### Get All Your Potatoes

The Farquhar Elevator Potato Digger does the work of a crew of men. It frees all the potatoes from the soil and puts them on top ready for sacking. If you raise potatoes for profit, it will pay you to send immediately for new illustrated catalogue explaining all about the different Farquhar Diggers.

A. B. FARQUHAR CO., Ltd.  
Box 250, York, Pa.

We also manufacture Engines, Saw-mills, Thrashers, Drills and Cider Presses.

Farquhar Diggers sold by Gilson Manufacturing Co., Guelph, Ont.

### TRACTION ENGINES

New type rear-mount, also rebuilt traction and portable engines and thrashers. Some splendid bargains in rebuilt outfit. Send for rebuilt list.

The Robert Bell Engine & Thresher Co., Ltd.  
Seaforth Ontario

# JOHN DEERE

### The Spreader with the Beater on the Axle

Easy to load. Only hip-high to the top, and still has big drive wheels. Less than half the usual lifting.

Here's the reason for the strength, simplicity and good every-day working qualities of the **John Deere Spreader**. No strain on frame. No shafts to get out of line. No chains, no clutches, no adjustments. Only half the parts heretofore used on the simplest spreader.

### BOOKS FREE

Every farmer who asks about the **JOHN DEERE SPREADER** will also receive "Farm Manures and Fertilizers." This book tells all about manure, how to apply it and how to double the value of each load by a proper system of top-dressing.

Light draft because of few parts, the roller bearings and the beater and apron being driven directly from the rear axle. Built of steel, securely braced.

**JOHN DEERE PLOW CO., of Welland, Limited**  
77-79 Jarvis Street, TORONTO, ONTARIO

## INTER-PROVINCIAL FAIR BRANDON, MANITOBA

July 20 to 24, 1914

The Exhibition that always pleases. Growing bigger every year. It's the great agricultural and live stock exhibition of the West. A premium won at Brandon counts for something.

**\$50,000 IN PREMIUMS AND PRIZES \$50,000**

It's the manufacturer's opportunity to meet the buyer. It's the farmer's annual holiday. They arrange to visit the Fair and combine business with pleasure. Free outside space for machinery exhibits.

Dominion Experimental Farms Exhibit  
Dominion Department of Agriculture Exhibit  
Dominion Forestry Department Exhibit  
British Columbia Government Exhibit

**Amusement Features:** Aviation flights; high-class vaudeville; grand display of fireworks; the midway, the best ever seen at Brandon, many new features; a splendid programme of speed events for each day. Matinee races every evening. **Special Excursions and single fare rates on all railroads** See the biggest Fair. The best exhibition grounds and prettiest City in the West.
