QUICKLY CONVERTED.

A number of Servian conscripts, on entering Belgrade barracks to serve their time, announced themselves as atheists so as to avoid attendance in church. The commander got them to clean out the yard and stables every Sunday morning while their comrades went to mass. The atheists have now asked to be instructed with a view to conversion to the national creed.—Belgrade Correspondence Pall Mall Gazette.

DROWNING IN THE HARBOR OF SYDNEY

Sydney, N. S., May 19—Albert Harrington, chief steward of the Sydney Club, and R. Bond, night foreman at the Cape Breton Electric Company's car barns, were drowned this afternoon while sailing off Sydney harbor.

It was feared last night that Mrs. Harrington and another woman had accompanied her husband and Bond in the yacht, and if such is the case four were drowned instead of two.

A WONDERFUL REMEDY

Orange Lily is daily curing the most obstinate cases of Female Disorders, Falling of the Womb, Leucorrhoea, Painful and Suppressed Menstruation, etc., etc., are all of them relieved from the start by its use, and a few weeks' or months' treatment completes the complete cure. This remedy is a positive, scientific preparation, and is based on the discoveries of Pasteur and Koch, and a skilled treatment; that is, it is not taken internally, but is applied to the suffering parts, and it, therefore, acts with all the certainty of the known laws of chemical action. As it comes in antiseptic and nerve-food properties cannot help have a beneficent influence. I receive from 30 to 50 letters daily, speaking of the benefits and cures it is performing, and I assure am I that it will do what is claimed for it. I will send, absolutely free, a 35c box to every suffering woman who will write for it. Price, $1 per box, which is sufficient for one months' treatment. Address, MRS. FRANCES E. CURRAH, WINDSOR, ONT. 3

Each one of the Several Varieties is a Master-piece of the Candy Makers' Art.

We select the best cocoa beans—blend them with a high grade of cocoa butter, pure cane sugar and finest quality of vanilla beans. The chocolate is then ground for hours until it attains that creamy-like texture which is characteristic of our chocolate coatings. The chocolate is then applied to the various centres, the flavoring of which is without a rival for pure deliciousness. Remember the name "Moir's"—and insist upon your candy dealer supplying you with them.
