POSLAM REAL FIRST AID WHEN THE SKIN AILS

Any abrasion of the skin, cut, boil, blister, rash or open sore spot, is dangerous as a possible source of infection leading to serious skin diseases, and should be treated promptly with Poslam, the antiseptic healing remedy.

Poslam readily shows its power to kill germ life by stopping all itching and causing the trouble to disappear. Poslam acts in this manner in any skin disorder, including all eczemas, acne, salt rheum, psoriasis, skin scale, seven-year itch, barbers' itch, and similar diseases. Minor affections, such as pimples, rashes, hives, etc., are quickly driven away.

POSLAM SOAP keeps the skin secure against diseases, improves its color and texture, soothes tender skin, makes complexions clear, hands soft. The best shampoo for dandruff.

Chas. R. Wasson, Clinton Brown, F. W. Monroe, and all druggists sell Poslam (price, 50 cents) and Poslam Soap (price, 25 cents). For free samples, write to the Emergency Laboratories, 32 West 25th Street, New York City.

WEDDINGS

Semple-Ingraham.

A happy event takes place at four o'clock this afternoon at the residence of Hugh Ingraham, 27 Barker street, when his daughter, Miss Nellie Wyman Ingraham, will be united in marriage to James N. Semple, a son of Policeman James Semple. Rev. E. B. Hooper, rector of St. Paul's church, will perform the ceremony. The bride will be gowned in a wedding dress of cream silk and will be given away by her father. The wedding march will be played by Mrs. Joseph Semple. After the ceremony the young couple will leave on the Boston boat to spend their honeymoon in New York. The popularity of the young couple is attested to by the numerous and costly presents which they received. Prominent among these are the china dinner set presented by the staff of the Josiah Fowler Co., where the groom is employed, a splendid Morris chair and two substantial cheques from the bride's father and uncle. These together with many other handsome articles of silver and cut glass, make an array of which any bride should be justly proud.

Porter-Dwyer.

A quiet wedding took place last evening at 302 Princess street, when Clarence Arthur Porter, of Calgary, Alberta, and formerly of Wolfville, was united in marriage to Miss Angela Tobin Dwyer, of Cambridge, Kings Co., N. S. The ceremony was performed by Rev. W. Camp, of the Leinster street United Baptist church, and the couple were unattended. The bride wore a travelling dress of Alice blue broadcloth with a black and white tailored hat. After a short honeymoon trip through Nova Scotia, Mr. and Mrs. Porter will go to Calgary where they will reside.

Brown-Clarke.

At the residence of the officiating clergyman, Rev. W. R. Robinson, a pretty wedding ceremony was performed last evening when Charles F. Brown, formerly of St. Martins, but now a resident of this city, and Miss Marion Helena, daughter of Charles Clarke, of West St. John, were united in marriage. The groomsman was Wm. Byers, and Miss Lizzie Clarke attended the bride. Mr. and Mrs. Brown will reside in Clarence street.

IN THE COURTS

Probate Court.

In the probate court yesterday the matter of the estate of Miss Sarah E. Barrett came up. She died in Boston and administration of her estate had been granted to the late W. Watson Allen who died without having fully administered the estate, the time not having elapsed. His widow, Mrs. Susie T. Allen, the executrix, now comes in and asks for passing of his accounts as such administrator and for order for distribution. The accounts were passed as filed. F. J. G. Knowlton is proctor.

In the matter of the estate of James Minehan, retired meat dealer, there was return of citation to pass the accounts of Henry O. McInerney, barrister, and for order for distribution. The accounts of the executor were passed and allowed as presented. The three residuary beneficiaries under the will expressed themselves as fully satisfied, and an order for distribution was made. J. MacMillan Trueman is proctor.

Returns to Chicago.

Rev. J. Allan Price, B.A.,B.D., pastor of Trinity Congregational church, Chicago, left last evening for Chicago, in his seven weeks' vacation he visited the eastern states and New Brunswick, spending one week in St. John and in Kings county, visiting the home of his boyhood. While here he occupied the pulpit of the Congregational church on Sept. 1st and 8th. He is a very eloquent speaker, Many good wishes follow him.

A New Principle in Complexion Treatment

(From Society World.)

Most creams are injurious when used habitually. They clog the pores, and eventually form a permanent, soggy, stifling film which interferes with eliminative action and makes the skin sickly and pasty. There is an application—mercolized wax—which acts upon an entirely different principle. While perfectly harmless, it contains active ingredients which remove by absorption the dead and half-dead particles of scarf skin, as well as unhealthy matter in the pores. Thus it takes away from instead of adding to the complexion, differing in this respect from cosmetics. The result is a perfectly natural and healthy young complexion. Mercolized wax, procurable at any drug store (one ounce is sufficient,) is applied at night like cold cream and washed off in the morning.

The correct principle in the treatment of wrinkles is to tighten the skin, which naturally irons out the lines. A face bath, remarkably effective in this direction, may be made by dissolving 1 ounce powdered saxolite in ½ pint witch hazel.

OCEAN FREIGHT RATES.

Evidence of the remarkable rise in ocean freight rates was given on Aug. 23, when engagements were made for cargo strs for two round trans-Atlantic voyages United Kingdom to United States, delivery and re-delivery, for 6s 4½d. The difference between the high and low for ocean freight is the variation between 2s 6d a few years ago, and 6s 4d the average now prevailing. Within the past week the views of shipowners have stiffened. Previous offers have been cancelled and between Aug 2 and Aug 21 the increase in the rate quotation for cargo boats to the River Plate has been so large that would-be charterers have refused to pay the price. In every direction tonnage is exceedingly scarce.—Maritime Register.
