—"That Miss Jones is a nice-looking girl, isn't she?"

"Yes, and she'd be the belle of the town if it wasn't for one thing."

"What's that?"

"She has catarrh so bad that it is unpleasant to be near her. She has tried a dozen things and nothing helps her. I am sorry, for I like her, but that doesn't make it any less disagreeable for one to be around her."

Now if she had used Dr. Sage's Catarrh Remedy, there would be nothing of the kind said, for it will cure catarrh every time.

—Why will you allow a cough to lacerate your throat or lungs and run the risk of filling a consumptive's grave, when, by the timely use of Bickle's Anti-Consumptive Syrup the pain can be allayed and the danger avoided. This Syrup is pleasant to the taste, and unsurpassed for relieving, healing and curing all affections of the throat and lungs, coughs, colds, bronchitis, etc., etc.

—The great lung healer is found in that excellent medicine sold as Bickle's Anti-Consumptive Syrup. It soothes and diminishes the sensibility of the membrane of the throat and air passages, and is a sovereign remedy for all coughs, colds, hoarseness, pain or soreness in the chest, bronchitis, etc. It has cured many when supposed to be far advanced in consumption.

—There is a wide difference between medicines which affect merely the symptoms of disease and those which affect its cause. The first are useful as palliatives, the second, if of genuine efficacy, produce a radical cure. To the latter class belongs Northrop & Lyman's Vegetable Discovery and Dyspeptic Cure. Thoroughness of operation is its special attribute in all cases of billiousness, costiveness, indigestion, kidney complaints and female weakness.

—R. C. Bruce, druggists, Tara, says: I have no medicine on my shelves that sells faster or gives better satisfaction than Dr. Thomas' Eclectric Oil, and the sale is constantly increasing, the past year being the largest I have ever had. One of my customers was cured of catarrh by using three bottles. Another was raised out of bed, where he had been laid up for a long time with a lame back, by using two bottles. I have lots of customers, who would not be without it over night.

The Genuine Piano, Manufactured by Rainer & Co., Guelph, Ont.

The undersigned respectfully announce that on the 8th day of April, 1884, Joseph F. Rainer dissolved partnership with Frank Sweetnam and John Hazelton as Piano Manufacturers and that said Joseph F. Rainer with his Son will continue to manufacture the original Cross Scale Pianos of which the said JOSEPH F. RAINER IS THE SOLE INVENTOR. Since the above dissolution the undersigned have commenced to manufacture in connection with their Cross Scale Pianos a new improved Harp Scale Piano of which Joseph F. Rainer is the Patentee of many improvements in Piano Structure and is acknowledged to be the Pioneer Piano Builder of Canada. Joseph F. Rainer's Harp Scale Pianos have been before the public for more than 25 years and have acquired a reputation for excellence far surpassing any other Piano manufactured in Canada. The long and almost unbroken list of Prizes, Medals and Diplomas received at the principal Provincial and Industrial Fairs from 1858 to 1883, being an indisputable evidence of such superiority and are celebrated for quality of tone, great power and durability of action, prompt elastic touch, fine finish and elegant style of Case combined with every known improvement. The great favor with which our Cross Scale Pianos have been received and the reputation they bear has induced others to imitate them. We, therefore, caution intending purchasers and dealers wishing to obtain the original Cross Scale Piano to see that the name of Rainer & Co. is on each instrument. Intending purchasers and dealers will also please take notice that when writing for prices they will please state what kind of a Piano they want as the Harp Scale Piano comes a good deal cheaper than the Cross Scale Piano. We also make the Upright and Square Grand Pianos. For further particulars, price lists, &c., &c. Address, RAINER & CO., Guelph, Ont. 3m 6
