FORT GEORGE, THE NEW "Pay Roll City"

In the heart of Central British Columbia—commanding the trade of the great Peace River district—one hundred million dollars will be spent in railroad construction alone in the next four years, opening up this great Inland Empire; Fort George is its pay roll centre.

You can share in the handling of this money if you are a business or professional man, carpenter, builder, or wish to engage in any kind of business or work in a new city. The climate is splendid, summer and winter.

There are one thousand miles of navigable waterways on which seven steamboats are now operating from Fort George. One hundred million acres of rich agricultural, coal, mineral and timber land available for settlement. The provincial government offers 160 acres free to every head of family under new land law just put in force. Fort George is on the line of all railways building through this great country, and will be the jobbing, manufacturing and railway centre. Openings for saw mills, shingle mills, sash and door factories, brick yards and business men of all kinds.

Get busy with the "pay roll" particulars, free. Call or write.

Natural Resources Security Company, Ltd. (Joint owners and sole agents, Fort George Townsite), Edmonton, Fort George, Vancouver.

Address 424 Vancouver Block, Vancouver, B. C.
