All Saints Won Sumner Trophy In Inter-Club Trundling League

The Inter-Club Lawn Bowling League wound up the season on Saturday at Lambeth.

The Lambeth club won the first series of the double schedule, and the All Saints the second.

It was agreed to play two out of three games for the cup, and the first game being played on All Saints' greens resulted in a win for Lambeth, 25—20.

The second game, played in Lambeth, resulted in All Saints' favor, 30—29.

The final game in Lambeth went to All Saints, 26—14. Rinks and score:

Of the six clubs in the league not one let up till the schedule was finished, and every man playing has enjoyed the games and sportsmanship shown by all.

Indications point to a much larger league next season.

The officers have worked hard to make this league a success, and the result this last two seasons have not been disappointing.

The officers this year were: Honorary president, C. R. Sumner, city; president, T. Hamlyn, Lambeth; vice-president, C. D. Hillier, St. Matthews; secretary-treasurer, C. V. Young, All Saints.

Executive committee: J. Davidson, G. Drake, All Saints; G. Hardy, A. Reynolds, Lambeth; J. Tarman, Joe McLeod, St. Matthews; T. Cornelius, Ted Robingson, McClarys; G. L. Spry, A. Whitlow, Huron & Erie; J. B. Sandy, Mr. Barr, Dorchester.

The league is holding its first annual banquet on or about October 3, in the city, arrangements not yet completed.

The presentation of the trophy will be made at this affair.

CALGARY SQUAD LOSES TO HAMILTON, 36 TO 9

Eastern Rugby Team Returns to Winnipeg On Tuesday.

Calgary, Sept. 25.—Canadian Press.—Experience and condition were the leading factors in the Hamilton Tigers' victory over Calgary in their exhibition game here on Saturday evening, the score being 36 to 9.

With but one week's practice the local eleven were in no shape to combat the Tigers, who had previously had three gruelling contests this season.

The game was exceptionally clean, there being but one penalty handed out. Hamilton, with a much heavier line, made their yards about twelve times during the struggle, while Calgary dinted the visiting line for yards five times. Elford, McKelvie and Cuzner excelled in speed and they negotiated some pretty runs by a "criss-cross" formation.

There was one department of the game that the visitors had to bow to the locals in, and that was in the kicking, as McTeer had a decided edge on Crocker, but the Tigers' wings were so superior to those of the local team that McTeer did not get the support that he warranted.

The Tigers are the guests of Bert Stronach, a former Ottawa Rugby star, at Banff and Lake Louise today, and they play their next game at Winnipeg on Tuesday.

FIRST STANLEY CUP GAME ON MARCH 15

May Be a Three-Cornered Fight for the World's Championship.

Montreal, Sept. 25.—The first game in the series for the Stanley cup, emblematic of the professional hockey championship of the world, was called for March 15, at a meeting on Saturday of the National and Pacific Coast Hockey Leagues' representatives here.

It is practically certain that there will be a three-cornered play-off in the Stanley cup series, as President Frank Patrick of the Pacific Coast League, was authorized by the meeting to negotiate with the Alberta Hockey League for inclusion in the series. Mr. Patrick will represent both the Pacific Coast League and the National Hockey League at the negotiations.

In regard to the working agreement between the eastern and coast bodies, this was approved so far as this meeting was concerned. It yet remains to be ratified, however, by the two leagues.

Those present at the meeting included: Percy Thomson of the Hamilton National League club, Percy Hambly and Paul Cicer of Toronto, Tommie Gorman of Ottawa, Eddie Poulin of the Alberta Hockey League, and Presidents Frank Patrick and Frank Calder.

TWO KILLED IN BELFAST RIOTING MANY INJURED

Military Reinforcements Taking Vigorous Steps To Quell Disturbances.

BELFAST, Sept. 25.—Two persons were killed and 36 wounded in rioting here last night during which bombs were thrown. Two children playing in the streets and a girl were wounded by stray bullets during the affray.

A girl was killed when the police and military fired on crowds of people in Seaford street.

Eighteen of the persons wounded were taken to the Victoria Hospital and the other eighteen to the Women's Hospital.

During the fighting a saloon was burned.

One bomb was thrown in the Milewater road, which is outside the area that has been concerned in the rioting. Six persons were wounded here, two of them seriously.

One version of the earlier bombing in East Belfast is that a Unionist crowd threw a bomb into a combination liquor and grocery store in order to set it on fire, and that while they were carrying out operation they were made the target for a Republican bomb.

Military reinforcements arrived in Belfast this afternoon and vigorous measures to quell the disturbances are expected.

RIOTING IN BELFAST.

BELFAST, Sept. 25.—One man was shot and killed and a woman wounded during the rioting in the Newtonards road district in East Belfast Saturday afternoon. During the rioting an attack was made on a public house in Cambrai street, North Belfast, and its contents looted. Later the house was burned.

Parties of armed and masked men raided the homes of J. Whittaker, general manager of the Castlecomer-Kilkenny coal mines, where a strike is in progress, and J. Hargraves, manager of the mines. Both Whittaker and Hargraves were taken away, and their whereabouts is unknown.

CORK, Sept. 25.—According to reports made by republican liaison officers, incidents occurred Saturday night and early this morning reminiscent of the conditions which prevailed prior to the signing of the truce.

