Legislative Reporter.

MR. BENNETT respectfully informs the Public, that he would enter into a Sessional engagement to Report the proceedings of the House of Assembly during the ensuing Session. Mr. Bennett's long practical acquaintance with the Stenographic Art, would enable him to Report *verbatim*, or to condense the Speeches of Honorable Members, still preserving the original matter of Debate, and giving a clear view of the spirit of the House, by publishing in their native *Parliamentary* form any strong or marked expressions of Hon. Members. Whether he would Report *verbatim* or otherwise, would depend altogether upon the directions of the Committee. Mr. B. would observe a strict neutrality of his own political sentiments; would identify himself with no party interest; but would endeavour with the utmost fidelity to the interests of the Province, to obtain an impartial position between the *Legislative* Assembly and the Public at large. His terms would be moderate.

Application to be made to Mr. B. at Mrs. LONGMIRE's, Market Square.

St. John, December 12, 1835.

Legislative Reporter.

UNDER the above title, should sufficient patronage offer, the subscriber purposes publishing in Fredericton, daily, as far as is practicable, a Report of the Debates in the House of Assembly of this Province, during the ensuing and succeeding Sessions.

As this is an undertaking of public utility, and one much desired by all classes of the public, and the Members themselves, he trusts a sufficient number of subscribers will be procured to enable him to carry his design into execution.

The work will be printed in such a manner as to admit of its being bound up, and despatched by the mails and such earlier opportunities as may occur, to the different parts of the Province.
