Daguerreotype Rooms,
BARLOW'S BUILDING,
Corner of King Street and Market Square

ELEGANTLY FITTED UP IN THE LATEST IMPROVED STYLE.

THE Proprietor would most respectfully call the attention of the Ladies and Gentlemen of this City to his Rooms, which have been tastefully fitted up, and he would remind the public that if they desire to procure a perfect PICTURE, it should be to their advantage to patronize this Establishment, as he believes himself that his establishment is equal to any, if not superior to any Artist in North America.

Having served a regular apprenticeship at the Profession, (not having to abandon a former business, as many who are now practising the Art have done) and also having had a great deal of experience in Daguerreotyping, as well as the various and many improvements that have lately been made in Daguerreotyping, he is willing to challenge for $100 or $250, any Daguerreotype in this City or America, to produce a picture, equal in tone, beauty, finish and expression to that taken in his Establishment. The challenge to be decided by two of the most experienced Daguerreotype Artists in the United States.

HOLLOWAY'S PILLS.

EXTRAORDINARY CURE FOR ASTHMA!!

OF AN OLD LADY SEVENTY FIVE YEARS OF AGE.

Copy of a Letter from Mr. Thomas Weston, Book

To Professor Holloway,

Sir,—Gratitude compels me to make known to you the extraordinary benefit an aged parent has derived from the use of your Pills. My mother was affected for upwards of four and twenty years with asthma and spitting of blood, it was quite agony to see her suffer and hear her cough; I have often declared that I would give all I possessed to have cured her; but although I paid a large sum for medicine and advice, it was all to no purpose. About three months ago, I thought perhaps your Pills might benefit her, at all events I resolved to give them a trial, which I did; the result was marvellous; by slow degrees my mother became better, and after persevering your remedies for nine weeks, she was perfectly cured, and now enjoys the best of health, although seventy five years old.

I remain, Sir, your obliged,

(Signed) THOMAS WESTON.

REMARKABLE CURE OF DROPSY!!

AFTER BEING TAPPED THREE TIMES.

Copy of a Letter from Anthony Smith, Esq., Ex-Sheriff, Nova Scotia, dated 26th August, 1854.

To Professor Holloway,

Sir,—I desire to add my testimony to the value of your Pills, in cases of dropsy. For nine months I suffered the greatest torture with this distressing complaint; was tapped three times, and finally given up by the doctors; having become in appearance as a skeleton, and with no more strength in me than a child just born. It was then that I thought of trying your Pills, and immediately sent for a quantity, and commenced using them. The result I can scarcely credit even now, although true it is. After using them for four weeks, I felt much better, and by persevering with them, at the expiration of two months, I was completely cured. I have since enjoyed the best of health.

I am, Sir, yours sincerely,

(Signed) ANTHONY SMITH.

ASTONISHING CURE OF GENERAL DEBILITY AND LIVER COMPLAINT.

Copy of a Letter from James Reeves of Charlottetown, Prince Edwards Island, dated 17th Nov 1854.

To Professor Holloway.

Sir,—I am happy to say that your Pills have restored me to health after suffering for nine years from the most intense general debility and langour, my liver and bowels were also much deranged; for the whole of that time, I tried many medicines, but they were no good to me, until I had recourse to your Pills, by taking which and following the printed directions for seven weeks I was cured, after every other means failed to the astonishment of my neighbours, acquaintances and friends. I shall ever feel grateful to you for this astonishing restoration to health, and will recommend your Pills to all sufferers, feeling it my duty to do so.

I remain Sir, your humble servant,

(Signed) WILLIAM REEVES.
