

GOULDS RELIABLE SPRAYERS

**You've
Got to Spray if
You Want Good
Fruit**

You can do thorough spraying only with the most efficient pump and outfit. No other kind of spraying is worth while—no other spray pump is worth bothering with. That's why you should buy a Goulds Reliable Sprayer.

Goulds Sprayers are, first, designed to meet spraying conditions most efficiently; then, built of the proper materials to give long service and resist the action of spray chemicals. Made in all types, for hand and power.

Don't buy a spray pump because the first cost is low. A Goulds Sprayer will prove the most economical you can buy.

Send for our booklet—

**"How to Spray—
When to Spray—
Which Sprayer to Use."**

The numerous and authentic spray formulas it contains make it of the greatest value to every crop grower.

Actions Speak Louder Than Words

Everywhere all the world over you will find the successful men and women are those who have "done things" and are doing things—you feel you can bank on them every time.

That's one reason why I always use The Metallic Roofing Co's. materials on my various contracts and work—they don't have to tell you what they will or might do but show you what they "have done" and "are doing".

One great advantage of the Metallic Roofing Co's. goods over any others, is that when your job is finished, whether Roofing, Sidings, Walls, Ceilings or any old thing—you know it will never need any more attention—in your life time anyway. Now take

Honest Tales

EASTLAKE STEEL SHINGLES

They outwear any metal shingle on the market. They are of better steel than any other. The design and construction of the "EASTLAKE" Steel Shingle is a guarantee in itself—because unless the steel is of the highest quality it will not make an "EASTLAKE" Shingle, as inferior Steel will not stand the stamping and forming.

There are no other metal shingles on the market that can stand the "EASTLAKE" process.

"EASTLAKE" Steel Shingles were the first lightning proof shingles in Canada—and are just as far ahead of others to-day—in fact with an "EASTLAKE" Roof you need no lightning rods.

There are many other exclusive advantages I have experienced in using "EASTLAKE" Steel Shingles that I have no room to mention here, but if you are interested in building or roofing write to-day for free booklet and full information.

**Fire,
Lightning,
Rust and
Stormproof
Have already
stood the test
for 26 years.**