A party of citizens returning from a social gathering are reported to have been halted in McCurtain street and roughly treated by members of the British constabulary.

The women of the party, terrified, fled from the scene. At the same hour, according to reports, a police patrol of five men was accosted on St. Patrick's Bridge by a large patrol of British police.

The republicans are alleged to have been questioned and called "Irish swine" and assaulted with batons and revolver butts. One man was stabbed in the arm with a bayonet, necessitating treatment in a hospital.

NINE-MILE CORTEGE.

DUBLIN, Sept. 25.—A funeral procession nine miles long, composed of 20,000 persons, including 2,000 Irish Volunteers, today escorted the bodies of William Riordon and Thomas Howard to the republican burial plot at Ballyanders. The bodies of the volunteers were disinterred at Hebertstown Saturday. The coffins were draped with republican flags. Twenty priests were present.

SEVERELY DISCIPLINED.

CORK, Sept. 25. — The Cork city council has decided to forward to the Irish Government in Dublin a statement from the commandant at Spike Island regarding the severity of the treatment of Sinn Feiners interned there.

According to the statement, which was read to the city council last night, interned men who were severely disciplined for singing in their huts at night continued their singing Wednesday night as a protest against the order to them to desist.

The statement says that several armed soldiers entered huts at 11 o'clock at night, attacked the interned men with the butts of rifles, and even with bayonets. The soldiers stripped the huts of all beds, chairs and tables and other conveniences.

Refused to Parade.

The next morning the interned men refused to parade or work, whereupon the military authorities locked the doors of the huts. The interned men retaliated by taking down the doors and burning them and otherwise wrecking the huts.

The statement added that the wrecking would continue until the demands of the interned men are granted. In the statement a list of 28 cases where severe beatings were administered is chronicled. The lord mayor of Cork, commenting upon the statement, said it illustrated the spirit actuating the British toward the truce.

HARVEST HOME SERVICES OBSERVED AT WIARTON

WIARTON, Sept. 25.—Harvest home services were held at the Baptist Church here today, and in spite of the fact that the day was being observed in a similar manner by four other denominations in town, the church was crowded to its capacity, morning and evening. Appropriate sermons were given by the minister, Rev. W. Blankley. The building was profusely decorated with flowers, plants, fruits and vegetables. Special music was rendered by the choir at each service, and the offerings for the day were very generous. Rally day was observed by the Bible school in the afternoon, at which there was a record attendance. Inspirational addresses were given by several of the teachers, and a unique program enjoyed.

Britisher Is Protesting Against Order From American Union.

LONDON, Sept. 25.—(By Canadian Press.)—Surprise is expressed at the alleged barring of an English orchestral musician from appearing in Canada by order of the American Federation of Musicians, controlled from New York.

The case has arisen in connection with the forthcoming presentation of the revue by an English company from England. The producer proposed taking a member of the recognized English Musical Trade Union as musical director, but he now learns that this is impossible because as members of the American Federation, the Canadian instrumentalists cannot play with a non-member.

The producer has indignantly cabled Premier Meighen asking whether he proposes to allow a British subject to be flung out of work because he is not allowed to play in a British dominion by an American body.

MURDERED HIS WIFE AND SLAYS SELF

Bodies of Mr. and Mrs. Staples Found by Detectives.

TORONTO, Sept. 25. — At the suggestion of neighbors, detectives last night broke into the residence of Harry Staples in the northwest part of the city and found the bodies of both Staples and his wife, Rachael, lying on the floor with throats cut. The man is believed to have murdered his wife and then committed suicide. They were last seen about the house on Friday night, and the doors remained locked and the blinds down all day Saturday. Neighbors, fearing something had happened, last night called the police. They report that the pair had not been getting on well together, and quarreling had been heard at different times. Mrs. Staples had been struck on the head with a wrench, after which her neck was slashed with a razor. Her body, dressed in house apparel and slippers, was found lying downstairs, while Staples' body was found in his room. He was a veteran of both the Boer and the late wars, and was 45 years of age. Mrs. Staples was about 60 years of age. She was a resident of Winnipeg until about 15 years ago when she came to this city.

EIGHTY ENTRIES FOR BABY SHOW AT GALT

[Special to The Advertiser.]

GALT, Sept. 27.—The 68th annual exhibition of the South Waterloo Agricultural Society today proved the most successful in its history, all previous records for attendance being shattered, with a crowd estimated at 8,000. As a result of the record crowd, the society will be in a much better shape financially than it has been in many years.

The afternoon program was a splendid one, the horse show proving a feature, with all classes well filled and competition keen. There were speeding events on the race track. The baby show, with two classes, was the best ever held, there being 35 entries in one event and 45 in the other. Highland dancing and music by the H. L. I. band helped to entertain the big crowd. The classes for cattle, sheep and pigs were well filled.

An event that proved of great interest to the rural school children was the drill competition for rural schools. The midway, the largest in the history of the show, provided much amusement. The directors of the society this year sent complimentary tickets to every school child in South Waterloo. The success of the show impressed upon the directors the need for providing more accommodation for exhibitors in future.

EMBRO, Sept. 25.—The date of the first concert of the Chataugua, which is to be held under the auspices of the Women's Institute, has been changed from October 11 to October 15, when the Harp Singers of Toronto will furnish the entertainment.
