NO SURRENDER ON THE SCHOOL QUESTION.

FREDERICTON, Dec. 26.

It has leaked out that the Government at its last meeting had a full and final discussion on the School question, and resolved that nothing should make them waver from an uncompromising adherence to the strictly non-sectarian features of the Act. All the members, though from different parts of the Province, expressed the opinion that this country would never submit to sectarian schools supported by taxation.

NEW YORK, Dec 26.

CHRISTMAS

was generally observed as a holiday throughout the country.

THE COLD.

Despatches from all points report remarkably cold weather.

DEATH ON THE RAIL.

The railroad disastor near Corry, Pennsylvania, Tuesday was more appalling than was at first reported. Twenty-one dead bodies have been recovered, sixteen of them so burned by the wrecked cars taking fire as to be unrecognizable.

By another railroad accident in Kansas, yesterday, two persons were killed and four wounded.

Still another accident occurred to the Chicago express train on the Indianapolis road, injuring twenty passengers, three fatally.

SNOW.

A snow storm commenced this morning.

THE STORM IN MICHIGAN.

ST. JOSEPH, Mich., Dec. 24.

The situation of the railroad last night, remained unchanged. All the road cleared out Sunday, has filled up again. Snow, accompanied by high winds, has fallen continuously for the past three days. The storm exceeds any ever known in this part of the State. The main difficulty on the railroad, is between Colorna and Bridgeman, a distance of 23 miles. Drifts are from three to ten feet deep. The worst places are between Pentwater and Montague. All the trains were withdrawn last night, but if the storm abates by morning, the road will be cleared by Wednesday. The thermometer is twenty degrees below zero, and it is feared that the fruit crop is ruined.
