Family Matters.

Beef heart boiled in water for some hours with rock salt and a little alum yield a size which equals glue in the preservation of cotton and silk goods.

Keeping Preserves.—It is said that to oil only exactly enough for every day use is the way to use the best methods of keeping them long through a summer unimpaired.

Sewing Machines.—Oil is tender and easily cut, and the best lubricator is a compound of tallow, mutton fat and a sprinkle of plumbago. Rub the gravy to thread with the colder take of the skin just before you sew.

To Remove Mildew from Linen.—Mix coarse with powdered Castile soap, half the quantity of salt, and a piece of lemon, and lay it on both sides with a painter's brush. Let it be in the open air—as generally preferable—till the stain is removed.

Tired Feet.—Take a cold bath when tired; the system requires heat—so that tepid water should be used. Bathe should never be taken immediately after eating. It is best to wait till two or three hours afterwards. Cold drinks should never be taken before going into water.

Tan Complexion.—The simplest and best remedy for the complexion is this: Mix glycerine with water, together with a small quantity of alcohol, and cologne, or other perfumes if you choose you may add lemon juice—only a few drops—for the alcohol, and afterwards apply toilet powder. Some ladies use nothing else.

Cheap Pudding.—Cut two or three pounds of bread into small pieces and soak them in a pint of good milk; beat up the yolks of three eggs with them, and add half a pound of currants, three ounces of sugar, three pounds of apples, and a glass of white wine; tie it up in a basin or buttered cloth, let the water boil when you put in the pudding, and boil it for half an hour. Serve with wine sauce.

Brewed Lager's Head.—Take out the kernels of half a score of them; let them lie in cold water all night; then blanch and shred them coarsely; add a quarter of a pound of lump sugar, two ounces of sweet herbs minced small, half a pint of fine cream, and the whites of two eggs well beaten; mix all together, and put it into a stewpan, and let it stew with some good stock; make the remainder of the mince meat into balls, and serve with the stewed head.

The spare beds in every house should be kept free from all covering save a light spread, and both bed and spread should be regularly aired. Merely covering up a bed with blankets and comforters will not more protect it from damp than it will keep it dry than a pane of glass will keep out rights. The atmospheric moisture will penetrate well woven fabrics. Many a friend or welcome visitor has been sent to an untimely grave, or afflicted with disease, by being put into a bed not thoroughly aired.

Cotton goods may be washed as follows without injuring the color. Add to rain water, so hot that the hand cannot be held in it, an amount of wheat bran equal in weight to one-eighth of the fabric to be cleansed; and after it has stood for five minutes, add the goods; stir them about with a clean stick, and bring the whole to a boil. Allow the mixture to cool until the article can be washed out as usual, after which rinse them well, and dry. They will be as pure as if soap had been used, and it is said that the colors will be uninjured.

Sewer Water Cresses.—It may not be generally known that water-cresses are very delicious when stewed. They should be placed in strong salt and water to free them from all insects, after which they should be carefully picked over, all the water drained off, and then put into a stew-pan with a lump of butter and a little salt and pepper—a few minutes will suffice to render the cress quite tender. A little vinegar may be added just before serving, but this must be according to taste. The cresses are made thus, as a substitute for parsley and butter, will befound an excellent adjunct to boiled fowl.

The Palace Hotel, now nearing completion, in San Francisco, is the largest hotel structure in the world. It covers 96,250 square feet of ground, and is seven stories high; 24,661,000 bricks were used in its walls, 9,000 tons of cast and wrought iron, and 4,561,524 feet of lumber and timber. It contains 1,060 windows, 577 of which are bay windows; 926 rooms; none of less than 16x16 feet, and 383 bath rooms. It contains over three miles of halls; there are five passenger elevators and seven grand stairways; there are 4,549 doors, 9,000 gas burners and thirty-two miles of gas and water pipe. It can accommodate 1,500 guests, besides 760 servants and employees. And, best of all, there is not a dark room in the house. It has been decided to run a heavy plate glass guard, sixteen inches high, along the top of the balustrade and balustrades, as a precaution against accidents by children sliding down the balustrades. This plate glass will reflect the gas jets, and at night the interior courts will present a dazzling scene.

Symptoms of Catarrh.

Dull, heavy headache, obstruction of the nasal passages, discharges from the head into the throat, sometimes profuse watery, and acrid, at others, thick, tenacious, mucous, purulent, bloody, and putrid; the eyes are weak, watery and inflamed; there is ringing in the ears, deafness, hacking or coughing to clear the throat, expectoration of offensive matter, together with scabs from ulcers; the voice is changed and has a nasal twang, the breath is offensive, smell and taste are impaired; there is a sensation of dizziness, mental depression, hacking cough, and general debility. Only a few of the above named symptoms are, however, likely to be present in any one case. There is no disease more common than Catarrh, and none less understood by physicians.

