgressors and his impartiality. Orillia bunched their goal all thru or the score would have been much larger in favor of the Bradfords. The following are the players: Bradford (4)—Gee, goal; Dr. Campbell, point; Manning, cover point; J. Webb, first defence; G. Webb, second defence; Etterby, 3rd; Archer, centre; Brown, 3rd home; McLelland, 2nd; Marshall, 1st; McKinstrey, outside home; Graham, inside.

Orillia (1)—Arens, goal; Quinn, point; Hynds, cover point; Hammond, 1st defence; O'Connor, 2nd; Anderson, 3rd; Dunn, centre; Curran, 3rd home; Wilkinson, 2nd; Whitehead, 1st; Hall, outside home; Pennock, inside.

Chatham Won at Mount Forest.

Mount Forest, Aug. 25.—The semi-final game to-day between the Chatham Tecumsehs and the Lornes was one of the hardest and fastest games ever played on the home grounds. In the first quarter Chatham scored 1 and Lornes 2. Early in the second quarter the Lornes' defence seemed to be off color and Chatham scored three goals in quick succession, making it 4 to 2 at half time. The Lornes had the best of the third quarter and had many shots on the flags, but Robinson stopped everything. The last quarter was the fastest of the game and the Lornes, after the most determined assaults on the Chatham goal, succeeded in scoring twice and many times nearly tied the score. Thus the game finished 5 to 4 in Chatham's favor. Manager Babcock has a team that will make Orillia or any other team they go against go a fast gait to beat them. He, as captain, pulled the team together several times when they were inclined to go loose. The game was rather rough in spots, owing largely to leniency of the referee, W. Henry of Orangeville, who has not had experience enough for a fast game. The line-up:

Chatham (5): Robinson, Francis, Pickering, Elliott, Dowling, Quesnel, Haydon, Grace, McLaren, F. Ross, Stewart, McFarlane.

Mount Forest (4): Hamilton, Stewart, Pickering, McPhaden, Lambert, Fair, Hefferman, Martin, Prendergast, Cowan, Ross, Farrell.

Bowmanville Beat Cobourg.

Bowmanville, Aug. 25.—Bowmanville wins from Cobourg in the Midland League. Beofre a fairly large crowd here to-day the home team defeatde Cobourg in a hotly contested game by a score of 7 to 6. The game till the last innings was anybody's, the locals winning in the ninth on three singles. Just before the game a heavy shower fell, making the grounds slippery, this being the cause of several errors. Batteries: Bowmanville, Hooper and Weekes, Cobourg—Downs and Floyd. Umpire—J. Rosevear, Port Hope.

Among the entries for Saturday are Briggs, Faircloth, Sherman, Marsland, Tyrell, Sparrow and McQuillan. The course will be twice around the three-mile triangle. This race will bring the schedule of water sports to a close for the season. The fall program of indoor doings will be ready in a few days and the "red ring" kept rolling.

Bering defeated Miss Gladys Winn, the Indiana golf champion, 4 up, 3 to play; Miss J. A. Carpenter defeated Miss Elsie Boulton, Exmoor, 3 up, 2 to play, and Mrs. H. A. Beidler of Lake Geneva defeated Miss Mary Gardner of Hinsdale, 1 up and thus earned the right to play Miss Carpenter to-morrow in the semi-finals.

Ontario Tennis Championships.

The big tournament which commences Sept. 3 on the courts of the Toronto Lawn Tennis Club bids fair to be the most successful event of the tennis season. All arrangements are being made to give visiting players a good time, and, judging from the entries that are being received, no small number of ou-of-town men will take advantage of the reduced railway rates in force during exhibition time. The younger players are also entering the novice and handicap events in large numbers, but with the eight courts at the disposal of the club there should be no difficulty in bringing the tournament to a close within the week. Tea will be served on the closing days of the tournament by the ladies of the club. Admission for non-contestants 25c each day, or 50c the whole week. Entries close Sept. 2 and should be mailed to C. F. Taylor, 460 Jarvis-street, from whom programs and further particulars may be obtained.

It is said that C. Dudley Cooper, an Australian journalist, who is at the present time in Toronto, is the agent of George Towns, the champion professional oarsman of the world, and that the story sent out by Mr. Sullivan is true to some extent. If satisfactory arrangements could be made, a race might be brought about between Towns and Durnan.
