MORRIS.

On the morning of the 19th ult., Mr. E. Nichol, lot 18, con. 7, Morris, discovered that a bull which he owned had got loose, and he immediately went into the stable and endeavoured to tie the animal up before it did any damage.—While trying to secure the bull, Mr. Nichol was gored severely in the left side, and sustained internal injuries of so serious a nature that he expired within twenty-four hours. The bull in question has frequently exhibited a vicious nature, and is from an animal which severely injured Mr. A. Nichol, brother of deceased, some four years ago.

Mr. G. H. Ruttan, lot 57, con. 1, Morris, in April last caught a young otter, which he has since raised by means of a sucking-bottle. It is now quite tame, and as thoroughly domesticated as a household kitten.—*Post.*

The Dunkin Bill has been carried in the township of Elizabethtown, county of Leeds, by a majority of 125.

Last week we reported the shooting of a man named Finlay, near Wallaceburg, under the following circumstances:—By a strange noise in the stable at a very early hour in the morning, on the 22nd, he was called out of bed, and a short time afterward his body was found lying inside the stable door with a fatal bullet wound in his head. The conduct of deceased's wife and a man named Smith leads to the belief that this is a repetition of the Nissouri horror, and that at the instance of the wife Smith killed her husband. Smith was arrested, and an inquest was held which lasted three days. The brother of the deceased questioned Mrs. Finlay on Thursday and she denied point blank any knowledge the murder, but she finally asked him to accompany her to the woods, and he having done so, she made the following confession:—"The murder was committed by the prisoner Smith on Friday morning. He told me he had arranged for the murder on Thursday evening, but there being no cap on the gun he failed to carry out his intention, although he had lain in wait.—During Friday he went into the stable to cut some potatoes for seed, and while there he capped the gun. On Saturday morning, about one o'clock, he went into the stable and loosened the horse in order to make a noise to draw Finlay out. Finlay was awake and heard the noise, whereupon he went out. I heard the report of the gun almost immediately after he went out. A moment or so after, Smith came to the door of the house and knocked; I went to the door and he told me the deed was done. Smith then went back to bed. After allowing a few minutes to elapse, I went and called Smith and a hired boy named Shanks. They got up and went to the stable; I went to the corner of the house and asked 'what's the matter?' One of them replied, 'he is dead.' Then the neighbors were roused." After the delivery and signing of this confession Smith entirely broke down and wept bitterly, crying out, "You have murdered both of us, but I am innocent!"—The woman was then ordered into custody and the two were removed to Sarnia gaol.

Mrs. Capt. Young, over sixty years of age, cut her throat in her own house, in Hamilton, on Sunday. Her husband, who keeps a grocery store on James street North, the other day broke some of his ribs, and this so grieved and distressed the old lady as to cause her to commit the rash deed. While her husband was sleeping she slipped upstairs, entered a room, locked the door, and taking a razor, cut her throat from ear to ear.

Important to the Inhabitants of Huron County.

Goderich has been visited by that eminent Oculist and Optician Professor Edward T. Franks of Manchester, Lancashire, England, for the purpose of introducing his famous Uniform Focus Spectacles, which are said to be (by our principal Towns people whom he has supplied) the best spectacles in existence, for all optical defects of Vision. Judging from the testimonials given him by the inhabitants here, we should say, that his visit to the villages of Huron will be a benefit to the inhabitants, intends to have with him when he visits them, which will be in a short time, a large assortment of these truly valuable Spectacles on sale. The professor during the last lecture season has visited professionally most of the important towns and cities of Canada, and from the lengthy favourable notices of the newspaper press of this gentlemen as a lecturer on the eye and its diseases, and of his Uniform Focus Spectacles, we think his visit to the Villages of Huron Co., will be a public good, and all needing spectacles, will no doubt take advantage of so excellent an opportunity of obtaining the best of spectacles, accurately adjusted to the eye by so eminent a man, as Dr. Franks. 1473 tf.

AGUA MIRACULOSO.

This Exquisite Spanish "Toilette Preparation," for beautifying and preserving the complexion and skin, has for years been *exclusively* prepared by DON MANUEL ACOSTA, an eminent chemist of Seville, Spain, and by him sold in large quantities to the *élite* of that city, Madrid, Havana and elsewhere, as an *incomparable* beautifier and preservative of the complexion, and certain preventive of Wrinkles, Freckles, Pimples, Sunburn, Tan, and all blemishes of the Skin. While making a voyage to Cuba some years ago, on one of the British Royal Mail Steamships, DON MANUEL was overtaken by severe sickness, and his life for days despaired of, but ultimately, he rallied and recovered, and as an acknowledgement of his appreciation of Dr. Campbell's services, (Dr. C. being at that time Medical officer on board the steamship), he presented the Doctor with the formula from which he prepared his famous 'AGUA MIRACULOSO,' (*Miraculous Water.*) So many lady patients for whom Dr. C. has prepared an occasional bottle, having expressed themselves most *enthusiastically* in regard to its merits, he has determined for the future to prepare it as a STANDARD TOILETTE PREPARATION. Its use imparts to the skin, a dazzling brilliancy, healthy freshness, transparent clearness, velvety smoothness and exquisite softness. A few applications will convert the *roughest* skin into one of Alabaster delicacy. It is not a "Paint" or "Enamel," but a *Deliciously Fragrant Medicated Water* for the skin, of marvellous efficacy. WARRANTED harmless as pure milk. Price One Dollar per bottle. Six bottles for Five Dollars. Expressed to any address. PREPARED ONLY BY JAMES P. CAMPBELL, M. D., Chemist, 66 FULTON St., N. Heart Disease.—A Card.

New York, December 24, 1874.

JAS. P. CAMPBELL, M. D. 66 Fulton St. N. Y.

Dear Sir—

For many years my wife has had serious Organic, and of course, Functional Disease of the Heart, and frequently has 'seizures' of the most terrible description, menacing her with *instant death.* I have tried many prominent Heart Remedies without avail, but in Dr. Campbell's 'Heart Regulator' I am free to confess, we have found the "Supreme Palliative," if not the "Radical Cure." Your preparation, Doctor, *always* relieves her *instantly* and *perfectly*, while the 'seizures' are much less frequent and severe. I have also prescribed your remedy in my practice, I can and do, most conscientiously commend its use to all suffering from Organic or Functional Cardiac Derangements.

Very truly yours,