Dr. Sage's Catarrh Remedy is, beyond all comparison, the best preparation for Catarrh ever discovered. Under the influence of its mild, soothing and healing properties, the disease soon yields. The Golden Medical Discovery should be taken to correct the blood, which is always at fault, and to act especially upon the diseased glands and lining membrane of the nose. The Catarrh Remedy should be applied warm with *Dr. Pierce's Nasal Douche*—the only instrument by which fluids can be perfectly injected to all the passages and chambers of the nose from which discharges proceed.

These medicines are sold by druggists.

Railway Travelling.—Railway travelling with all its drawbacks and accidents is the safest system of traveling ever organised—the persons injured while traveling by this mode of conveyance only amount to one in half a million. Now while it is very gratifying to know that it is so much safer than the older system; it is pleasing to know that we have in the "Canadian Pain Destroyer" a medicine equally safe and sure for the cure of coughs, colds, rheumatism and summer complaints. For sale by druggists and country dealers. Price 25 cents per bottle.

Very Sensible.—Horse dealers who are supposed to know what affects their interest, purchase "Darley's Condition Powders and Arabian Heave Remedy" by the dozen, and feed it to their horses for the purpose of improving their condition, which it always does—others should profit by their example—Remember the name, and see that the signature of Hurd & Co. is on each package.—Northrop & Lyman, Toronto, Ont., proprietors for Canada. Sold by all medicine dealers.

Coughs and Colds, when left to themselves, frequently bring out pulmonary complains, which lead to that distressing and fatal disease, consumption; but if attended to in time, "Bryan's Pulmonic Wafers" are a certain remedy. They stop the irritating cough, and soothe and strengthen the bronchial tubes, allaying all irritations and inflamation. They are also particularly adapted for the use of singers and public speakers. Sold by all druggists and country dealers. Price 25 cents per box.

Beware of Counterfeits.

For the protection of the Public of British North America, I deem it my duty to state that my Pills and Ointment are neither manufactured nor sold in any part of the United States.

Each Pot and Box bears the *British Government Stamp*, with the words, "Holloway's Pills and Ointment, London," engraved thereon. On the label is the address, 533, Oxford Street, London.

This notice has become necessary, in consequence of vile and spurious imitations of 'Holloway's Pills and Ointments,' being fabricated at 78, Maiden Lane, New York, by parties styling themselves "Holloway & Co.," with an assumed trade mark, thus—

Unprincipled vendors can obtain this trash at a very low price, and so deceive you by selling the same for my genuine Holloway's Pills and ointment, which are manufactured only at 533 Oxford Street, London.

Persons who may be so deceived will be pleased to communicate with me.

Many respectable Firms in the British Provinces, who obtain my medicines direct from here, have very properly suggested that I should, for the benefit of themselves and the public, insert their names in the papers, that it may be known that my medicines can be had genuine from them.

The following is a list of the Firms alluded to; and I particularly recommend those who desire to get my medicines to apply to some of the Houses named:—

Evans, Mercer & Co., Montreal.
Messrs. Avery, Brown & Co., Halifax, N. S.
Messrs. Forsyth & Co., Halifax, N. S.
Messrs. T. B. Barker & Sons, St. John, N. B.
Apothecaries' Hall Co., Charlotte Town.
Messrs. Langley & Co., Victoria, B. C.
Messrs. Moore & Co., Victoria, B. C.
Dr. John Pallen, Chatham, N. B.
Messrs. Munro & Co., Montreal.
Messrs. J. Winer & Co., Hamilton, Ont.
Mr. H. J. Rose, Toronto.
Mr. A. Chipman Smith, St. John, N. B.
Mr. John Hond, Goderich, Ont.
Messrs. Elliott & Co., Toronto.
Mr. J. Chalmer, St. John, N. B.
Messrs. Harington Bros., St. John, N. B.
Mr. R. S. Priddy, Windsor, Ont.
Mrs. Orpen, Mordon, N. S.
Mr. George C. Hunt, Jun., Fredericton, N. B.
Mr. W. H. Thompson, Harbor Grace, N. F.
Mr. J. M. Wiley, Fredericton, N. B.
Messrs. W. & D. Yuile, Montreal.
Chas. I. Davies, Fredericton, N. B.

The medicines are sold at the lowest wholesale prices, in quantities of not less than £20 worth—viz., 8s. 6d., 22s., and 34s per dozen boxes of Pills or pots of Ointment, for which remittances must be sent in advance.

Chemists and other vendors of Holloway's genuine Pills and Ointment may have their names inserted in the local papers if they will please apply here—
